This is an initial public offering of our Class A common stock. The offering price is \$12.00 per share.

The offering consists of 900,000 shares of our Class A common stock comprised of (a) up to 641,983 newly issued shares of our Class A common stock (“Shares”) and (b) up to an aggregate of 258,017 of our outstanding shares of Class A common stock that may be sold by certain of our non-management, non-affiliated existing stockholders (“Selling Stockholder Shares” and together with the Shares, the “Offering Shares”). We will not receive any of the proceeds from the sale of the Selling Stockholder Shares in the offering. None of our officers, directors or affiliates is selling any securities in this offering.

To the extent less than 900,000 of the Offering Shares are sold in the offering, the Offering Shares sold in the offering will be allocated pro rata between the Shares and Selling Stockholder Shares. To the extent 900,000 or more of the Offering Shares are sold in the offering, all of the Selling Stockholder Shares will be sold in the offering.

In the event all of the Offering Shares are sold, we may, in our discretion, sell up to 1,600,000 additional newly issued shares (“Additional Shares”) in the offering.

Overview

CSS Entertainment curates and shares video stories that bring out the best of the human spirit.

We create and distribute our video content under the *Chicken Soup for the Soul* brand. Since our inception in January 2015, our business has grown rapidly and is profitable. Our 2016 revenue was \$8.1 million, as compared to 2015 revenue of \$1.5 million. We had net income of \$0.8 million in 2016, as compared to a net loss of \$0.8 million in 2015. Our 2016 Adjusted EBITDA was \$3.8 million, as compared to 2015 Adjusted EBITDA of \$0.0 million.

We are aggressively growing our business through a combination of organic growth, licensing and distribution arrangements, acquisitions, and strategic relationships.

In October 2015, we premiered our first show, *Chicken Soup for the Soul's Hidden Heroes* on CBS. In 2016, we had two shows on the air, *Hidden Heroes* and *Project Dad*, a *Chicken Soup for the Soul Original*, which aired on Discovery's TLC network.

In September 2016, we entered into an exclusive distribution agreement ("A Plus Distribution Agreement") with A Sharp Inc. d/b/a A Plus ("A Plus"), a digital media company that is majority owned by an affiliate of CSS, and which specializes in positive journalism and social change. Our agreement with A Plus significantly expands our ability to share our content by providing us access to A Plus' celebrity influencers, including A Plus' founder and chairman, Ashton Kutcher. These celebrity influencers have more than 480 million followers combined.

In March 2017, we launched the CSS Network, our branded direct-to-consumer ("DTC") network. The CSS Network will allow more consumers to view our growing library of *Chicken Soup for the Soul* original and third-party video content on a fee-per-view, subscription or advertising-supported basis.

In June 2017, we entered into a three-year collaboration agreement ("Collaboration Agreement") with an affiliate of Ashton Kutcher ("Kutcher"). Kutcher will serve as an executive producer and collaborate with us on all business and creative elements of two new television series relating to the positive content of A Plus and the *Chicken Soup for the Soul* brand.

We believe that increasing consumer demand for hopeful and enduring real life stories will continue to drive our growth. We intend to continue to expand our content offerings and distribution capabilities at our current rapid pace in order to bring the positive *Chicken Soup for the Soul* message to as many people as possible.

The *Chicken Soup for the Soul* Brand

We have an exclusive, perpetual and worldwide license from CSS to create and distribute our video content under the *Chicken Soup for the Soul* brand.

The *Chicken Soup for the Soul* brand is best known for its series of *Chicken Soup for the Soul* books, with more than 250 published titles. More than 500 million *Chicken Soup for the Soul* books have been sold worldwide during the past 23 years. The brand has garnered considerable awareness within its highly-prized female demographic with more than 80% of social media followers of *Chicken Soup for the Soul* on Facebook, Twitter and Instagram being women.

The *Chicken Soup for the Soul* brand has been experiencing significant growth in its media and social media presence:

- The brand had more than 2.6 million combined Facebook fans as of March 2017, which is up approximately 28 times since December 2011.
- The *Chicken Soup for the Soul* daily podcast, which was launched in February 2016, has had more than 1.4 million digital downloads since inception.

The *Chicken Soup for the Soul* brand had over 10 billion content views (which include impressions, video views and podcast downloads) across all platforms including Facebook, Twitter, YouTube and Instagram during the 12-month period ended March 31, 2017, with 1 billion content views in March 2017.

We believe the significant awareness and reach of the *Chicken Soup for the Soul* brand, the demographics to which the brand appeals, and the growing social media presence and highly engaged fan base associated with the brand will translate into meaningful recognition and demand for our video content offerings.

Our Video Content

We provide both long-form and short-form video content. Our long-form video content typically consists of 30 to 60 minute episodic programs. Our short-form video content typically consists of one to five minute videos sometimes branded as *Sips*. We generally make our content available to consumers globally through traditional media and a growing number of alternative distribution platforms.

We currently have two long-form video content projects on air: *Chicken Soup for the Soul's Hidden Heroes* and *Project Dad*, a *Chicken Soup for the Soul Original*. The multi-award winning *Hidden Heroes* is hosted by Brooke Burke-Charvet and is currently airing its second season on CBS. *Project Dad* is airing on the TLC network and two other Discovery networks. A segment of *Hidden Heroes* can be seen at <https://cssentertainment.com/hiddenheroes>. A short overview of *Project Dad* can be seen at <https://cssentertainment.com/what-we-do/television/project-dad>. In addition, we have delivered our short-form videos, including *Sips*, to multiple customers including Hilton Grand Vacations, American Humane and the Emily Griffith Technical College, and are in negotiations with numerous others. A recent Hilton Grand Vacations *Sip* can be seen at <https://cssentertainment.com/what-we-do/online-video/the-sip> and a recent American Humane video can be seen at <https://cssentertainment.com/what-we-do/television>.

In addition, we have agreements-in-principal for our third long-form video content series called *Paycation Homes* with sponsors and cable networks. This show will give viewers the information and inspiration needed to realize their dreams of using real estate entrepreneurship to obtain financial success.

We have an exciting pipeline of new long-form and short-form video content projects in various stages of development. For example, we have entered into exclusive co-production agreements for two additional long-form shows with Peacock Productions, the non-fiction production division of NBCUniversal.

We partner with highly-regarded independent producers to develop and produce our video content. Using this approach provides us with access to a diverse pool of creative ideas for new video content projects and allows us to scale our business on a variable cost basis. We seek committed funding prior to moving forward with a project.

Our Opportunity

Recent advancements in video, internet, and mobile technologies have reduced the barriers to entry for video content creation and distribution. These changes in technology have meaningfully impacted consumer viewing habits. Traditional video content distribution channels, such as broadcast and cable television networks, are losing ground to alternative distribution platforms, including internet-delivered networks, such as social media, and “over-the-top” (“OTT”) and DTC networks. This has fractionalized the viewing audience, making it more difficult for advertisers to reach their target audiences.

In addition, traditional cable subscriber fees and linear television advertising are coming under significant pressure as consumers migrate towards “cord cutting,” “skinny bundles,” OTT, and DTC offerings. As these trends continue, we anticipate that many industry participants will face constrained programming budgets and network failures. Recent examples of the effect of these trends include the shutdown in October 2016 of Pivot TV, a digital cable and satellite television network targeted at young adults between 18 and 34 years old, and the announcement of the conversion of Esquire TV Network to a digital-only service in January 2017. These trends are providing new opportunities not previously available.

One of our fundamental objectives is to continue to grow our CSS Network as we continue to grow our content offerings to critical mass. Our strategy is to build our library of video content through a combination of *Chicken Soup for the Soul* original video content and opportunistic acquisitions of third-party video content libraries or other rights to video content as failing networks seek to monetize their library value. Industry dislocation is also enabling us to purchase broadcast airtime in attractive time slots and on attractive terms to further exhibit our video content as networks seek to fill their schedules in the face of declining budgets.

Our relationship with A Plus allows us to accelerate the growth of our video content offerings and to develop and distribute high quality, empathetic short-form videos and articles to millions of people worldwide. The themes of the content developed and distributed by A Plus are complementary to the *Chicken Soup for the Soul* brand. A Plus has celebrity influencers such as Ashton Kutcher, Britney Spears, Lil Wayne and George Takei among many others with over 480 million combined followers.

We believe that having an established brand with strong awareness, such as the *Chicken Soup for the Soul* brand, a clear and consistent message and a reputation for high-quality, entertaining video content, will be a key differentiating factor that enables individuals to successfully locate the video content they desire and allows providers to better reach their targeted audiences in an environment characterized by a proliferation of content creators and distribution platforms and fractionalized audiences.

You should consider carefully all of the material risks described below, together with the other information contained in this offering circular, before making a decision to invest in the CSS Entertainment shares.

Risks associated with our business

We do not have a long operating history on which to evaluate our company.

Our predecessor, CSS Productions, was formed in December 2014 and we were formed in May 2016 to succeed to CSS Productions' assets in order to create a discrete, focused entity to pursue video content opportunities using the *Chicken Soup for the Soul* brand. We face all the risks faced by newer companies in the media industry, including significant competition from existing and emerging media producers and distributors, many of which are significantly more established, larger and better financed than our company.

It is only recently that we debuted our video content and accordingly do not have a long history on which to evaluate our ability to produce and distribute video content that will be desired by our target consumers across multiple media offerings. Similarly, we do not have a long-term operating or financial history that can be reviewed in evaluating an investment in our company.

All of our assets are pledged to secure existing indebtedness.

All of our assets are pledged under *pari passu* first priority security interests to secure our repayment obligations under indebtedness owed to the noteholders under the Term Notes (to the extent not repaid in full at the time of this offering) and the facility lender under the Credit Facility. In the event the holders of such indebtedness take action with respect to our assets in connection with any default under the Term Notes (to the extent not repaid in full from the proceeds of this offering) or the Credit Facility, we may not be able to continue our operations.

Certain conflicts of interest may arise between us and our affiliated companies and we have waived certain rights with respect thereto.

Our certificate of incorporation includes a provision stating that we renounce any interest or expectancy in any business opportunities that are presented to us or our officers, directors or stockholders or affiliates thereof, including but not limited to CSS Productions and its affiliates (collectively, the "CSS Companies"), except as may be set forth in any written agreement between us and any of the CSS Companies (such as the CSS License Agreement under which CSS has agreed that all video content operations shall be conducted only through CSS Entertainment). This provision also states that, to the fullest extent permitted by Delaware law, our officers, directors and employees shall not be liable to us or our stockholders for monetary damages for breach of any fiduciary duty by reason of any of our activities or any activities of any of the CSS Companies. As a result of these provisions, there may be conflicts of interest among us and our officers, directors, stockholders or their affiliates, including the CSS Companies, relating to business opportunities, and we have waived our right to monetary damages in the event of any such conflict.

Our long-term results of operations are difficult to predict and depend on the commercial success of our video content and the continued strength of the Chicken Soup for the Soul brand.

Our ability in the long-term to obtain sponsorships and licensing arrangements and to distribute our video content will depend, in part, upon the commercial success of the content that we initially distribute and, in part, on the continued strength of the *Chicken Soup for the Soul* brand. We cannot predict whether our initial video content will be accepted by audiences at a level that will create strong demand for our future video content. Further, the continued strength of the brand will be affected in large part by the operations of CSS and its other business operations, none of which we control. CSS utilizes the brand through its other subsidiaries for various commercial purposes, including the sale of books (including educational curriculum products), pet foods and other consumer products. Negative publicity relating to CSS or its other subsidiaries or the brand, or any diminution in the perception of the brand could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects. We cannot assure you that we will manage the production and distribution of all of our video content successfully, that all or any portion of our video content will be met with critical acclaim or will be embraced by audiences on a one-time or repeated basis, or that the strength of the *Chicken Soup for the Soul* brand will not diminish over time.

Our reliance on third parties for production and distribution could limit our control over the quality of the finished video content.

We currently have limited internal production and distribution capabilities and are reliant on relationships with third parties for much of these capabilities. Working with third parties is an integral part of our strategy to produce and distribute video content on a cost efficient basis, and our reliance on such third parties could lessen the control we have over the projects, despite our approval rights. Should the third party producers we rely upon not produce completed projects to the standards we expect and desire, critical and audience acceptance of such projects could suffer, which could have an adverse effect on our ability to produce and distribute future projects. Further, we cannot be assured of entering into favorable agreements with such third party producers on economically favorable terms or on terms that provide us with satisfactory intellectual property rights in the completed projects.

An integral part of our strategy is to initially minimize our production and distribution costs by utilizing funding sources provided by others, however, such sources may not be readily available.

The production and distribution of video content require a significant amount of capital. As part of our strategy, we will initially seek to fund the production and distribution of our video content through the payment of upfront fees by sponsors, licensors, broadcast, cable and satellite outlets and other producers and distributors, as well as through other initiatives, such as government tax incentives. Funding for our video content projects from the aforementioned sources or other sources may not be available on attractive terms or at all as and when we need such funding. To the extent we are not able to secure agreements by which upfront fees are paid to us, we may need to curtail the amount of video content being produced, or use our operating or other funds to pay for such video content, which could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

As we grow we may seek to fund and produce more of our video content directly, subjecting us to significant additional risks.

Our current strategy of funding the production and distribution of our video content through the payment of upfront fees by third parties may limit the backend return to us. If we should determine to use our own funds to produce and distribute more of our video content in order to capture greater backend returns, we would face significant additional risks, such as the need to internally advance funds ahead of revenue generation and cost recoupment and the need to divert some of our resources and efforts away from other operations. In order to reduce these risks, we may determine to raise additional equity or incur additional indebtedness. In such event, our stockholders and the company will be subjected to the risks associated with issuing more of our shares or increasing our debt obligations.

We have derived our revenue to date from a limited number of video content offerings and clients and have funded our projects from a limited number of sources.

To date, we have derived all of our revenue from a limited number of video content offerings and clients. We will need to expand and broaden our video content offerings, the distribution channels into which they are placed, the clients to which we sell and the production and financing relationships utilized to create such video content to ensure that we are not reliant on a limited number of offerings or distribution partners in the future. A failure to expand and broaden our video content offerings, client base or distribution, production and financing relationships could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

We are required to make continuing payments to our affiliates, which may reduce our cash flow and profits.

We are required to make significant payments to our affiliates as described under “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Affiliate Resources and Obligations – CSS Management Agreement,” “—CSS License Agreement” and “—A Plus Distribution Agreement” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Liquidity and Capital Resources.” Accordingly, in the aggregate, at least 10% of our gross revenue will be paid to our affiliates on a continuous basis and will not be otherwise available to us.

If a project we are producing incurs substantial budget overruns, we may have to seek additional financing from outside sources to complete production or fund the overrun ourselves.

If a production we are funding incurs substantial budget overruns, we may have to seek additional financing from outside sources to complete production or fund the overrun ourselves. We cannot be certain that any required financing will be available to us on commercially reasonable terms or at all, or that we will be able to recoup the costs of overruns. Increased costs incurred with respect to a particular project may result in the production not being ready for release at the intended time, which could cause a decline in the commercial performance of the project. Budget overruns could also prevent a project from being completed or released at all.

Our operating results may fluctuate.

