

## Redbox Announces Its Top Movies of 2021 Across Streaming and Kiosks

January 5, 2022

*Free Guy* takes top On Demand rental and *The Croods: A New Age* is top movie rental at Redbox's nearly 40,000 kiosks

*Texas Killing Fields* is top AVOD title of 2021

CHICAGO--(BUSINESS WIRE)--Jan. 5, 2022-- Redbox (NASDAQ: RDBX), a leading entertainment company, today announced the most watched movies in 2021 across its rapidly growing Ad Supported Video On Demand (AVOD), Transactional Video On Demand (TVOD) streaming service, and nearly 40,000 Redbox kiosks. *Texas Killing Fields*, a crime drama starring Jeffrey Dean Morgan is the top AVOD title; *Free Guy*, the Ryan Reynolds action comedy, is the top On Demand title; and finally, the adorable stone age animated kids' movie *The Croods: A New Age* takes top kiosk rental of 2021.

2022 marks the 20<sup>th</sup> anniversary of Redbox bringing the best in entertainment to millions of customers. The company offers content through its nearly 40,000 iconic red kiosks as well as its streaming app which is available on Roku, Samsung, VIZIO, LG, Xbox, PlayStation, iOS, Android, and many other platforms. The Redbox app provides a wide selection of Redbox on Demand movies and TV shows available to stream as well as its Ad Supported Video On Demand (AVOD) streaming service featuring thousands of free movies. In addition, the Redbox Free Live TV service has now surpassed 130 Free Ad Supported Television (FAST) channels offering a wide range of content from *The Price is Right: The Barker Era* to *The Bob Ross* channel.

"In 2021, we continued to see growth in our streaming services and our kiosks remain very popular with our customers," said Galen Smith, CEO of Redbox. "2022 will be a big year for Redbox as we accelerate our digital businesses and celebrate 20 years of bringing the best in entertainment to millions of customers."

**About Redbox**

Redbox (NASDAQ: RDBX) is a leading entertainment company that gives consumers access to a large variety of content across digital and physical media. The company operates a rapidly growing digital streaming service that provides both ad supported (AVOD) and paid movies from Hollywood studios and hundreds of content partners, as well as over 128 channels of free ad supported streaming television (FAST). The Redbox app is available on major entertainment platforms that include Roku devices, connected TVs, gaming platforms, the web as well iOS and Android devices. Redbox also operates its popular kiosks across the US at thousands of retail locations – giving consumers affordable access to the latest in entertainment. The company produces, acquires, and distributes movies through its Redbox Entertainment™ label, providing rights to talent-led films that are distributed across Redbox's digital and physical services as well as through third-party digital services. Headquartered just outside of Chicago, Redbox has offices in Los Angeles and Seattle. For more information, visit [www.redbox.com](http://www.redbox.com).

### Forward-Looking Statements

Certain statements in this press release may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "would" and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. The forward-looking statements in this release include statements regarding the Redbox management team's expectations, hopes, beliefs, intentions or strategies regarding the future of the physical rental market and its streaming services. Forward-looking statements are not guarantees of future actions, results, performance or events, which may vary materially from those expressed or implied in such statements. Differences may result from actions taken by Redbox or their management, as well as from risks and uncertainties beyond their control. Such risks and uncertainties include, but are not limited to, changes adversely affecting the business in which Redbox is engaged, the risks associated with demand for Redbox's services and vulnerability to industry downturns and regional or national downturns, competition from new and existing competitors, Redbox's dependence upon third parties to provide certain content and services, and general economic and political conditions. The foregoing list of risks and uncertainties is illustrative but by no means exhaustive. For more information on factors that may affect Redbox, please review the "Risk Factors" and other disclosures described in Redbox's (and previously Seaport Global Acquisition's) public reports filed with the SEC, including its Registration Statement on Form S-1, Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K as well as the preliminary and the definitive proxy statements filed with the SEC in connection with the solicitation of proxies for the meeting of stockholders that approved the business combination between Redbox and Seaport. These forward-looking statements reflect Redbox's expectations as of the date of this release. Redbox undertakes no obligation to update the information provided herein.
