Chicken Soup for the Soul Entertainment, Inc. (the “Company”) has determined that it is unable, without unreasonable effort or expense, to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2023 (“Form 10-Q”) by the prescribed due date because preparation of the 10-Q would have diverted the attention of the Company’s management from certain important strategic efforts it has been undertaking. Such strategic undertakings have required a significant amount of management’s time that was to have been utilized for the preparation of the Form 10-Q, including consideration of the matters described in the attachment hereto pursuant to PART IV (3) below, and delayed the preparation of the unaudited financial statements for the quarter ended September 30, 2023. As a result, the Company requires additional time to complete analysis relating to its quarter-end financial reporting processes and compile and verify the data required to be included in the Form 10-Q.

If answer is no, identify report(s). Yes No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to lower Company performance than expected, principally related to lower kiosk rentals at Redbox, the Company is undertaking a review of the recoverability of goodwill and certain intangible assets and as such, is currently unable to provide a range of results for the third quarter of 2023. The Company does expect Q3 2023 reported net revenue to be materially less and loss per share to be materially greater, as compared to the third quarter of 2022, due to the impacts from the acquisition of Redbox in August of 2022 (i.e., partial impact in Q3 2022 vs. a full quarter impact in the Q3 of 2023), as well as any potential impairment identified.