Our operating results are dependent, in part, on management's estimates of revenue to be earned over the life of a project. We will regularly review and revise our revenue estimates. This review may result in a change in the rate of amortization and/or a write-down of the video content asset to its estimated realizable value. Results of operations in future years depend upon our amortization of our video content costs. Periodic adjustments in amortization rates may significantly affect these results.

Further, as many of our third-party relationships will be on a project-by-project basis, the profits, if any, generated from various projects will fluctuate based on the terms of the agreements between us and our third-party producers and distributors.

Because of our current stage of development, we generate a significant portion of our annual revenue in the fourth quarter of our fiscal year. We anticipate that our revenue may be more evenly distributed throughout the year in the future as we expand our business and diversify our video content offerings. Until such time, our quarter to quarter financial results may not be comparable within any single fiscal year or from fiscal year to fiscal year.

As a result of the foregoing and other factors, our results of operations may fluctuate significantly from period to period, and the results of any one period may not be indicative of the results for any future period.

Distributors' failure to promote our video content could adversely affect our revenue and could adversely affect our business results.

We will not always control the timing and manner in which our licensed distributors distribute our video content offerings. However, their decisions regarding the timing of release and promotional support are important in determining success. Any decision by those distributors not to distribute or promote our video content or to promote our competitors' video content to a greater extent than they promote our intent could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

We are smaller and less diversified than many of our competitors.

Many of the producers and studios with which we compete are part of large diversified corporate groups with a variety of other operations, including television networks, cable channels and other diversified companies such as Amazon, which can provide both the means of distributing their products and stable sources of earnings that may allow them to better offset fluctuations in the financial performance of their operations. In addition, the major studios have more resources with which to compete for ideas, storylines and scripts created by third parties as well as for actors, and other personnel required for production. The resources of the major producers and studios may also give them an advantage in acquiring other businesses or assets, including video content libraries, that we might also be interested in acquiring.

We must successfully respond to rapid technological changes and alternative forms of delivery or storage to remain competitive.

The entertainment industry in general continues to undergo significant developments as advances in technologies and new methods of product delivery and storage, or certain changes in consumer behavior driven by these developments, emerge. Consumers are spending an increasing amount of time online and on mobile devices, and are increasingly viewing content on a time-delayed or on-demand basis online, on their televisions and on handheld or portable devices. Our distributors and we must adapt our businesses to changing consumer behavior and preferences and exploit new distribution channels. Our strategy is to seek to take advantage of these changes and thereby to create new revenue streams and other opportunities for our video content. If we cannot successfully utilize these and other emerging technologies, it could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

We face risks from doing business internationally.

We intend to distribute our video content outside the U.S. and derive revenue in foreign jurisdictions. As a result, our business is subject to certain risks inherent in international business, many of which are beyond our control. These risks include:

- laws and policies affecting trade, investment and taxes, including laws and policies relating to the repatriation of funds and withholding taxes, and changes in these laws;

- the Foreign Corrupt Practices Act and similar laws regulating interactions and dealings with foreign government officials;
- changes in local regulatory requirements, including restrictions on video content;
- differing cultural tastes and attitudes;
- differing degrees of protection for intellectual property;
- financial instability and increased market concentration of buyers in foreign television markets;
- the instability of foreign economies and governments;
- fluctuating foreign exchange rates;
- the spread of communicable diseases in such jurisdictions, which may impact business in such jurisdictions; and
- war and acts of terrorism.

Events or developments related to these and other risks associated with international trade could adversely affect our revenue from non-U.S. sources, which could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

Protecting and defending against intellectual property claims may have a material adverse effect on our business.

Our ability to compete depends, in part, upon successful protection of our intellectual property relating to our video content and the protection of the *Chicken Soup for the Soul* brand. We will attempt to protect proprietary and intellectual property rights to our productions through available copyright and trademark laws and licensing and distribution arrangements with reputable international companies in specific territories and media. Under the terms of the CSS License Agreement, CSS has the primary right to take actions to protect the brand, and, if it does not, and we reasonably deem any infringement thereof is materially harmful to our business, we may elect to seek action to protect the brand ourselves. Although in the former case, we would equitably share in any recovery, and in the latter case, we would retain the entirety of any recovery, should CSS determine not to prosecute infringement of the brand, we could be materially harmed and could incur substantial cost in prosecuting an infringement of the *Chicken Soup for the Soul* brand.

Others may assert intellectual property infringement claims against us.

One of the risks of the video content production and distribution business is the possibility that others may claim that our productions and production techniques misappropriate or infringe the intellectual property rights of third parties with respect to their previously developed content, stories, characters and other entertainment or intellectual property. Although CSS is obligated to indemnify us for claims related to our use of the *Chicken Soup for the Soul* brand in accordance with the CSS License Agreement, we could face lawsuits with respect to claims relating thereto. Irrespective of the validity or the successful assertion of any such claims, we could incur significant costs and diversion of resources in defending against them, which could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

Our business involves risks of liability claims for video content, which could adversely affect our results of operations and financial condition.

As a producer and distributor of video content, we may face potential liability for defamation, invasion of privacy, negligence and other claims based on the nature and content of the materials distributed. These types of claims have been brought, sometimes successfully, against producers and distributors of video content. Any imposition of liability that is not covered by insurance or is in excess of insurance coverage could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

Piracy of video content may harm our business.

Video content piracy is extensive in many parts of the world, including South America, Asia, and certain Eastern European countries, and is made easier by technological advances and the conversion of video content into digital formats. This trend facilitates the creation, transmission and sharing of high quality unauthorized copies of video content on DVDs, Blu-ray discs, from pay-per-view through set-top boxes and other devices and through unlicensed broadcasts on free television and the internet. The proliferation of unauthorized copies of our video content could have an adverse effect on our business.

We rely upon a number of partners to offer streaming of content to various devices.

We currently offer viewers the ability to receive streaming content through a host of internet-connected devices, including internet-enabled televisions, digital video players, game consoles and mobile devices, using third-party platforms. We intend to continue to broaden our capability to instantly stream content to other platforms and partners over time. We do not own any of the technology utilized in the distribution of our content and rely on third-party platforms. If we are not successful in maintaining existing and creating new relationships, or if we encounter technological, content licensing or other impediments to our streaming content, our ability to grow our business could be adversely impacted. In addition, technology changes may require that our partners update their platforms. If partners do not update or otherwise modify their platforms, our service and our viewers' use and enjoyment could be negatively impacted.

Any significant disruption in the computer systems of third parties that we utilize in our operations could result in a loss or degradation of service and could adversely impact our business.

Our reputation and ability to attract, retain and serve our viewers is dependent upon the reliable performance of the computer systems of third parties that we utilize in our operations. These systems may be subject to damage or interruption from earthquakes, adverse weather conditions, other natural disasters, terrorist attacks, power loss, telecommunications failures, computer viruses, computer denial of service attacks or other attempts to harm these systems. Interruptions in these systems, or to the internet in general, could make our content unavailable or impair our ability to deliver such content.

Our online activities are subject to a variety of laws and regulations relating to privacy, which, if violated, could subject us to an increased risk of litigation and regulatory actions.

In addition to our websites, we use third-party applications, websites, and social media platforms to promote our video content offerings and engage consumers, as well as monitor and collect certain information about consumers. There are a variety of laws and regulations governing individual privacy and the protection and use of information collected from such individuals, particularly in relation to an individual's personally identifiable information. Many foreign countries have adopted similar laws governing individual privacy, some of which are more restrictive than similar United States laws. If our online activities were to violate any applicable current or future laws and regulations, we could be subject to litigation and regulatory actions, including fines and other penalties.

If government regulations relating to the internet or other areas of our business change, we may need to alter the manner in which we conduct our business or incur greater operating expenses.

The adoption or modification of laws or regulations relating to the internet or other areas of our business could limit or otherwise adversely affect the manner in which we currently conduct our business. In addition, the continued growth and development of the market for online commerce may lead to more stringent consumer protection laws, which may impose additional burdens on us. If we are required to comply with new regulations or legislation or new interpretations of existing regulations or legislation, this compliance could cause us to incur additional expenses or alter our operations.

If we experience rapid growth, we may not manage our growth effectively, execute our business plan as proposed or adequately address competitive challenges.

We anticipate continuing to grow our business and operations rapidly. Our growth strategy includes organic initiatives and acquisitions. Such growth could place a significant strain on the management, administrative, operational and financial infrastructure we utilize, most of which is made available to us by our affiliates under the CSS Management Agreement. Our long-term success will depend, in part, on our ability to manage this growth effectively, obtain the necessary support and resources under the CSS Management Agreement and grow our own internal resources as required, including internal management and staff personnel. To manage the expected growth of our operations and personnel, we also will need to increase our internal operational, financial and management controls, and our reporting systems and procedures. Failure to effectively manage growth could result in difficulty or delays in producing our video content, declines in overall project quality and increases in costs. Any of these difficulties could adversely impact our business financial condition, operating results, liquidity and prospects.

Our exclusive license to use the Chicken Soup for the Soul brand could be terminated in certain circumstances.

We do not own the *Chicken Soup for the Soul* brand or any other Chicken Soup for the Soul-related assets (including books), other than those assets transferred to us under the CSS Contribution and Trema Contribution Agreements as described under “*Certain Transactions – Contribution Agreements.*” The brand is licensed to us by CSS under the terms of the CSS License Agreement as described under “*Certain Transactions – CSS License Agreement.*” CSS controls the brand, and the continued integrity and strength of the *Chicken Soup for the Soul* brand will depend in large part on the efforts and businesses of CSS and how the brand is used, promoted and protected by CSS, which will be outside of the immediate control of our company. Although the license granted to us under the CSS License Agreement is perpetual, there are certain circumstances in which it may be terminated by CSS, including our breach of the CSS License Agreement.

We are subject to risks associated with possible acquisitions, business combinations, or joint ventures.

From time to time, we will engage in discussions and activities with respect to possible acquisitions, sale of assets, business combinations, or joint ventures intended to complement or expand our business, some of which may be significant transactions for us. We may not realize the anticipated benefit from any of the transactions we pursue. Regardless of whether we consummate any such transaction, the negotiation of a potential transaction could require us to incur significant costs and cause diversion of management's time and resources.

Integrating any business that we acquire may be distracting to our management and disruptive to our business and may result in significant costs to us. We could face several challenges in the consolidation and integration of information technology, accounting systems, personnel and operations. Any such transaction could also result in impairment of goodwill and other intangibles, development write-offs and other related expenses. Any of the foregoing could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

Claims against us relating to any acquisition or business combination may necessitate our seeking claims against the seller for which the seller may not indemnify us or that may exceed the seller's indemnification obligations.

There may be liabilities assumed in any acquisition or business combination that we did not discover or that we underestimated in the course of performing our due diligence. Although a seller generally may have indemnification obligations to us under an acquisition or merger agreement, these obligations usually will be subject to financial limitations, such as general deductibles and maximum recovery amounts, as well as time limitations. We cannot assure you that our right to indemnification from any seller will be enforceable, collectible or sufficient in amount, scope or duration to fully offset the amount of any undiscovered or underestimated liabilities that we may incur. Any such liabilities, individually or in the aggregate, could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

We may require and not be able to obtain additional funding to meet increased capital needs after an acquisition.

Our ability to grow through acquisitions, business combinations and joint ventures and our ability to fund our operating expenses after one or more acquisitions may depend upon our ability to obtain funds through equity financing, debt financing (including credit facilities) or the sale or syndication of some or all of our interests in certain projects or other assets or businesses. If we do not have access to such financing arrangements, and if other funds do not become available on terms acceptable to us, there could be a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

Our success depends on our management and relationships with our affiliated companies.

Our success depends to a significant extent on the performance of our management personnel and key employees, including production and creative personnel, made available to us through the CSS Management Agreement. The loss of the services of such persons or the resources supplied to us by our affiliated companies could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

To be successful, we need to attract and retain qualified personnel.

Our success will depend to a significant extent on our ability to identify, attract, hire, train and retain qualified professional, creative, technical and managerial personnel. Competition for the caliber of talent required to produce and distribute our video content continues to increase. We cannot assure you that we will be successful in identifying, attracting, hiring, training and retaining such personnel in the future. If we were unable to hire, assimilate and retain qualified personnel in the future, such inability could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

We are an “emerging growth company” under the JOBS Act of 2012 and we cannot be certain if the reduced disclosure requirements applicable to emerging growth companies will make our Class A common stock less attractive to investors.

We are an “emerging growth company”, as defined in the Jumpstart Our Business Startups Act of 2012 (“JOBS Act”), and we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies” including, but not limited to, not being required to comply with the auditor attestation requirements of section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding a non-binding advisory vote on executive compensation and shareholder approval of any golden parachute payments not previously approved. We cannot predict if investors will find our Class A common stock less attractive because we may rely on these exemptions. If some investors find our Class A common stock less attractive as a result, there may be a less active trading market for our Class A common stock and our stock price may be more volatile.

In addition, Section 107 of the JOBS Act also provides that an “emerging growth company” can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act for complying with new or revised accounting standards. In other words, an “emerging growth company” can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We are choosing to take advantage of the extended transition period for complying with new or revised accounting standards.

We will remain an “emerging growth company” for up to five years, although we will lose that status sooner if our revenue exceeds \$1 billion, if we issue more than \$1 billion in non-convertible debt in a three-year period, or if the market value of our common stock that is held by non-affiliates exceeds \$700 million as of June 30 of any year.

Our status as an “emerging growth company” under the JOBS Act of 2012 may make it more difficult to raise capital as and when we need it.

Because of the exemptions from various reporting requirements provided to us as an “emerging growth company” and because we will have an extended transition period for complying with new or revised financial accounting standards, we may be less attractive to investors and it may be difficult for us to raise additional capital as and when we need it. Investors may be unable to compare our business with other companies in our industry if they believe that our financial accounting is not as transparent as other companies in our industry. Any inability to raise additional capital as and when we need it, could have a material adverse effect on our business, financial condition, operating results, liquidity and prospects.

Our chairman and chief executive officer will effectively control our company.

We have two classes of common stock – Class A common stock, each share of which entitles the holder thereof to one vote on any matter submitted to our stockholders, and Class B common stock, each share of which entitles the holder thereof to ten votes on any matter submitted to our stockholders. Our chairman and chief executive officer, William J. Rouhana, Jr., has control over the vast majority of all the outstanding voting power as represented by our outstanding Class B and Class A common stock and effectively controls CSS Holdings and CSS, which controls CSS Productions, and, in turn, our company. Further, our bylaws provide that any member of our board may be removed with or without cause by the majority of our outstanding voting power, thus Mr. Rouhana will exert significant control over our board. This concentration of ownership and decision making may make it more difficult for other stockholders to effect substantial changes in our company and may also have the effect of delaying, preventing or expediting, as the case may be, a change in control of our company.

We may issue shares of our capital stock or debt securities in the future, whether to complete any acquisition, a business combination or to raise additional funds, which would reduce the equity interest of our stockholders and might cause a change in control of our ownership.

Our certificate of incorporation authorizes the issuance of up to 70 million shares of Class A common stock, par value \$.0001 per share, 20 million shares of Class B common stock, par value \$.0001 per share, and 10 million shares of preferred stock, par value \$.0001 per share. Assuming we sell all of the Shares in this offering (but no Additional Shares), we will have 68,108,927 authorized but unissued shares of our Class A common stock remaining available for issuance, 11,928,045 authorized but unissued shares of our Class B common stock remaining available for issuance and 10,000,000 authorized but unissued shares of our preferred stock remaining available for issuance immediately after the offering. We also may issue a substantial number of additional Shares of our common stock or preferred stock, or a combination of common and preferred stock, to raise additional funds or in connection with any acquisition or business combination in the future.

