

Redbox Entertainment Acquires North American Rights to WWII Action-Drama *Come Out Fighting*

May 24, 2022

Written and Directed by Steven Luke, Come Out Fighting stars Kellan Lutz, Michael Jai White, Dolph Lundgren, Hiram A. Murray and Tyrese Gibson, and will premiere in 2022

LOS ANGELES--(BUSINESS WIRE)--May 24, 2022-- Redbox Entertainment, the original content division of Redbox (NASDAQ: RDBX), today announced it has acquired North American distribution rights to WWII action-drama *Come Out Fighting*. The film stars Kellan Lutz (*The Twilight Saga*) as Lieutenant Frank Ross, and Michael Jai White (*Mortal Kombat: Legacy*) as Sergeant AJ 'Red' McCarron, and is written and directed by Steve Luke (*Operation Seawolf*). The film will premiere in 2022 and is expected to have a limited theatrical run and be available day-and-date On Demand.

Based on true events, *Come Out Fighting* is set during WWII as the American army have raced their way through the countryside on the border of France, entering Nazi Germany. Hitler, desperate to turn the tide, has deployed his secret weapon: an M-262 fighter jet. Lt. Frank Ross encounters this weapon, and an intense aerial battle ensues. Ross, forced to eject from his plane, lands behind enemy lines. Waiting for a rescue team, Frank finds himself in the middle of a German ambush against an American Tanker Patrol. Leading the USA Patrol is 2nd Lt. Robert Hayes along with his right-hand soldier, Sergeant A.J. "Red" McCarron and Private Michael "Salty" Buttons serving the famed 761st Tank Battalion known as "The Black Panthers." Buttons and the others must find a way to put differences aside and band together to win this war.

The film was produced by Dean Bloxom, Luke Schuetzle and Andre Relis. Galen Smith and Marc Danon will serve as executive producers.

"This is a fascinating snapshot during one of the most tumultuous times in modern history," said Galen Smith, CEO of Redbox. "This story is a testament to the enduring human spirit, and to what can be accomplished when people who, on the surface, have nothing in common, yet work together against immeasurable odds."

"We are elated to be working again with our valued partners at Redbox on yet another Action-packed film that sure will resonate with audiences keen on watching a story that celebrates brotherhood and diversity in the context of a little known battle that took place at a major turning point of World War 2," said JD Beaufile, President of Sales at VMI.

The deal was negotiated by Marc Danon, Head of Original Content for Redbox Entertainment and was brokered by JD Beaufile, President of Sales VMI on behalf of the filmmakers.

About Redbox

Redbox (NASDAQ: RDBX) is a leading entertainment company that gives consumers access to a large variety of content across digital and physical media. The company operates a rapidly growing digital streaming service that provides both ad supported (AVOD) and paid movies from Hollywood studios and hundreds of content partners, as well as over 130 channels of Free Ad Supported Streaming Television (FAST). The Redbox app is available on major entertainment platforms that include Roku devices, connected TVs, gaming platforms, the web as well iOS and Android devices. Redbox also operates its popular kiosks across the US at thousands of retail locations – giving consumers affordable access to the latest in entertainment. The company produces, acquires, and distributes movies through its Redbox Entertainment™ label, providing rights to talent-led films that are distributed across Redbox's digital and physical services as well as through third-party digital services. Headquartered just outside of Chicago, Redbox has offices in Los Angeles and Seattle. For more information, visit www.redbox.com.

Forward-Looking Statements

Certain statements in this press release may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "target," "would" and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. The forward-looking statements in this release include statements regarding the Redbox management team's expectations, hopes, beliefs, intentions or strategies regarding the future of its free streaming services. Forward-looking statements are not guarantees of future actions, results, performance or events, which may vary materially from those expressed or implied in such statements. Differences may result from actions taken by Redbox or their management, as well as from risks and uncertainties beyond their control. Such risks and uncertainties include, but are not limited to, changes adversely affecting the business in which Redbox is engaged, the risks associated with demand for Redbox's services and vulnerability to industry downturns and regional or national downturns, competition from new and existing competitors, Redbox's dependence upon third parties to provide certain content and services, and general economic and political conditions. The foregoing list of risks and uncertainties is illustrative but by no means exhaustive. For more information on factors that may affect Redbox, please review the "Risk Factors" and other disclosures described in Redbox's (and previously Seaport Global Acquisition's) public reports filed with the SEC, including its Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. These forward-looking statements reflect Redbox's expectations as of the date of this release. Redbox undertakes no obligation to update the information provided herein.