Risks associated with this offering

Our outstanding warrants may have an adverse effect on the market price of our common stock.

We have outstanding Class W warrants to purchase up to an aggregate of 678,822 shares of Class A common stock and Class Z warrants to purchase up to an aggregate of 130,618 shares of Class A common stock. The sale, or even the possibility of sale, of the Class W warrants and the Class Z warrants or the shares underlying the Class W warrants and the Class Z warrants, could have an adverse effect on the market price for our securities or on our ability to obtain future public financing. Furthermore, we might issue warrants or other securities convertible or exchangeable for shares of common stock in the future in order to raise funds or to effect acquisitions or business combinations. If and to the extent our warrants are exercised, or we issue additional securities to raise funds or consummate any acquisition or business combination, you may experience dilution to your holdings.

We do not intend to pay any dividends on our common stock at this time.

We have not paid any cash dividends on our shares of common stock to date. The payment of cash dividends on our common stock in the future will be dependent upon our revenue and earnings, if any, capital requirements and general financial condition as well as the limitations on dividends and distributions that exist under the laws and regulations of the State of Delaware and will be within the discretion of our board of directors. It is the present intention of our board of directors to retain all earnings, if any, for use in our business operations and, accordingly, our board of directors does not anticipate declaring any dividends on our common stock in the foreseeable future. As a result, any gain you will realize on our common stock (including shares of common stock obtained upon exercise of our warrants) will result solely from the appreciation of such shares.

You will experience immediate and substantial dilution.

The difference between the public offering price per share of our Class A common stock and the pro forma as adjusted net tangible book value per share of our Class A common stock and Class B common stock, combined, after this offering constitutes the dilution to the investors of shares in this offering. Our existing stockholders acquired their securities prior to this offering at prices less than investors are paying in this offering, contributing to this dilution. Upon consummation of this offering, investors will incur immediate dilution of approximately \$11.37 per share (the difference between the pro forma as adjusted net tangible book value per share and the initial offering price of \$12.00 per share). This is because investors in this offering purchasing shares will be contributing approximately 50.7% of the total amount paid to us for our outstanding securities after this offering but will only own 6.4% of our outstanding securities. Accordingly, the per-share purchase price investors of the shares will be paying exceeds our per share pro forma as adjusted net tangible book value. In addition, in the future, holders of our common stock will experience substantial dilution upon any exercise of our outstanding warrants.

If our securities becomes subject to the SEC's penny stock rules, broker-dealers may experience difficulty in completing customer transactions and trading activity in our securities may be adversely affected.

If at any time we have net tangible assets of \$5,000,000 or less and our common stock has a market price per share of less than \$5.00, transactions in our securities may be subject to the "penny stock" rules promulgated under the Securities Exchange Act of 1934. Under these rules, broker-dealers who recommend such securities to persons other than institutional accredited investors must:

- make a special written suitability determination for the purchaser;

- receive the purchaser's written agreement to the transaction prior to sale;
- provide the purchaser with risk disclosure documents which identify certain risks associated with investing in "penny stocks" and which describe the market for these "penny stocks" as well as a purchaser's legal remedies; and
- obtain a signed and dated acknowledgment from the purchaser demonstrating that the purchaser has actually received the required risk disclosure document before a transaction in a "penny stock" can be completed.

If our securities become subject to these rules, broker-dealers may find it difficult to effectuate customer transactions and trading activity in our securities may be adversely affected. As a result, the market price of our securities may be depressed, and you may find it more difficult to sell our securities.

Nasdaq may, after listing, delist our Class A common stock from quotation on its exchange, which could limit investors' ability to sell and purchase our shares and subject us to additional trading restrictions.

We anticipate that our Class A common stock will be listed on Nasdaq, a national securities exchange, no later than the final closing of this offering. Although, we currently meet the financial listing requirements of the Nasdaq Capital Market, and after giving effect to the sale of all of the Shares and at least 220,000 Additional Shares in the offering, we expect we will meet the financial listing requirements of the Nasdaq Global Market, if our common stock is not listed on Nasdaq at any time after this offering, we could face significant material adverse consequences, including:

- a limited availability of market quotations for our common stock;
- reduced liquidity with respect to our common stock;
- a determination that our common stock is "penny stock" which will require brokers trading in our shares to adhere to more stringent rules, possibly resulting in a reduced level of trading activity in the secondary trading market for our common stock;
- a limited amount of news and analyst coverage for our company; and
- a decreased ability to issue additional securities or obtain additional financing in the future.

The determination for the offering price of our shares is more arbitrary compared with the pricing of securities for an established operating company.

Prior to this offering there has been no public market for any of our securities. The public offering price of our shares was negotiated between us and the joint bookrunning managers. Factors considered in determining the prices and terms of the Shares (and the Additional Shares) offered hereby include:

- the history and prospects of companies similar to our company;
- prior offerings of those companies;
- our prospects;
- our capital structure;
- an assessment of our management;
- general conditions of the securities markets at the time of the offering; and

other factors as were deemed relevant.

However, although these factors were considered, the determination of the offering prices is more arbitrary than the pricing of securities for an established operating company.

Following this offering, the price of our Class A common stock may vary significantly due to general market or economic conditions as well as other factors. Furthermore, an active trading market for the securities may never develop or, if developed, may not be sustained. You may be unable to sell your securities unless a market can be established and sustained.

A portion of the proceeds of this offering will be used to repay our Term Notes and Credit Facility.

A portion of the proceeds of this offering will be used, in our discretion, to repay amounts outstanding under our Credit Facility (approximately \$4.0 million as of the date of this offering circular) and, as required by the terms of our Term Notes, as amended, to repay such Term Notes (approximately \$4.1 million as of the date of this offering circular). The amounts used to repay indebtedness will not be available to us for our operations. The Credit Facility will remain available to us until June 2018. See “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Liquidity and Capital Resources – Credit Facility*” and “*Debt Private Placement*” for a description of the terms of the Term Notes and Credit Facility.

The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” “might,” “plan,” “possible,” “potential,” “predicts,” “project,” “should,” “would” and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements in this offering circular may include, for example, statements about our:

- limited operating history and ability to maintain or increase profitability;
- reliance on third parties for production and distribution;
- results of operations;
- ability to manage growth;
- ability to minimize our production and distribution costs by utilizing funding sources provided by others;
- regulatory or operational risks;
- success in retaining or recruiting, or changes required in, our officers, key employees or directors;
- capital structure;
- ability to obtain additional financing when and if needed; and

These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “*Risk Factors*.” Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

USE OF PROCEEDS

We estimate that the net proceeds of this offering will be \$6,082,492 if we sell all of the Shares (or \$23,312,492 if we sell all of the Additional Shares).

Our Term Notes shall be repaid at the time of the initial closing of this offering as required by the terms thereof, as amended, and we may use a portion of the net proceeds of this offering (up to \$4.1 million) for such repayment. We intend to use any remaining net proceeds of this offering for:

- financing production and associated development and operating costs and expenses for our video content;
- strategic acquisitions, including acquiring video content distribution companies, assets and video content libraries;
- servicing our obligations under the Credit Facility; and
- working capital and general corporate purposes.

We believe that the net proceeds of the offering, after giving effect to the use of a portion thereof to repay our Term Notes, together with our current resources, will allow us to operate for at least the next 12 months.

See “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Liquidity and Capital Resources – Credit Facility*” and “*Debt Private Placement*” for a description of the terms of the Credit Facility and Term Notes.

We cannot estimate the amounts to be used for each purpose set forth above. We also reserve the right to change the use of the proceeds in accordance with our strategic plans or if all of the Shares are not sold in this offering. Accordingly, our management will have significant flexibility in allocating the net proceeds of this offering.

We will pay all of the expenses of the offering (other than the selling agents’ discounts and commissions of 4% payable with respect to the Selling Stockholders Shares sold in this offering), but will not receive any of the proceeds from the sale of the Selling Stockholder Shares in this offering.

DILUTION

The difference between the offering price per share of our Class A common stock in this offering and the Pro Forma As Adjusted net tangible book value per share after this offering constitutes the dilution to investors in this offering. Net tangible book value per share is determined by dividing our net tangible book value, which is our total tangible assets less total liabilities, by the total number of outstanding shares of Class A common stock and Class B common stock.

As of December 31, 2016, on an Actual basis and a Pro Forma basis, our net tangible book value is as follows:

	Actual	Pro Forma
Net book value - Actual	\$ 3,624,546	\$ 3,624,546
Less: intangible asset	(5,000,000)	(5,000,000)
Net tangible book value - Actual	(1,375,454)	(1,375,454)
Add:		
Sale of Class A common stock in private placements, net		1,863,160
Exchange of Term Notes for Class A common stock		918,000
Fair value of warrants issued with Term Notes		293,012
Fair value of warrants issued issued with Credit Facility		108,500
Net tangible book value	<u>\$ (1,375,454)</u>	<u>\$ 1,807,218</u>
Total common shares outstanding - Pro Forma		9,321,045
Net tangible book value per common share - Pro Forma		\$ 0.19

After giving effect to the sale of the Shares (but excluding Additional Shares) in this offering, on a Pro Forma As Adjusted basis, our net tangible book value would be \$5,592,300, or \$.63 per common share, after deducting selling agents' discounts, commissions, a non-accountable expense allowance and expenses of this offering totaling approximately \$1,621,000. This represents an immediate increase in Pro Forma As Adjusted net tangible book value of \$.44 per share to our existing stockholders and an immediate dilution of \$11.37 per share to investors purchasing shares in this offering.

The following table illustrates the dilution to new investors on a per-share basis:

Offering price per share	\$ 12.00
Pro Forma net tangible book value per share before this offering	\$ 0.19
Increase in Pro Forma As Adjusted net tangible book value per share attributable to investors purchasing shares in this offering	<u>0.44</u>
Pro Forma As Adjusted net tangible book value per share after this offering	0.63
Dilution in Pro Forma As Adjusted net tangible book value per share to investors in this offering	<u>\$ 11.37</u>

The following table sets forth information with respect to our existing stockholders and the new investors as follows:

(1) The "Pro Forma" information gives effect to net proceeds of approximately \$3.5 million of securities in the 2017 Equity Private Placement, the Debt Private Placement, and two individual equity private placements after December 31, 2016, and through June 13, 2017. Total stockholder's equity includes Class A common stock issued pursuant to the Collaboration Agreement. The Pro Forma information also includes 102,060 shares of Class A common stock issued in June 2017 pursuant to the conversion of an aggregate principal amount of \$0.9 million of our Term Notes. The Pro Forma information reflects net advances received under the Credit Facility of approximately \$0.5 million after December 31, 2016, and through June 13, 2017. In March 2017, the Credit Facility was amended to increase the net advances available to the Company to \$4.5 million. The 2017 Equity Private Placement, the Debt Private Placement, the Credit Facility, the Term Note conversions to Class A common stock, and other private placements are described in "Management's Discussion and Analysis of Financial Condition and Results of Operations - Liquidity and Capital Resources" and elsewhere herein. The Pro Forma information for the Term Notes sold in the Debt Private Placement after December 31, 2016, includes an additional debt discount to the carrying amount of the Term Notes payable and a corresponding credit to additional paid-in capital of approximately \$0.3 million, which represents the estimated fair value of the warrants issued with the Term Notes. In addition, the Pro Forma information with respect to the Credit Facility includes an additional debt discount to the carrying amount of the Credit Facility and a corresponding credit to additional paid-in capital of approximately \$0.1 million, which represents the estimated fair value of the additional warrants issued pursuant to the increase in the amount available under the Credit Facility.

If payment obligations are still outstanding under the Credit Facility at its maturity date, or if prior to the maturity date there is an event of default as prescribed by the Credit Facility, then at the Company's option, (a) all principal and interest may be exchanged into shares of Class A common stock of the Company on the same terms as the Company's most recently completed equity financing; provided, that under no circumstances shall the pre-money valuation used for this exchange be less than \$52,560,000, (b) the maturity date of the Credit Facility may be extended as happened in January 2017 by mutual agreement of all parties, or (c) all principal and interest will be paid in full.

(2) The "Pro Forma As Adjusted" information gives effect to the sale of all of the Shares by us in the offering and the application of the estimated net proceeds derived therefrom (including repayment of all remaining Term Notes), but does not give effect to the sale of any Additional Shares. We will pay all of the expenses of the offering (other than the selling agents' discounts and commissions of 4% payable with respect to the Selling Stockholder Shares sold in this offering), but will not receive any of the proceeds from the sale of the Selling Stockholder Shares in this offering.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis of our consolidated financial condition and results of operations should be read together with our consolidated financial statements and related notes appearing elsewhere in this offering circular. Some of the information contained in this discussion and analysis or set forth elsewhere in this offering circular, including information with respect to our plans and strategy for our business and related financing, includes forward-looking statements involving risks and uncertainties and should be read together with the "Risk Factors" section of this offering circular for a discussion of important factors which could cause actual results to differ materially from the results described in or implied by the forward-looking statements contained in the following discussion and analysis.

Business Overview

CSS Entertainment curates and shares video stories that bring out the best of the human spirit.

We create and distribute our video content under the *Chicken Soup for the Soul* brand. Since our inception in January 2015, our business has grown rapidly and is profitable. Our 2016 revenue was \$8.1 million, as compared to 2015 revenue of \$1.5 million. We had net income of \$0.8 million in 2016, as compared to a net loss of \$0.8 million in 2015. Our 2016 Adjusted EBITDA was \$3.8 million, as compared to 2015 Adjusted EBITDA of \$0.0 million.

We are aggressively growing our business through a combination of organic growth, licensing and distribution arrangements, acquisitions, and strategic relationships.

We partner with highly-regarded independent producers to develop and produce our video content. Using this approach provides us with access to a diverse pool of creative ideas for new video content projects and allows us to scale our business on a variable cost basis. We seek committed funding prior to moving forward with a project. Since we seek to secure both the committed funding and production capabilities for our video content prior to moving forward with a project, we have high visibility into the profitability of a particular project before committing to proceed with such project. In addition, we take limited financial risk on developing our projects (usually less than \$25,000 per project).

We are a Delaware corporation formed on May 4, 2016. CSS Productions, our predecessor and immediate parent company, was formed in December 2014 by CSS, a publishing and consumer products company, and initiated operations in January 2015. We were formed to create a discrete entity focused on video content opportunities using the *Chicken Soup for the Soul* brand. The *Chicken Soup for the Soul* brand is owned and licensed to us by CSS. CSS Holdings is the parent company of CSS and our ultimate parent company.

In connection with our succession to the operations of CSS Productions, and pursuant to the terms of the Contribution Agreement and Trema Contribution Agreement described in "*Certain Transactions – Contribution Agreements*," all video content assets owned by CSS and any of its affiliates, including all rights and obligations related thereto, were transferred to us in May 2016. Thereafter, CSS Productions' operating activities substantially ceased and CSS Entertainment continued the business operations of producing and distributing the video content.

Use of Non-GAAP Financial Measures

We use a non-GAAP financial measure to evaluate our results of operations and as a supplemental indicator of our operating performance. The non-GAAP financial measure that we use is Adjusted EBITDA. Adjusted EBITDA is considered a non-GAAP financial measure as defined by Regulation G promulgated by the SEC under the Securities Act of 1933, as amended. Due to the significance of non-cash and non-recurring expenses recognized in the years ended December 31, 2016 and 2015, and the likelihood of material non-cash and non-recurring expenses to occur in future periods, we believe that this non-GAAP financial measure will enhance the understanding of our historical and current financial results. Further, we believe that Adjusted EBITDA enables our board of directors and management to analyze and evaluate financial and strategic planning decisions that will directly effect operating decisions and investments. The presentation of Adjusted EBITDA should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items or by non-cash items. This non-GAAP financial measure should be considered in addition to, rather than as a substitute for, our actual operating results included in our consolidated financial statements. See "*Use of non-GAAP Financial Measure*" below for further discussion.

Results of Operations

For the Year Ended December 31, 2016 compared with the Year Ended December 31, 2015

Basis of Presentation

CSS began evaluating the possibility of using the *Chicken Soup for the Soul* brand for the development, distribution and sale of its video content in early 2014. Our predecessor and parent company, CSS Productions was formed in December 2014 to pursue video content opportunities using the *Chicken Soup for the Soul* brand. CSS Productions began operations in January 2015. As such, and in accordance with Staff Accounting Bulletin Topic 1 B, opening members' deficit as of January 1, 2015 includes \$478,666 of pre-formation allocated expenses for the year ended December 31, 2014. The pre-formation allocated expenses were derived from the financial statements of CSS, based on allocations of costs incurred attributable to the development of the video content business prior to the formation of the CSS Productions.

This discussion of results of operations, affiliate resources and obligations, and liquidity and capital resources gives effect to the combined consolidated results of CSS Entertainment and the results of CSS Productions prior to CSS Entertainment succeeding to its operations.

These results should be read together with our consolidated financial statements and accompanying notes included elsewhere in this offering circular and together with Critical Accounting Policies and Estimates included below.

Revenue

	Year Ended December 31,	
	2016	2015
Television	\$ 7,341,918	\$ 1,506,818
Online	776,714	-
Total Revenue	\$ 8,118,632	\$ 1,506,818

Television revenue

Television revenue was 90% and 100% of total revenue for the year ended December 31, 2016 ("2016") and for the year ended December 31, 2015 ("2015"), respectively. Our television revenue includes revenue generated from the exhibition of our long-form video content on television. Our television revenue for 2016 and 2015 was derived from our two episodic television series. Revenue is recognized as each individual episode becomes available for delivery or becomes available for broadcast.

During 2016, our first episodic television series, *Hidden Heroes*, completed its first season on the CBS. The *Hidden Heroes* slate is comprised of half-hour episodes totaling 26 episodes, each airing twice over a 52-week season. *Hidden Heroes*' first season premiered on CBS in October 2015 and its season one episodes continued to air through September 2016. In October 2016, *Hidden Heroes* season two began airing on CBS and will continue airing through September 2017. The sponsor for *Hidden Heroes*, a stockholder of our company, has agreed to fund the series for a third season.

During 2016, our second episodic television series, *Project Dad*, was produced and aired on Discovery's Discovery Life network in November and December 2016. The *Project Dad* slate for season one is comprised of eight, one-hour episodes. The show premiered on Discovery Life in November 2016, and aired on Discovery's TLC network and Discovery Family in 2017. The sponsor for *Project Dad* has agreed to fund a different parenting series, which is expected to air in the fourth quarter of 2017.

During 2015, *Hidden Heroes* began airing in October and revenue was recognized for the individual episodes that were delivered or were available for broadcast by December 31, 2015. We also received a \$75,000 non-refundable deposit pursuant to an extension option agreement for a feature film. The feature film has not started production and there is no commitment or contract to produce a feature film.

Because of our current stage of development, we generate a significant portion of our annual revenue in the fourth quarter of our fiscal year. We anticipate that our revenue may be more evenly distributed throughout the year in the future as we expand our business and diversify our video content offerings. Until such time, our quarter to quarter financial results may not be comparable within any single fiscal year or from fiscal year to fiscal year.

Online revenue

Online revenue was 10% and 0% of total revenue for 2016 and 2015, respectively. Our online revenue includes revenue generated from the exhibition of our video content online, primarily our short-form video content, including *Sips* and video content net revenue through our Distribution Agreement with A Plus. See “—*Affiliate Resources and Obligations*,” below for further discussion.

Revenue from *Sips* and our other online video content is recognized as the video content is posted on the applicable web site for viewing.

Under the terms of the A Plus Distribution Agreement, we receive a net distribution fee equal to 40% of gross revenue generated by the distribution of the A Plus video content, and 15% of gross revenue generated by the distribution of the A Plus editorial content, until the A Plus Advance (as defined and described in “—*Affiliate Resources and Obligations*,” below) has been repaid to us in full. After full repayment, the foregoing distribution fee payable to us will be reduced to 30% and 5%, respectively, and A Plus shall receive the remainder (“A Plus Revenue”) of such gross revenue. We recoup the A Plus Advance by retaining our fee plus the portion of gross revenue otherwise payable by the Company to A Plus and applying such A Plus Revenue to the recoupment of the A Plus Advance. We will not pay A Plus any A Plus Revenue until such time as the A Plus Advance has been recouped in full by us. Producer payments due to A Plus through the Distribution Agreement are recorded as a reduction to our recorded amount of revenue.

Cost of Revenue

	<u>Year Ended December 31,</u>	
	<u>2016</u>	<u>2015</u>
Programming costs	\$ 3,155,668	\$ 653,795

We initially capitalize our programming costs incurred to produce and develop our long-form and short-form video content. We capitalize all direct production and financing costs, capitalized interest, when applicable, and production overhead.

The costs of producing our long-form and short-form video contents are amortized using the individual-film-forecast method. This method provides that costs are amortized to cost of revenue in the proportion that the current period’s revenue compares to our estimate of the ultimate revenue expected to be recognized, which may span several years.

For 2016, 96% of programming costs included in cost of revenue consisted of amortization of programming costs for *Hidden Heroes* seasons one and two and *Project Dad* season one, to the extent the episodes were recognized as revenue. For 2015, all programming costs included in our cost of revenue consisted of amortization of programming costs for *Hidden Heroes* seasons one, to the extent the episodes were recognized as revenue.

Operating expenses

	Year Ended December 31,	
	2016	2015
Selling, general and administrative	\$ 2,370,912	\$ 1,327,749
Management and license fees due to affiliate	811,863	278,750
Total Operating Expenses	\$ 3,182,775	\$ 1,606,499

Selling, general and administrative expenses

For 2016, our selling, general and administrative expenses consisted primarily of non-cash share-based compensation expense of \$1,542,044 or 65% of total selling, general and administrative expense. In addition, payroll and related benefits and professional fees totaled \$458,605 and \$172,165, respectively. These three expense categories made up 91% of total selling general and administrative expenses in 2016. The non-cash share-based compensation expense of \$1,542,041 resulted primarily from the issuance of shares to a former officer of the Company. We believe that selling, general and administrative expenses will increase in 2017 and beyond, as a result of costs associated with being a publicly traded company.

For 2015, our selling, general and administrative expenses consisted primarily of non-cash share-based compensation expense, payroll and related benefits and professional fees, and totaled \$792,000, \$360,751 and \$93,176, respectively, or 64% of total selling, general and administrative expenses. These three expense categories made up 94% of total selling general and administrative expenses in 2015. The non-cash share-based compensation expense of \$792,000 (60% of total selling, general and administrative expense) resulted from the issuance of certain Class B membership interests in CSS Productions to Trema in satisfaction of certain rights Trema owned in the Subject Assets.

See “–Use of non-GAAP Financial Measure,” below for further discussion relating to selling, general and administrative expenses.

In addition, during 2016 and 2015 we had a consulting agreement with a company that provided executive production services to us, including all activities necessary to establish and maintain relationships regarding our proposed feature length film and a possible talk show and, to oversee the production of each. The consulting agreement was with a writer and director of feature films who is the son of our chairman and chief executive officer. We made payments under the consulting agreement of \$35,000 and \$60,000 for 2016 and 2015, respectively. In July 2016, the company and the provider of executive production services mutually agreed to terminate the agreement.

Management and license fees due to affiliate

During 2016, we paid \$811,863 to CSS for management and license fees incurred relating to the CSS License Agreement and the CSS Management Agreement (see “–Affiliate Resources and Obligations,” below). These fees totaled 10% of our total revenue.

During 2015, we paid CSS 4% and 1% in management services and license fees, respectively, based on cash revenue collected. The total fees paid in 2015 were \$278,750. These fees were paid relating to a management and license fee agreement between CSS Productions and CSS in effect during 2015. These 2015 agreements were terminated and replaced with the CSS License Agreement and CSS Management Agreement noted above, as part of the formation of CSS Entertainment.

Interest expense

During 2016, we recorded interest expense totaling \$560,069. Of this amount, \$110,091, or 20%, was paid in cash. The cash interest paid on the Credit Facility and the Term Notes totaled \$107,022, and \$3,069 was paid to CSS as interest on the CSS License Note for the time it was outstanding (see “–*CSS License Agreement*,” below). During 2016, we issued Class W warrants to the lender under our Credit Facility and to the purchasers of the Term Notes. We recorded the fair value of the Class W warrants issued as a discount to the carrying value of the Credit Facility and the Term Notes. At the time of issuance of the Class W warrants, the fair value totaled \$863,371. During 2016, we recorded the amortization of the debt discount to interest expense in the amount of \$383,712, or 69% of total interest expense reported for 2016. The unamortized balance of \$479,659 will be charged to interest expense during 2017. Also during 2016, we charged \$40,859 of deferred financing costs to interest expense, or 7% of total interest expense reported for 2016. See “–*Use of non-GAAP Financial Measure*,” below for further discussion relating to interest expense. The Credit Facility had not been established and the Term Notes had not been sold during 2015, therefore there was no interest expense in 2015.

Provision for income taxes

Our provision for income taxes consists of federal and state income taxes. We recognize deferred tax assets and liabilities for future tax consequences attributable to differences between our financial statement carrying amounts of existing assets and liabilities and their respective tax bases. We measure deferred tax assets and liabilities using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to reverse. We recognize the effect on deferred tax assets and liabilities resulting from a change in tax rates in income in the period that includes the date of the change.

We were formed on May 4, 2016 as a C corporation for federal and state income tax purposes. As such, we are required to file our first tax returns for the year ended December 31, 2016. For 2016, our provision for income taxes consists of federal and state taxes that are deferred until future periods. The taxes deferred until future periods total \$439,000. The primary reason that our taxes are not currently payable is that all programming costs are deductible for federal and state income tax purposes. A portion of our programming costs incurred during 2016 remain on our balance sheet and are amortized to future periods for accounting purposes, but are currently deductible for income tax purposes. In addition, we have net operating losses of approximately \$1,049,000 that expire in 2036. The ultimate realization of the net operating losses is dependent upon our future taxable income, if any, and may be limited in any one year by alternative minimum tax rules.

There is no provision for income taxes for the year ended December 31, 2015, as CSS Productions had elected to be treated as a partnership for federal and state income tax purposes and, accordingly, no provision is made for income taxes. Any taxable income or loss for CSS Productions during 2015 is passed along to its members as CSS Productions is a limited liability company.

Affiliate Resources and Obligations

CSS License Agreement

In May 2016, we entered into a trademark and intellectual property license agreement with CSS, which we refer to as the “CSS License Agreement.” Under the terms of the CSS License Agreement, we have been granted a perpetual, exclusive, worldwide license to produce and distribute video content using the *Chicken Soup for the Soul* brand and related content, such as stories published in the *Chicken Soup for the Soul* books.

We paid CSS a one-time license fee of \$5 million comprised of a \$1.5 million cash payment and the concurrent issuance to CSS of the CSS License Note, having a principal amount of \$3.5 million and bearing interest at 0.5% per annum. The CSS License Note has been repaid as of December 31, 2016. See “–*Liquidity and Capital Resources*,” below.

We also pay CSS an incremental recurring license fee equal to 4% of our gross revenue for each calendar quarter, and a marketing fee of 1% of our gross revenue for each calendar quarter, with each quarterly fee payable on or prior to the 45th day after the end of the calendar quarter to which it relates. Under the terms of the CSS License Agreement, the first quarterly fee was payable by us with respect to the quarter ended March 31, 2016, as CSS had already been rendering services to our predecessor with respect to the video content business. Provided that the CSS License Agreement remains in place, CSS has agreed that it will not engage, and will not cause or permit its subsidiaries (other than us) to engage, in the production or distribution of video content, including that which is unrelated to the *Chicken Soup for the Soul* brand, except in connection with the marketing of their other products and services.

We believe that the terms and conditions of the CSS License Agreement, which provides us with the rights to use the trademark and intellectual property in connection with our video content, are more favorable to us than any similar agreement we could have negotiated with an independent third party.

CSS Management Agreement

In May 2016, we entered into a management services agreement, that has an initial term of five years and automatically renews for additional one-year terms at the discretion of the parties thereto, which we refer to as the “CSS Management Agreement.” Under the terms of the CSS Management Agreement, we are provided with the broad operational expertise of CSS and its subsidiaries and personnel, including the services of our chairman and chief executive officer, Mr. Rouhana, our vice chairman and chief strategy officer, Mr. Seaton, our senior brand advisor and director, Ms. Newmark, and our chief financial officer, Mr. Pess. The CSS Management Agreement also provides for services, such as accounting, legal, marketing, management, data access and back-office systems, and provides us with office space and equipment usage.

We pay CSS a management fee equal to 5% of our gross revenue for each calendar quarter, with each quarterly payable on or prior the 45th day after the end of the calendar quarter to which it relates. The first quarterly fee was payable by us with respect to the quarter ended March 31, 2016, as CSS had already been rendering services to our predecessor with respect to the video content business.

In addition, for any sponsorship which is arranged by CSS or its affiliates for (i) our video content or (ii) a multi-element transaction for which we receive a portion of such revenue and CSS receives the remaining revenue (for example, a transaction that relates to both our video content and CSS’ printed products), we shall pay a sales commission to CSS equal to 20% of the portion of such revenue we receive. Each sales commission shall be paid within 30 days of the end of the month in which we receive it. If CSS collects the entire fee from such multi-element transaction, CSS will remit our portion of such fee to us after deducting its sales commission.

For the year ended December 31, 2016, we recognized \$405,932 of expense under this agreement.

We believe that the terms and conditions of the CSS Management Agreement are more favorable and cost effective to us than if we hired the full staff to operate the company.

A Plus Distribution Agreement

In September 2016, we entered into the A Plus Distribution Agreement. A Plus develops and distributes high quality, empathetic short-form videos and articles to millions of people worldwide. The A Plus Distribution Agreement has an initial term ending in September 2023. Under the terms of the A Plus Distribution Agreement, we have the exclusive worldwide rights to distribute all video content (in any and all formats) and all editorial content (including articles, photos and still images) created, produced, edited or delivered by A Plus. Under the terms of the A Plus Distribution Agreement, we paid A Plus an advance of \$3 million (the “A Plus Advance”). We recoup the A Plus Advance by retaining the portion of gross revenue otherwise payable by the Company to A Plus and applying such A Plus Revenue to the recoupment of the A Plus Advance. We will not pay A Plus its portion of gross revenue until such time as the A Plus Advance has been recouped in full. A Plus is a digital media company founded, chaired, and partially owned by actor and investor Ashton Kutcher. Mr. Kutcher owns 23%, third parties own 2%, and our affiliate, Chicken Soup for the Soul Digital, LLC, owns 75%, of A Plus.

Use of Non-GAAP Financial Measures

In addition to the results reported in accordance GAAP, we use a non-GAAP financial measure, which is not recognized under GAAP, as a supplemental indicator of our operating performance. This non-GAAP financial measure is provided to enhance the readers understanding of our historical and current financial performance. Management believes that this measure provides useful information in that it excludes amounts that are not indicative of our core operating results and ongoing operations and provide a more consistent basis for comparison between periods. The non-GAAP financial measure that we currently use is Adjusted EBITDA which is defined as follows:

“Adjusted EBITDA” means earnings before interest, taxes, depreciation, amortization and share-based compensation expense, and also includes adjustments for other identified charges such as severance costs for a former officer who was not replaced and the costs incurred to form our Company and to prepare for this offering of our common stock to the public. Identified charges also include the cost of maintaining a board of directors prior to being a publicly traded company. After we are a publicly traded company, director fees will be deducted from Adjusted EBITDA. Adjusted EBITDA is not an earnings measure recognized by GAAP and does not have a standardized meaning prescribed by GAAP; accordingly, Adjusted EBITDA may not be comparable to similar measures presented by other companies. Management believes Adjusted EBITDA to be a meaningful indicator of our performance that provides useful information to investors regarding our financial condition and results of operations. The most comparable GAAP measure is operating income.

Liquidity and Capital Resources

Credit Facility

On May 12, 2016, we entered into the Credit Facility with the facility lender, an affiliate of Mr. Rouhana. Under the terms of the Credit Facility, as amended as of December 12, 2016, January 24, 2017 and March 27, 2017, we may borrow, repay and reborrow up to an aggregate of \$4.5 million through June 30, 2018. Our payment obligations under the Credit Facility are senior obligations and secured by a first priority security interest in all of our assets, thus having the same priority as the security interest granted by us to the holders of the Term Notes. The proceeds of the loans made under the Credit Facility are used by us for working capital and general corporate purposes.

In connection with our formation in May 2016, and our acquisition of all video content and related assets owned by CSS and its affiliates, we borrowed \$1.5 million under the Credit Facility to pay a portion of the \$5 million one-time payment required under the CSS License Agreement.

Loans under the Credit Facility bear interest at 5% per annum, payable monthly in arrears in cash. We are also obligated to pay the facility lender an annual fee equal to 0.75% of the unused portion of the Credit Facility. Principal under the Credit Facility (and all accrued but unpaid interest thereon) shall be paid by us on or prior to June 30, 2018 (the "Facility Maturity Date"). If the Credit Facility is still outstanding at the Facility Maturity Date, or, if prior to that date there is an event of default as prescribed by the Credit Facility, then (a) all principal and interest may be exchanged into shares of Class A common stock of the Company on the same terms as the Company's most recently completed equity financing, provided that under no circumstances shall the pre-money valuation used for this exchange be less than \$52,560,000, (b) the Facility Maturity Date may be extended as happened in January 2017 by mutual agreement of all parties, or (c) all principal and interest will be paid in full.

As of June 13, 2017, we have outstanding borrowings under the Credit Facility of approximately \$4.0 million. A portion of the proceeds of this offering may be used to pay, in whole or in part, the balance due under the Credit Facility, in which case the amount repaid will be available to be re-borrowed.

Debt Private Placement

Pursuant to our financing plan prior to this initial public offering, we sold a total of \$5.0 million of senior secured term notes ("Term Notes") and Class W warrants in a private placement. Beginning in July 2016 and through December 31, 2016, we sold in a private placement ("Debt Private Placement") to accredited investors \$3.0 million aggregate principal amount of Term Notes and Class W warrants to purchase an aggregate of 252,450 shares of Class A common stock. From January 1, 2017 through May 3, 2017, we sold an additional \$2.0 million aggregate principal amount of Term Notes and Class W warrants to purchase an additional aggregate of 172,550 shares of Class A common stock in the Debt Private Placement.

The Term Notes bear interest at 5% per annum, payable monthly in arrears in cash. The principal of the Term Notes (including all accrued, but unpaid interest thereon) were originally payable by us on the earlier of (a) June 30, 2017 and (b) the third business day following consummation of (i) an initial public offering (including this offering) and (ii) any future equity offering (other than as a result of the exercise of our Class W warrants) resulting in gross proceeds to us of at least \$7 million (the "Term Notes Original Maturity Date"). The Term Notes and Class W warrants have the terms described herein under "*Description of Securities – Term Notes*" and "*– Class W Warrants,*" respectively.

In June 2017, we requested that the holders of our Term Notes extend the maturity date thereof to the earlier of (a) July 31, 2017 and (b) the date that is three business days following the consummation of the initial closing of the IPO (such earlier date, the "Term Notes Extended Maturity Date"). As of the date of this offering circular, all holders (100%) of the Term Notes have agreed to the Term Notes Extended Maturity Date. In connection with the extension, we offered all holders of our Term Notes the opportunity to purchase shares of our Class A common stock at \$9.00 per share (with three Class Z warrants also being issued to them for each ten shares purchased) through the payment of cash or conversion of principal under their Term Notes. As of the date of this offering circular, holders of \$0.9 million aggregate principal amount of the Term Notes, including three of our executive officers, have elected to convert such principal amount into an aggregate of 102,060 shares of Class A common stock and 30,618 Class Z warrants. As of the date of this offering circular, a total of \$4.1 million principal amount of the Term Notes remains due on the Term Notes Extended Maturity Date.

A portion of the proceeds of this offering may be used to pay, in whole or part, the principal (and any interest due and unpaid thereon) of the Term Notes.

Equity Private Placements

Pursuant to our financing plan prior to this initial public offering, we sold a total of approximately \$2.5 million of Class A common stock and warrants in private placements. Beginning in June 2016 and through November 2016, we sold in a separate private placement (the "2016 Equity Private Placement") to accredited investors \$1.0 million of units, consisting of an aggregate of 170,960 shares of Class A common stock and Class W warrants to purchase an aggregate of 51,288 shares of Class A common stock.

Beginning in December 2016 and through March 2017, we sold in a separate private placement (the "2017 Equity Private Placement") to accredited investors \$975,710 of units, consisting of an aggregate of 150,112 shares of Class A common stock and Class W warrants to purchase an aggregate of 45,034 shares of Class A common stock.

During May and June 2017, we sold in two separate equity private placements, a total of an aggregate of 55,000 shares of Class A common stock and Class Z warrants to purchase an aggregate of 100,000 shares of Class A common stock.

Other than the Credit Facility, we do not have any available credit, bank financing or other external sources of liquidity. In order to meet our commitments, to expand our operations and to fund our activities, we need to obtain additional capital. The net proceeds from this offering, as well as private placements of debt and equity completed prior to the effective date of this offering, should be sufficient to meet our cash requirements for at least the next twelve months. However, any projections of future cash needs and cash flows are subject to substantial uncertainty. Even if we are able to raise the funds required, it is possible that we could incur unexpected costs and expenses in the future, fail to collect significant amounts that may be owed to us, or experience unexpected cash requirements that would force us to seek additional financing. If we seek additional financing, we would likely issue additional equity or debt securities, and as a result, stockholders may experience additional dilution or the new debt or equity securities may have rights, preferences or privileges more favorable than those of existing holders of our debt or equity. In this event, if additional financing is not available or is not available on acceptable terms, we may be required to delay, reduce the scope of or eliminate our video content production plans.

Over the next twelve months and assuming our Term Notes have been repaid from the proceeds of the offering, we expect to use the funds from this offering for the following purposes:

- financing production and associated development and operating costs and expenses for our video content;
- strategic acquisitions, including acquiring video content distribution companies, assets and video content libraries;
- servicing our obligations under the Credit Facility; and
- working capital and general corporate purposes.

We cannot estimate the amounts to be used for each purpose set forth above. We also reserve the right to change the use of the proceeds in accordance with our strategic plans or if all Shares are not sold in this offering. Accordingly, our management will have significant flexibility in allocating the net proceeds of this offering.

Cash flow summary information is as follows:

	Year Ended December 31,	
	2016	2015
Cash provided by (used in):		
Operating activities	\$ (2,479,473)	\$ 2,594,301
Investing activities	(5,000,000)	-
Financing activities	7,982,642	(2,590,223)
Net increase in cash and cash equivalents	\$ 503,169	\$ 4,078

Our operating activities required a net use of cash in 2016 totaling \$2,479,473. The net use of cash in 2016 was primarily due to our investment of \$5,120,254 in programming costs for our video content that was on air and in-development, and to complete episodes of *Hidden Heroes* and *Project Dad*. This investment in programming costs was offset, in part, by the amortization of such costs totaling \$3,155,668, which was included in cost of revenue in 2016. In addition, operating cash was generated from an increase in accounts payable and accrued expenses of \$671,337, but this was more than offset by a decrease in deferred revenue of \$3,428,571.

Our operating activities generated net cash in 2015 totaling \$2,594,301. The net cash generated in 2015 was primarily due to the receipt of sponsorship payments and other advances of \$3,500,000 for video content to be produced. Sponsorship payments and other advances received were offset, in part, by our investment of \$1,597,364 in programming costs for our video content in development and to complete episodes of *Hidden Heroes* season one, which began airing on CBS in October 2015. Our investment in programming costs was offset, in part, by the amortization of such costs totaling \$646,295 for *Hidden Heroes*, which is included in cost of revenue in 2015.

Our investing activities required a net use of cash in 2016 totaling \$5,000,000. This was due to our purchase of the perpetual trademark and intellectual property license from CSS for \$5,000,000. There was no net cash used in or provided by investing activities for 2015.

Our financing activities generated net cash in 2016 totaling \$7,982,642. The net cash generated in 2016 was primarily due to net advances under the Credit Facility of \$3,480,000, the sale of Term Notes of \$2,970,000 pursuant to the Debt Private Placement, and \$1,075,809 of gross cash generated from the sale of Class A common stock in the 2016 Equity Private Placement and 2017 Equity Private Placement. The cash generated was offset, in part, by stock issuance costs and financing costs of \$282,206.

Our financing activities required a net use of cash in 2015 totaling \$2,590,223. The cash used in financing activities was primarily due to license payments made by us to CSS under the CSS License Agreement.

Contractual Obligations and Commitments

We have significant cash obligations and commitments as follows:

- to repay the Term Notes at the Term Notes Maturity Date,
- to make interest payments in accordance with the terms of the Term Notes,
- to make quarterly payments to CSS based on reported gross revenue in accordance with the CSS License Agreement and the CSS Management Agreement,
- to make interest payments in accordance with the terms of the Credit Facility,
- to repay the Credit Facility in full no later than June 30, 2018, subject to its terms.

Critical Accounting Policies and Estimates

Our critical accounting policies and estimates are those related to our revenue recognition, the fair value of financial instruments, share-based compensation expense, our programming costs and how we account for the fair value of financial instruments.

Use of Estimates

When we prepare our consolidated financial statements in conformity with GAAP, we must make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, and the reported amounts of revenue and expenses during each reporting period. Our significant estimates include those related to revenue recognition, accounts receivable allowances, intangible assets, share-based compensation expense, income taxes and programming costs. Actual results included in this offering circular, and in future financial results, could differ from the original estimates.

Revenue recognition

We recognize revenue when persuasive evidence of an arrangement exists, the fee is fixed and determinable, delivery has occurred, and collection of the resulting receivable is deemed probable. For episodic television programs, revenue is recognized as each episode becomes available for delivery or becomes available for broadcast, and for short-form online videos, revenue is recognized when the videos are posted to a website for viewing. Revenue from the distribution of short-form online media content is included in online revenue in the accompanying consolidated statements of operations.

Fair value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase the comparability of fair value measurements, a three-tier fair value hierarchy, which prioritizes the inputs used in the valuation methodologies, is as follows:

- Level 1 - Valuations based on quoted prices for identical assets and liabilities in active markets.
- Level 2 - Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Valuations based on unobservable inputs reflecting our own assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

At December 31, 2016 and 2015, the fair value of our financial instruments, including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses and accrued programming costs, approximated their carrying value due to the short maturity of these instruments.

Programming Costs

Programming costs include the unamortized costs of completed, in-process, or in-development long-form and short-form video content. For video content we produce, capitalized costs include all direct production and financing costs, capitalized interest when applicable, and production overhead.

The costs of producing our video content are amortized using the individual-film-forecast method. These costs are accrued and amortized in the proportion that current period's revenue bears to management's estimate of ultimate revenue expected to be recognized from each production.

For an episodic television series, the period over which ultimate revenue is estimated cannot exceed ten years following the date of delivery of the first episode, or, if still in production, five years from the date of delivery of the most recent episode, if later.

Programming costs are stated at the lower of amortized cost or estimated fair value. The valuation of programming costs is reviewed on a title-by-title basis, when an event or change in circumstances indicates that the fair value may be less than its unamortized cost and the valuation is based on a discounted cash flows ("DCF") methodology with assumptions for cash flows. Key inputs employed in the DCF methodology include estimates of a program's ultimate revenue and costs as well as a discount rate. The discount rate utilized in the DCF is based on the weighted average cost of capital of the Company plus a risk premium representing the risk associated with producing a particular program. We perform an annual impairment analysis for unamortized programming costs. Additional amortization is recorded in the amount by which the unamortized costs exceed the estimated fair value. Estimates of future revenue involve measurement uncertainty and it is therefore possible that reductions in the carrying value of programming costs may be required as a consequence of changes in management's future revenue estimates.

Included in cost of revenue in the consolidated statement of operations for 2016 and 2015, is amortization of programming costs totaling \$3,155,668 and \$646,295, respectively.

Share-based Payments

We account for share-based payments in accordance with the authoritative guidance issued on share-based compensation. Share-based compensation expense is measured at the grant date, based on the fair value of the award, and is recognized as an expense over the requisite service period, net of estimated forfeitures. We estimate the fair value of share-based payments using the Black-Scholes option-pricing model. During 2016, share-based awards were issued to a former officer of the Company, non-employee directors and individuals for services rendered and were recorded at their fair value. All share-based awards were fulfilled with new shares of Class A common stock.

During 2015, we recorded share-based compensation for Class B membership interests issued to Trema in satisfaction of certain rights Trema owned in the Subject Assets. We estimated the fair value of the share-based payment using the Black-Scholes option-pricing model.

Controls and Procedures

We are not currently required to maintain an effective system of internal controls as defined by Section 404 of the Sarbanes-Oxley Act. We will be required to comply with the internal control requirements of the Sarbanes-Oxley Act for the fiscal year ending December 31, 2018. As of the date of this offering circular, we have not completed an assessment, nor have our auditors tested our systems, of internal controls.

Off-Balance Sheet Arrangements

As of May 15, 2017, we did not have any off-balance sheet arrangements as defined in Item 303(a)(4)(ii) of Regulation S-K.

Effect of Inflation and Changes in Prices

We do not believe that inflation and changes in prices will have a material effect on our operations.

JOBS Act

On April 5, 2012, the JOBS Act was signed into law. The JOBS Act contains provisions that, among other things, relax certain reporting requirements for qualifying public companies. We will qualify as an “emerging growth company” and under the JOBS Act will be allowed to comply with new or revised accounting pronouncements based on the effective date for private (not publicly traded) companies. We are electing to delay the adoption of new or revised accounting standards, and as a result, we may comply with new or revised accounting standards on the relevant dates on which adoption of such standards is required for non-emerging growth companies. As such, our financial statements may not be comparable to companies that comply with public company effective dates.

BUSINESS

Overview

CSS Entertainment curates and shares video stories that bring out the best of the human spirit.

We create and distribute our video content under the *Chicken Soup for the Soul* brand. Since our inception in January 2015, our business has grown rapidly and is profitable. Our 2016 revenue was \$8.1 million, as compared to 2015 revenue of \$1.5 million. We had net income of \$0.8 million in 2016, as compared to a net loss of \$0.8 million in 2015. Our 2016 Adjusted EBITDA was \$3.8 million, as compared to 2015 Adjusted EBITDA of \$0.0 million.

We are aggressively growing our business through a combination of organic growth, licensing and distribution arrangements, acquisitions, and strategic relationships.

In October 2015, we premiered our first show, *Chicken Soup for the Soul's Hidden Heroes* on CBS. In 2016, we had two shows on the air, *Hidden Heroes* and *Project Dad*, a *Chicken Soup for the Soul* Original, which aired on Discovery's TLC network.

In September 2016, we entered into the A Plus Distribution Agreement with A Plus. The A Plus Distribution Agreement significantly expands our ability to share our content by providing us access to A Plus' celebrity influencers, including A Plus' founder and chairman, Ashton Kutcher. These celebrity influencers have more than 480 million followers combined.

In March 2017, we launched the CSS Network, our branded DTC network. The CSS Network will allow more consumers to view our growing library of *Chicken Soup for the Soul* original and third-party video content on a fee-per-view, subscription, or advertising-supported basis.

In June 2017, we entered into a three-year collaboration agreement with Kutcher. Kutcher will serve as an executive producer and collaborate with us on all business and creative elements of two new television series for us relating to the positive content of A Plus and the *Chicken Soup for the Soup* brand.

We believe that increasing consumer demand for hopeful and enduring real life stories will continue to drive our growth. We intend to continue to expand our content offerings and distribution capabilities at our current rapid pace in order to bring the positive *Chicken Soup for the Soul* message to as many people as possible.

Our Opportunity

Recent advancements in video, internet, and mobile technologies have reduced the barriers to entry for video content creation and distribution. These changes in technology have meaningfully impacted consumer viewing habits. Traditional video content distribution channels, such as broadcast and cable television networks, are losing ground to alternative distribution platforms, including internet-delivered networks, such as social media, and OTT and DTC networks. This has fractionalized the viewing audience, making it more difficult for advertisers to reach their target audiences.

In addition, traditional cable subscriber fees and linear television advertising are coming under significant pressure as consumers migrate towards "cord cutting," "skinny bundles," OTT, and DTC offerings. As these trends continue, we anticipate that many industry participants will face constrained programming budgets and network failures. Recent examples of the effect of these trends include the shutdown in October 2016 of Pivot TV, a digital cable and satellite television network targeted at young adults between 18 and 34 years old, and the announcement of the conversion of Esquire TV Network to a digital-only service in January 2017. These trends are providing new opportunities not previously available with traditional linear broadcast and cable networks, both domestically and internationally.

We believe that brands have become more important to attract viewers and sponsors and, accordingly, that an opportunity exists for companies that have access to sustainable brands. These companies can exploit their brands to "break through the noise" presented by the wide array of consumer viewing choices in order to provide video content that is readily identifiable to, and desired by, consumers. Companies such as Hallmark (family), Disney (family) and National Geographic (nature) have been able to use their brands to present programming targeted at specific areas of interest and attract viewers seeking such programming.

The *Chicken Soup for the Soul* Brand

We have an exclusive, perpetual and worldwide license from CSS to create and distribute our video content under the *Chicken Soup for the Soul* brand.

The *Chicken Soup for the Soul* brand is best known for its series of *Chicken Soup for the Soul* books, with more than 250 published titles. More than 500 million *Chicken Soup for the Soul* books have been sold worldwide during the past 23 years. The brand has garnered considerable awareness within its highly-prized female demographic with more than 80% of social media followers of *Chicken Soup for the Soul* on Facebook, Twitter and Instagram being women.

The *Chicken Soup for the Soul* brand has been experiencing significant growth in its media and social media presence:

- The brand had more than 2.6 million combined Facebook fans as of March 2017, which is up approximately 28 times since December 2011.
- The *Chicken Soup for the Soul* daily podcast, which was launched in February 2016, has had more than 1.4 million digital downloads since inception.

The *Chicken Soup for the Soul* brand had over 10 billion content views (which include impressions, video views and podcast downloads) across all platforms including Facebook, Twitter, YouTube and Instagram during the 12-month period ended March 31, 2017, with 1 billion content views in March 2017.

We believe the significant awareness and reach of the *Chicken Soup for the Soul* brand, the demographics to which the brand appeals, and the growing social media presence and highly engaged fan base associated with the brand will translate into meaningful recognition and demand for our video content offerings.

Distribution Agreement

We have an exclusive distribution relationship with A Plus. A Plus develops and distributes high quality, empathetic short-form videos and articles to millions of people worldwide.

In September 2016, we entered into the A Plus Distribution Agreement. The A Plus Distribution Agreement has an initial term ending in September 2023. Under the terms of the A Plus Distribution Agreement, we have the exclusive worldwide rights to distribute all video content (in any and all formats) and all editorial content (including articles, photos and still images) created, produced, edited or delivered by A Plus. Under the terms of the Distribution Agreement, we were required to pay A Plus the A Plus Advance of \$3 million. As of March 31, 2017, the A Plus Advance has been paid in full by us to A Plus.

Under the terms of the A Plus Distribution Agreement, we receive a net distribution fee equal to 40% of gross revenue generated by the distribution of the A Plus video content, and 15% of gross revenue generated by the distribution of the A Plus editorial content, until the A Plus Advance (as defined and described in “—Affiliate Resources and Obligations,” below) has been repaid to us in full. After full repayment, the foregoing distribution fee payable to us will be reduced to 30% and 5%, respectively, and A Plus shall receive the remainder (“A Plus Revenue”) of such gross revenue. We recoup the A Plus Advance by retaining the portion of gross revenue otherwise payable by the Company to A Plus and applying such A Plus Revenue to the recoupment of the A Plus Advance. We will not pay A Plus any A Plus Revenue until such time as the A Plus Advance has been recouped in full by us.

Collaboration Agreement and Strategic Investment

In June 2017, we entered into a three-year collaboration agreement (“Collaboration Agreement”) with Kutcher. Under the terms of the Collaboration Agreement, Kutcher will serve as an executive producer and collaborate with us on all business and creative elements of two new television series for us relating to the positive content of A Plus and the *Chicken Soup for the Soul* brand. As compensation for acting as executive producer, Kutcher was issued shares of our Class A common stock, Class Z warrants to purchase additional shares of our Class A common stock and a significant profit participation in the production and exploitation of the two series.

Concurrently with the execution of the Collaboration Agreement, Kutcher purchased additional shares of our Class A common stock and Class Z Warrants to purchase additional shares.

Our Strategy

One of our fundamental objectives is to continue to grow our CSS Network as we continue to grow our content offerings to critical mass. Our strategy is to build our library of video content through a combination of *Chicken Soup for the Soul* original video content and opportunistic acquisitions of third-party video content libraries or other rights to video content as failing networks seek to monetize their library value. Industry dislocation is also enabling us to purchase broadcast airtime in attractive time slots and on attractive terms to further exhibit our video content as networks seek to fill their schedules in the face of declining budgets.

Our relationship with A Plus allows us to accelerate the growth of our video content offerings and to develop and distribute high quality, empathetic short-form videos and articles to millions of people worldwide. The themes of the content developed and distributed by A Plus are complementary to the *Chicken Soup for the Soul* brand. A Plus has celebrity influencers such as Ashton Kutcher, Britney Spears, Lil Wayne and George Takei among many others with over 480 million combined followers.

We believe that having an established brand with strong awareness such as the *Chicken Soup for the Soul* brand, a clear and consistent message and a reputation for high-quality, entertaining video content, will be a key differentiating factor that enables individuals to successfully locate the video content they desire and allows providers to better reach their targeted audiences in an environment characterized by a proliferation of content creators and distribution platforms and fractionalized audiences.

The key elements of our strategy to seize our opportunity and drive growth over the next few years include:

- growing our existing video content production and distribution business, by covering many themes (e.g., relationships, health and wellness and positive living) consistent with the messaging of the *Chicken Soup for the Soul* brand in many formats (e.g., short-form, longer-form and episodic);
- enhancing our revenue potential from our short-form video content (including from our long-form video content by repurposing such video content into short-form video content) for syndication through our short-form video content syndication platforms, including A Plus;
- expanding our existing, and developing, new relationships with sponsors, television networks and independent producers to create new video content in a variety of formats under, or which are consistent with, the *Chicken Soup for the Soul* brand;
- building our library (including long-form video content, short-form video content and long-form content developed from our short-form content) and acquiring third-party libraries of video content that are consistent with the messaging of the *Chicken Soup for the Soul* brand, which we believe will offer the potential for additional revenue and profitability;
- soliciting, aggregating and curating crowd-sourced video content that is consistent with the messaging of the *Chicken Soup for the Soul* brand and creating related *Chicken Soup for the Soul* channels to display such crowd-sourced video content;
- selling advertising on our CSS Networks;
- formulating and implementing an e-commerce strategy for video content-related merchandising; and
- seeking to opportunistically acquire video content production, distribution and related technology companies and/or assets.

We are seeking access to the public capital markets to avail ourselves of the capital resources provided by such capital markets and to establish our common stock as a public currency to enable us to pursue these growth strategies.

Our Video Content

We utilize the *Chicken Soup for the Soul* brand, together with our management's industry experience and expertise, to generate revenue through the production and distribution of video content. Following our innovative business model, we seek to secure committed funding for the production costs of our video content in advance of production through sponsorships, product integration and licensing fees received from corporations, foundations, video content networks (e.g., cable, broadcast and online) and other organizations.

Corporate and foundation sponsors with which we work include Hilton Grand Vacations, American Humane, the Boniuk Foundation and the Morgridge Family Foundation and we are currently in discussions with numerous others. We endeavor to retain meaningful back-end rights to our video content in these relationships, which provides opportunities for improved profitability and enhances our library value.

We partner with highly-regarded independent producers to develop and produce our video content. Using this approach provides us with access to a diverse pool of creative ideas for new video content projects and allows us to scale our business on a variable cost basis. We seek committed funding prior to moving forward with a project.

We currently have producer agreements or arrangements in place with a number of these producers, including Litton Entertainment, a Hearst company, Peacock Productions, an NBCUniversal company, and Soul Pancake, a company owned by Participant Media. We anticipate entering into relationships with additional independent producers.

Our long-form video content consists of 30 to 60 minute episodic programs typically distributed initially on traditional television or cable networks. Our current long-form video content projects include:

- **Chicken Soup for the Soul's Hidden Heroes ("Hidden Heroes").** The multi-award winning *Hidden Heroes* is hosted by Brooke Burke-Charvet and is currently airing its second season on CBS. During its first season, the show averaged approximately one million viewers per original episode and received multiple prestigious awards. A segment of *Hidden Heroes* can be seen at <https://cssentertainment.com/hiddenheroes>. *Hidden Heroes* has been renewed for its second season and new episodes premiered in October 2016.
- **Chicken Soup for the Soul's Project Dad.** Our second long-form video content project is a show in which the camera follows three celebrity dads as they put their careers on the sidelines and get to know their children, resulting in a humorous look at the pitfalls and joys of being a father. The show is based on an original, on-going series produced by KBS, the flagship public service broadcaster in Korea. It is a top-rated show in Korea, where more than 100 episodes have aired. The show is also popular in China, where more than 50 episodes of the Chinese version have aired. We have rights to the format in all markets around the world except Korea, China and Turkey. The show premiered on Discovery Life in November 2016, aired on Discovery's TLC network and Discovery Family in 2017. A short overview of *Project Dad* can be seen at <https://cssentertainment.com/what-we-do/television/project-dad>.
- **Paycation Homes.** We have agreements-in-principal for our third long-form video content series called *Paycation Homes* with sponsors and cable networks. This show gives viewers the information and inspiration needed to realize their dreams of using real estate entrepreneurship to obtain financial success.

Our short-form video content, including our branded short-form video content known as *Sips*, is typically exhibited through online video content distribution and social media platforms, such as YouTube, Facebook, Yahoo, Dibly, Gateway Media, SheKnows, Rumble and Liquid Social among others, as well as on the social media of *Chicken Soup for the Soul* and our sponsors. Our current short-form video content projects include:

- **Hilton Grand Vacation Sips.** A series of seven short-form videos illustrating that a life without vacations is not complete. These *Sips* are scheduled to be delivered in October 2016 and became available for viewing in January 2017. A recent Hilton Grand Vacations *Sip* can be seen at <https://cssentertainment.com/what-we-do/online-video/the-sip>.
- **Emily Griffith Technical College Sips.** A series of ten short-form videos highlighting the success in overcoming adversity of graduates of the Emily Griffith Technical College. All ten *Sips* were funded by the Morgridge Family Foundation and delivered in June 2016. These *Sips* can be viewed on the social media of Emily Griffiths Technical College and *Chicken Soup for the Soul*, as well as Rumble.
- **American Humane.** A series of six *Hidden Heroes* integrations that are also being made available on A Plus. American Humane has agreed to sponsor six additional integrations in season three of *Hidden Heroes*. A recent American Humane video can be seen at <https://test.cssentertainment.com/what-we-do/television>.

We have an exciting pipeline of new long-form and short-form video content projects in various stages of development. For example, we have entered into exclusive co-production agreements for two additional long-form shows with Peacock Productions, the non-fiction production division of NBCUniversal.

Brand Licensing

Subject to the terms of the CSS License Agreement, we also seek opportunities to license use of the brand in connection with other video content projects, including films. In these circumstances, we will maintain certain approval rights to ensure the project's message is consistent with the *Chicken Soup for the Soul* brand.

Management and Affiliate Resources and Relationships

Our management team, led by our chairman and chief executive officer, William J. Rouhana, Jr., our vice chairman and chief strategy officer, Scott W. Seaton, our senior brand advisor and director, and Amy L. Newmark, possesses extensive expertise in the technology, media and telecommunications (“TMT”) industries. Mr. Rouhana played a pioneering role in several innovative TMT companies, including Winstar Communications, Inc. (“Winstar”). As chief executive officer, Mr. Rouhana built Winstar from a three-person start-up enterprise to a Nasdaq-listed public company that employed approximately 5,000 people, serviced more than 1 million customers and generated annual revenue of approximately \$1 billion. Mr. Seaton was a senior investment banker covering companies in the TMT sectors for Credit Suisse First Boston, Bank of America and Oppenheimer & Co. and served as a director of Mediacom Communications Corporation, currently the fifth largest cable television operator in the United States. Ms. Newmark has been the publisher and editor-in-chief of the *Chicken Soup for the Soul* series of books. She was previous a highly ranked equity research analyst covering the TMT sectors.

We have entered into agreements with our affiliate companies that provide us with access to important assets and resources. These agreements include:

- A trademark and intellectual property license agreement, which we refer to as the “CSS License Agreement,” between us and CSS through which we have been granted a perpetual, exclusive, worldwide license to produce and distribute video content using the brand and related content, such as stories published in the *Chicken Soup for the Soul* books. See “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Affiliate Resources and Obligations – CSS License Agreement*” for a discussion of the terms of the CSS License Agreement.
- A management services agreement, which we refer to as the “CSS Management Agreement,” between us and CSS through which we are provided with the broad operational expertise of CSS and its subsidiaries and personnel, including the services of our chairman and chief executive officer, Mr. Rouhana, and our vice chairman Mr. Seaton. The CSS Management Agreement also provides for services, such as accounting, legal, marketing, management, data access and back-office systems, and provides us with office space and equipment usage. Intellectual Property

We are party to the CSS License Agreement with CSS through which we have been granted the perpetual, exclusive, worldwide license to produce and distribute video content using the brand and related content, such as stories published in the *Chicken Soup for the Soul* books. *Chicken Soup for the Soul* and related names are trademarks owned by CSS. We have the proprietary rights (including copyrights) in all of our *Sips* and company-produced content.

We intend to rely on a combination of confidentiality procedures, contractual provisions and other similar measures to protect our proprietary information and intellectual property rights.

Competition

Video content production and distribution direct to consumers are highly competitive businesses. We face competition from companies within the entertainment business and from alternative forms of leisure entertainment, such as travel, sporting events, outdoor recreation, video games, the internet and other cultural and computer-related activities. We compete with the major studios, numerous independent motion picture and television production companies, television networks, pay television systems and online media platforms for the services of performing artists, producers and other creative and technical personnel and production financing, all of which are essential to the success of our businesses. In addition, our video content competes for media outlet and audience acceptance with video content produced and distributed by other companies. As a result, the success of any of our video content is dependent not only on the quality and acceptance of a particular production, but also on the quality and acceptance of other competing video content available in the marketplace at or near the same time.

Given such competition, and our stage of development, we intend to initially emphasize a lower cost structure, risk mitigation, reliance on financial partnerships and innovative financial strategies. Our cost structures are designed to utilize our flexibility and agility as well as the entrepreneurial spirit of our employees, partners and affiliates, in order to provide creative, desirable video content.

We are provided with office space from CSS under the terms of the CSS Management Agreement. This office space is located at 132 E. Putnam Avenue, Floor 2W, Cos Cob, Connecticut 06807.

Administration

The Incentive Plan will be administered by our compensation committee. The compensation committee will be comprised solely of “outside directors,” as defined in the regulations issued under Section 162(m) of the Code, and “non-employee” directors, as defined in Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Subject to the provisions of the Incentive Plan, the compensation committee determines, among other things, the persons to whom from time to time awards may be granted and the specific type of awards to be granted.

Stock Subject to the Incentive Plan

Our board of directors has reserved 1,000,000 shares of our Class A common stock for issuance under the Incentive Plan. Shares of stock subject to awards that are forfeited or terminated without payment to the holder in the form of Class A common stock will be available for future award grants under the Incentive Plan. If a holder has shares of Class A common stock otherwise issuable upon exercise withheld, or surrenders outstanding shares, to make payment in connection with an award or to cover the withholding tax liability associated an award, the shares surrendered by the holder or withheld by us will not be available for future award grants under the Incentive Plan.

Under the plan, in the event of a change in the number of shares of our Class A common stock as a result of a dividend on shares of Class A common stock payable in shares of Class A common stock, Class A common stock forward split or reverse split, exchange of shares of Class A common stock or other extraordinary or unusual event that results in a change in the shares of Class A common stock as a whole, the compensation committee shall determine whether such change equitably requires an adjustment in the terms of any award in order to prevent dilution or enlargement of the benefits available under the plan, or in the aggregate number of shares reserved for issuance under the plan.

Eligibility

We may grant awards under the Incentive Plan to employees, officers, directors, and consultants of our company or our parent and subsidiary companies and affiliates who are deemed to have rendered, or to be able to render, significant services to us and who are deemed to have contributed, or to have the potential to contribute, to its success. An “incentive stock option” as defined in Section 422 of the Code may be granted under the plan only to a person who, at the time of the grant, is an employee of our company or our parent or subsidiary companies.

Types of Awards

Options. The compensation committee may grant incentive stock options and options not qualifying as incentive options, or “non-qualified options.” The compensation committee determines the exercise price per share of Class A common stock purchasable under an incentive or non-qualified stock option, which may not be less than 100% of the fair market value on the day of the grant. However, the exercise price of an incentive stock option granted to a person possessing more than 10% of the total combined voting power of all classes of our stock, or a “10% holder,” may not be less than 110% of the fair market value on the date of grant. An incentive stock option may only be granted within 10 years from the effective date of the Incentive Plan. An incentive stock option may only be exercised within ten years from the date of the grant, or within five years in the case of an incentive stock option granted to a 10% holder. The stock options generally will vest over a number of years.

Stock Appreciation Rights. The compensation committee may grant stock appreciation rights to participants who have been, or are being, granted stock options under the plan as a means of allowing the participants to exercise their stock options without the need to pay the exercise price in cash, or the compensation committee may grant them alone and unrelated to an option. A stock appreciation right entitles the holder to receive a number of shares of Class A common stock having a fair market value equal to the excess fair market value of one share of Class A common stock over the exercise price of the stock appreciation right, multiplied by the number of shares subject to the stock appreciation rights.

Restricted Stock. The compensation committee may grant shares of restricted stock. The compensation committee determines, among other things, the number of shares to be awarded, the time or times within which awards of restricted stock may be subject to forfeiture, any applicable performance goals, and all other terms and conditions of the restricted stock awards.

Other Stock-Based Awards. The compensation committee may grant other stock-based awards, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Class A common stock, as deemed consistent with the purposes of the plan. These other stock-based awards may be in the form of purchase rights, shares of Class A common stock awarded that are not subject to any restrictions or conditions, convertible or exchangeable debentures or other rights convertible into shares of Class A common stock and awards valued by reference to the value of securities of, or the performance of, specified subsidiaries. These other stock-based awards may include performance shares or options, whose award is tied to specific performance criteria.

Incentive Bonuses. The compensation committee may grant incentive bonus awards, which will confer upon the recipient the opportunity to earn a future payment tied to the level of achievement with respect to one or more performance goals established for a performance period by the compensation committee. The award agreement will establish, among other things, the target and maximum amount payable as an incentive bonus, the performance goals and level of achievement versus the performance goals that shall determine the amount of such payment and the term of the performance period as to which performance shall be measured for determining the amount of any payment.

Performance Awards

The compensation committee may determine at the time an award is granted or at any time thereafter whether such award is intended to qualify as “performance based compensation” within the meaning of Section 162(m) of the Code. Restricted stock awards, other stock-based awards and incentive bonus awards that are intended to qualify as performance based compensation under Section 162(m) of the Code shall be subject to the following provisions, which shall control over any conflicting provision in the Incentive Plan or any Agreement:

- To the extent necessary to comply with the requirements of Section 162(m)(4)(C) of the Code, no later than 90 days following the commencement of any performance period or any designated fiscal period or period of service (or such earlier time as may be required under Section 162(m) of the Code), the compensation committee shall, in writing, (a) designate the recipient to receive such award (b) select the performance criteria applicable to the performance period, (c) establish the performance goals, and amounts of such awards, as applicable, which may be earned for such performance period based on the performance criteria, and (d) specify the relationship between performance criteria and the performance goals and the amounts of such awards, as applicable, to be earned by each covered employee for such performance period.
- Following the completion of each performance period, the compensation committee shall certify in writing whether and the extent to which the applicable performance goals have been achieved for such performance period. In determining the amount earned under such awards, the compensation committee may reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the compensation committee may deem relevant, including the assessment of individual or corporate performance for the performance period.
- No adjustment to any award may be permitted to the extent that such adjustment would cause such award to fail to so qualify as performance based compensation, unless the compensation committee determines that the award should not so qualify.

Accelerated Vesting and Exercisability

If any one person, or more than one person acting as a group, acquires the ownership of stock of our company that, together with the stock held by such person or group, constitutes more than 50% of the total voting power of the stock of our company, and our board of directors does not authorize or otherwise approve such acquisition, then immediately prior to the closing of such acquisition, the vesting periods of any and all stock options and other awards granted and outstanding under the Incentive Plan shall be accelerated and all such stock options and awards will immediately and entirely vest, and the respective holders thereof will have the immediate right to purchase and/or receive any and all Class A common stock subject to such stock options and awards on the terms set forth in the plan and the respective agreements respecting such stock options and awards. An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which our company acquires its stock in exchange for property is not treated as an acquisition of stock.

The compensation committee may, in the event of an acquisition by any one person, or more than one person acting as a group, together with acquisitions during the 12-month period ending on the date of the most recent acquisition by such person or persons, of assets from our company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of our company immediately before such acquisition or acquisitions, or if any one person, or more than one person acting as a group, acquires the ownership of stock of our company that, together with the stock held by such person or group, constitutes more than 50% of the voting power of the stock of our company, which has been approved by our board of directors, (i) accelerate the vesting of any and all stock options and other awards granted and outstanding under the Incentive Plan, or (ii) require a holder of any award granted under the plan to relinquish such award to our company upon the tender by us to the holder of cash in an amount equal to the repurchase value of such award. For this purpose, gross fair market value means the value of our assets, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

Notwithstanding any provisions of the Incentive Plan or any award granted thereunder to the contrary, no acceleration shall occur with respect to any award to the extent such acceleration would cause the plan or an award granted thereunder to fail to comply with Section 409A of the Code

Term and Amendments

Unless terminated by our board, the Incentive Plan shall continue to remain effective until no further awards may be granted and all awards granted under the plan are no longer outstanding. Notwithstanding the foregoing, grants of incentive stock options may be made only until ten years from the effective date of the plan. The board may at any time, and from time to time, amend the plan or any award agreement, but no amendment will be made that would impair the rights of a holder under any agreement entered into pursuant to the plan without the holder's consent.

CERTAIN TRANSACTIONS

Other than compensation arrangements, we describe below transactions and series of similar transactions, since our inception, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years; and
- any of our directors, executive officers, or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

CSS License Agreement

We entered into the CSS License Agreement in May 2016 pursuant to which we have been granted a perpetual, exclusive, worldwide license to produce and distribute video content using the brand and related content, such as stories published in the *Chicken Soup for the Soul* books. We paid CSS a one-time license fee of \$5 million, representing an allocation of the original purchase price of the Brand, comprised of an upfront cash payment of \$1.5 million and the concurrent issuance of a \$3.5 million principal amount License Note bearing interest at 0.5% per annum. The License Note has been repaid in full. For a further description of the CSS License Agreement, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Affiliate Resources and Obligations – CSS License Agreement.*”

CSS Management Agreement

We entered into the CSS Management Agreement in May 2016 with CSS pursuant to which we are provided with the broad operational expertise of CSS and its subsidiaries and personnel, including the services of our chairman and chief executive officer, Mr. Rouhana, our vice chairman and chief strategy officer, Mr. Seaton, our senior brand advisor and director, Amy Newmark and our chief financial officer, Mr. Pess. The CSS Management Agreement also provides for services, such as accounting, legal, marketing, management, data access and back-office systems, as well as office space and equipment usage. For a further description of the CSS Management Agreement, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Affiliate Resources and Obligations – CSS Management Agreement.*”

Distribution Agreement

In September 2016, we entered into the A Plus Distribution Agreement. A Plus develops and distributes high quality, empathetic short-form videos and articles to millions of people worldwide. The A Plus Distribution Agreement has an initial term ending in September 2023. Under the terms of the A Plus Distribution Agreement, we have the exclusive worldwide rights to distribute all video content (in any and all formats) and all editorial content (including articles, photos and still images) created, produced, edited or delivered by A Plus. Under the terms of the Distribution Agreement, we were required to pay A Plus the A Plus Advance of \$3 million. As of March 31, 2017, the A Plus Advance has been paid in full by us to A Plus.

Under the terms of the A Plus Distribution Agreement, we receive a net distribution fee equal to 40% of gross revenue generated by the distribution of the A Plus video content, and 15% of gross revenue generated by the distribution of the A Plus editorial content, until the A Plus Advance (as defined and described in “*Affiliate Resources and Obligations,*” below) has been repaid to us in full. After full repayment, the foregoing distribution fee payable to us will be reduced to 30% and 5%, respectively, and A Plus shall receive the remainder (“A Plus Revenue”) of such gross revenue. We recoup the A Plus Advance by retaining our fee plus the portion of gross revenue otherwise payable by the Company to A Plus and applying such A Plus Revenue to the recoupment of the A Plus Advance. We will not pay A Plus any A Plus Revenue until such time as the A Plus Advance has been recouped in full by us.

A Plus is a digital media company founded, chaired, and partially owned by actor and investor Ashton Kutcher. Mr. Kutcher owns 23%, third parties own 2%, and our affiliate, Chicken Soup for the Soul Digital, LLC, owns 75%, of A Plus.

Credit Facility

In May 2016, we entered into the Credit Facility with the facility lender, an affiliate of Mr. Rouhana. Under the terms of the Credit Facility, as amended as of December 12, 2016, January 24, 2017 and March 27, 2017, we may borrow, repay and reborrow up to an aggregate of \$4.5 million through June 30, 2018. Our payment obligations under the Credit Facility are senior obligations and secured by a first priority security interest in all of our assets (thus having the same priority as the security interest granted by us in connection with the Term Notes). The proceeds of the loans made under the Credit Facility shall be used by us for working capital and general corporate purposes. See “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Liquidity and Capital Resources.*”

In connection with the Credit Facility, we issued Class W warrants to the facility lender to purchase an aggregate of 157,500 shares of our Class A common stock. The facility lender has been given registration rights with respect to such shares and the securities issuable upon conversion of the principal amount outstanding under the Credit Facility as described herein under “*Description of Securities – Registration Rights.*”

Contribution Agreements

In May 2016, pursuant to the terms of the contribution agreement among CSS, CSS Productions and CSS Entertainment (“Contribution Agreement”), all video content assets (the “Subject Assets”) owned by CSS, CSS Productions and their CSS subsidiaries were transferred to us in consideration for our issuance to CSS Productions of 8,600,568 shares of our Class B common stock. Since the date of the CSS Contribution Agreement, CSS Production has transferred certain of these shares of Class B common stock to third parties in certain transactions. Concurrently with the consummation of the CSS Contribution Agreement, certain rights to receive payments under certain agreements comprising part of the Subject Assets owned by Trema, a company principally owned and controlled by William J. Rouhana, Jr., our chairman and chief executive officer, were assigned to us under a contribution agreement (“Trema Contribution Agreement”) in consideration for our issuance to Trema of 159,432 shares of our Class B common stock. Trema has certain demand and piggyback registration rights with respect to these shares that would be effective after consummation of this offering.

Equity Exchange

In July 2016, we entered into an exchange agreement with a former executive of CSS Productions, in which he exchanged all membership interest in CSS Productions, which had been issued or were issuable to him in the future, for 430,028 shares of our Class B common stock then owned by CSS Productions, which he simultaneously elected to convert into a like number of shares of our Class A common stock. The exchange agreement was related to, and in connection with, the amended employment agreement of the former executive and his separation from CSS Productions.

Consulting Agreement

CSS Productions had a consulting agreement with Low Profile Films, Inc. (“Low Profile”). Low Profile provided executive production services for CSS Productions that included all activities necessary to establish and maintain relationships regarding CSS Productions’ proposed feature length film and a possible talk show. Low Profile was to oversee the production to facilitate the public viewing or distribution of same. The owner of Low Profile is the son of our chairman and chief executive officer.

In July 2016, CSS Productions and Low Profile mutually agreed to terminate the production services agreement relating to a potential feature length film to be produced by Alcon Entertainment. For the years ended December 31, 2016 and 2015, CSS Productions paid Low Profile \$35,000 and \$60,000, respectively, for services provided, which are included in selling, general and administrative expenses in the accompanying consolidated statements of operations.

Promotions License Agreement

During 2016, we entered into a Promotions License Agreement with One Last Thing LLC (“OLT”), under which we paid \$100,000 for the right to integrate certain products into a feature film produced by OLT, such amount being recoupable from the gross revenue of such film. OLT is controlled by the son of our chairman and chief executive officer.

Conversion of Term Notes

In June 2017, Scott W. Seaton, our vice chairman, Daniel M. Pess, our chief financial officer, and Amy L. Newmark, a director, participated in the conversion of our Term Notes on the same terms as offered all holders of our Term Notes. These three officers converted an aggregate of \$293,500 principal amount of Term Notes in exchange for an aggregate of 32,620 shares of Class A common stock and 9,786 Class Z warrants.

Indemnification Agreements

We have entered into indemnification and reimbursement agreements with each of our executive officers and directors. Pursuant to these agreements, we will indemnify, and advance amounts to, each of our executive officers and to the fullest extent permitted by applicable law, as in effect on the date of the agreement or to such greater extent as applicable law may later permit, in connection with any proceedings brought against such individuals by reason of his or her status as a director, officer, employee, agent or fiduciary of our company, any subsidiary of our company, or any other enterprise which such person is or was serving at our request.

All ongoing and future transactions between us and any of our officers and directors or their respective affiliates will be on terms believed by us to be no less favorable to us than are available from unaffiliated third parties. Such transactions will require prior approval by a majority of our disinterested and independent directors (to the extent we have any) or the members of our board who do not have an interest in the transaction, in either case who had access, at our expense, to our attorneys or independent legal counsel. We will not enter into any such transaction unless our disinterested and independent directors (or, if there are no “independent” directors, our disinterested directors) determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties.

Purchase of Shares by Director

In May 2017, Diana Wilkin, a member of our board of directors, purchased 5,000 shares of Class A common stock for \$37,500, or \$7.50 per share. All of these shares are subject to the applicable lock-ups described under “*Description of Securities – Lock-up Agreements.*”

Related Party Policy

Our Code of Ethics requires each company to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interests, except under guidelines approved by the board of directors. Related party transactions are defined under SEC rules as transactions in which (1) the aggregate amount involved will or may be expected to exceed the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5% beneficial owner of our shares of common stock, or (c) immediate family member, of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

No director may participate in the approval of any transaction in which he is a related party, but that director is required to provide the other members of the board with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors’ and officers’ questionnaire that elicits information about related party transactions.

These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

DESCRIPTION OF SECURITIES

General

We are authorized to issue 70 million shares of Class A common stock, par value \$.0001, 20 million shares of Class B common stock, par value \$.0001, and 10 million shares of preferred stock, par value \$.0001. As of the date of this offering circular, 1,249,000 shares of our Class A common stock are outstanding, 8,071,955 shares of our Class B common stock are outstanding and no shares of our preferred stock are outstanding.

Common Stock

Voting Rights

Holders of shares of Class A common stock and Class B common stock have substantially identical rights, except that holders of shares of Class A common stock are entitled to one vote per share and holders of shares of Class B common stock are entitled to ten votes per share. Holders of shares of Class A common stock and Class B common stock vote together as a single class on all matters (including the election of directors) submitted to a vote of stockholders, unless otherwise required by law or our charter. See “—*Certain Anti-Takeover Provisions of our Certificate of Incorporation and By-Laws,*” below.

There is no cumulative voting with respect to the election of directors, with the result that the holders of more than 50% of the shares voted for the election of directors can elect all of the directors.

Dividend Rights

Shares of Class A common stock and Class B common stock shall be treated equally, identically and ratably, on a per share basis, with respect to any dividends or distributions as may be declared and paid from time to time by the board of directors out of any assets legally available therefor.

No Preemptive or Similar Rights

Our common stock is not entitled to preemptive rights and is not subject to conversion, redemption or sinking fund provisions.

Right to Receive Liquidation Distributions

Subject to the preferential or other rights of any holders of preferred stock then outstanding, upon our dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Class A common stock and Class B common stock will be entitled to receive ratably all of our assets available for distribution to our stockholders unless disparate or different treatment of the shares of each such class with respect to distributions upon any such liquidation, dissolution or winding up is approved in advance by the affirmative vote (or written consent if action by written consent of stockholders is permitted at such time under our Certificate of Incorporation) of the holders of a majority of the outstanding shares of Class A common stock and Class B common stock, each voting separately as a class.

Merger or Consolidation

In the case of any distribution or payment in respect of the shares of Class A common stock or Class B common stock upon our consolidation or merger with or into any other entity, or in the case of any other transaction having an effect on stockholders substantially similar to that resulting from a consolidation or merger, such distribution or payment shall be made ratably on a per share basis among the holders of the Class A common stock and Class B common stock as a single class; *provided, however,* that shares of one such class may receive different or disproportionate distributions or payments in connection with such merger, consolidation or other transaction if (i) the only difference in the per share distribution to the holders of the Class A common stock and Class B common stock is that any securities distributed to the holder of a share Class B common stock have ten times the voting power of any securities distributed to the holder of a share of Class A common stock, or (ii) such merger, consolidation or other transaction is approved by the affirmative vote (or written consent if action by written consent of stockholders is permitted at such time under our Certificate of Incorporation) of the holders of a majority of the outstanding shares of Class A common stock and Class B common stock, each voting separately as a class.

Conversion

The outstanding shares of Class B common stock are convertible at any time as follows: (1) at the option of the holder, a share of Class B common stock may be converted at any time into one share of Class A common stock or (2) upon the election of the holders of a majority of the then outstanding shares of Class B common stock, all outstanding shares of Class B common stock may be converted into shares of Class A common stock. Once converted into Class A common stock, the Class B common stock will not be reissued.

Preferred Stock

Our certificate of incorporation currently authorizes the issuance of 10 million shares of blank check preferred stock. No shares of our preferred stock are being issued in this offering. The blank check preferred stock may be issued in the future by our board of directors, without stockholder approval, with such designation, rights and preferences as it may be determined from time to time. Accordingly, such preferred stock could adversely affect the voting power or other rights of the holders of common stock.

Class W Warrants

Each outstanding Class W warrant entitles the registered holder to purchase one share of our Class A common stock at a price of \$7.50 per share, subject to adjustment as discussed below. Each warrant is exercisable at any time through June 30, 2021 at 5:00 p.m., New York City time.

If our Class A common stock is traded, listed or quoted on any U.S. market or electronic exchange, and the closing per-share sales price of the Class A common stock for any twenty (20) trading days during a consecutive thirty (30) trading days period (the "Measurement Period") exceeds \$15.00 (subject to adjustment for forward and reverse stock splits, recapitalizations, stock dividends and the like), then we may call for cancellation of all or any portion of the Class W warrants for which a notice of exercise has not yet been delivered to us for consideration equal to \$.01 per Class W warrant, in accordance with the provisions of the Class W warrants. Notwithstanding anything to the contrary, we shall not make a call of the Class W warrants prior to January 31, 2018.

The right to exercise will be forfeited unless the Class W warrants are exercised prior to the date specified in the call notice. On and after the call date, a record holder of a warrant will have no further rights except to receive the call price for such holder's warrant upon surrender of such warrant.

The criteria for calling our Class W warrants for consideration have been established at a price which is intended to provide warrant holders a reasonable premium to the initial exercise price and provide a sufficient differential between the then-prevailing share price and the warrant exercise price so that if the share price declines as a result of our call, the call will not cause the share price to drop below the exercise price of the Class W warrants.

If the resale of the Class A common stock issuable upon exercise of the Class W warrants is not covered by an effective registration statement or an exemption from registration (a) at the time of a call by us of the Class W warrants as described above, (b) at any time the Class A common stock is traded, listed or quoted on a U.S. trading market or electronic exchange or (c) after January 31, 2018, the holders of the Class W warrants shall be afforded cashless exercise rights as further described in the Class W warrants. In such event, each holder would pay the exercise price by surrendering the Class W warrants for that number of shares of common stock equal to the quotient obtained by dividing (x) the product of the number of shares of Class A common stock underlying the Class W warrants, multiplied by the difference between the exercise price of the Class W warrants and the "fair market value" (defined below) by (y) the fair market value. The "fair market value" for this purpose will mean the average reported last sale price of the shares of common stock for the ten trading days ending on the trading day prior to the date of exercise.

The exercise price and number of shares of Class A common stock issuable on exercise of the Class W warrants may be adjusted in certain circumstances including in the event of a share dividend, extraordinary dividend or our recapitalization, reorganization, merger or consolidation. However, the Class W warrants will not be adjusted for issuances of shares of any equity or equity based securities at a price below their respective exercise prices.

The Class W warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price, by certified or official bank check or wire transfer payable to us, for the number of Class W warrants being exercised. The warrant holders do not have the rights or privileges of holders of shares of common stock and any voting rights until they exercise their Class W warrants and receive shares of Class A common stock. After the issuance of shares of common stock upon exercise of the Class W warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders.

No fractional shares will be issued upon exercise of the Class W warrants. If, upon exercise of the Class W warrants, a holder would be entitled to receive a fractional interest in a share, we will, upon exercise, round up to the nearest whole number the number of shares of Class A common stock to be issued to the warrant holder.

Any Class W warrants purchased in the open market will be re-issued in name of the buyer in registered form under a warrant agreement between Continental Stock Transfer & Trust Co., Inc. (“Continental”), as warrant agent, and us. The warrant agreement provides that the terms of the Class W warrants may be amended without the consent of any holder solely to cure any ambiguity or correct any defective provision.

Class Z Warrants

Each outstanding Class Z warrant entitles the registered holder to purchase one share of our Class A common stock at a price of \$12.00 per share, subject to adjustment as discussed below. Each warrant is exercisable at any time through June 30, 2022 at 5:00 p.m., New York City time.

If our Class A common stock is traded, listed or quoted on any U.S. market or electronic exchange, and the closing per-share sales price of the Class A common stock for any twenty (20) trading days during a consecutive thirty (30) trading days period (the “Measurement Period”) exceeds \$18.00 (subject to adjustment for forward and reverse stock splits, recapitalizations, stock dividends and the like), then we may call for cancellation of all or any portion of the Class Z warrants for which a notice of exercise has not yet been delivered to us for consideration equal to \$.01 per Class Z warrant, in accordance with the provisions of the Class Z warrants. Notwithstanding anything to the contrary, we shall not make a call of the Class Z warrants prior to January 31, 2018.

The right to exercise will be forfeited unless the Class Z warrants are exercised prior to the date specified in the call notice. On and after the call date, a record holder of a warrant will have no further rights except to receive the call price for such holder’s warrant upon surrender of such warrant.

The criteria for calling our Class Z warrants for consideration have been established at a price which is intended to provide warrant holders a reasonable premium to the initial exercise price and provide a sufficient differential between the then-prevailing share price and the warrant exercise price so that if the share price declines as a result of our call, the call will not cause the share price to drop below the exercise price of the Class Z warrants.

If the resale of the Class A common stock issuable upon exercise of the Class Z warrants is not covered by an effective registration statement or an exemption from registration (a) at the time of a call by us of the Class Z warrants as described above, (b) at any time the Class A common stock is traded, listed or quoted on a U.S. trading market or electronic exchange or (c) after January 31, 2018, the holders of the Class Z warrants shall be afforded cashless exercise rights as further described in the Class Z warrants. In such event, each holder would pay the exercise price by surrendering the Class Z warrants for that number of shares of common stock equal to the quotient obtained by dividing (x) the product of the number of shares of Class A common stock underlying the Class Z warrants, multiplied by the difference between the exercise price of the Class Z warrants and the “fair market value” (defined below) by (y) the fair market value. The “fair market value” for this purpose will mean the average reported last sale price of the shares of common stock for the ten trading days ending on the trading day prior to the date of exercise.

The exercise price and number of shares of Class A common stock issuable on exercise of the Class Z warrants may be adjusted in certain circumstances including in the event of a share dividend, extraordinary dividend or our recapitalization, reorganization, merger or consolidation. However, the Class Z warrants will not be adjusted for issuances of shares of any equity or equity based securities at a price below their respective exercise prices.

The Class Z warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price, by certified or official bank check or wire transfer payable to us, for the number of Class Z warrants being exercised. The warrant holders do not have the rights or privileges of holders of shares of common stock and any voting rights until they exercise their Class Z warrants and receive shares of Class A common stock. After the issuance of shares of common stock upon exercise of the Class Z warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders.

No fractional shares will be issued upon exercise of the Class Z warrants. If, upon exercise of the Class Z warrants, a holder would be entitled to receive a fractional interest in a share, we will, upon exercise, round up to the nearest whole number the number of shares of Class A common stock to be issued to the warrant holder.

Term Notes

As of June 20, 2017, we had outstanding approximately \$4.1 million principal amount of our Term Notes. The principal of the Term Notes (including all accrued, but unpaid interest thereon) was originally payable by us on the earlier of (a) June 30, 2017 and (b) the third business day following consummation of (i) an initial public offering (including this offering) and (ii) any future equity offering (other than as a result of the exercise of our Class W warrants) resulting in gross proceeds to us of at least \$7.0 million (such earlier date, the “Term Notes Original Maturity Date”).

In June 2017, we requested that the holders of our Term Notes extend the maturity date thereof to the earlier of (a) July 31, 2017 and (b) the date that is three business days following the consummation of the initial closing of the IPO (such earlier date, the “Term Notes Extended Maturity Date”). As of the date of this offering circular, all holders (100%) of the Term Notes have agreed to the Term Notes Extended Maturity Date. In connection with the extension, we offered all holders of our Term Notes the opportunity to purchase shares of our Class A common stock at \$9.00 per share (with three Class Z warrants also being issued to them for each ten shares purchased) through the payment of cash or conversion of principal under their Term Notes. As of the date of this offering circular, holders of \$0.9 million aggregate principal amount of the Term Notes, including three of our executive officers, have elected to convert such principal amount into an aggregate of 102,060 shares of Class A common stock and 30,618 Class Z warrants. As of the date of this offering circular, a total of \$4.1 million principal amount of the Term Notes remains due on the Term Notes Extended Maturity Date.

The Term Notes bear interest at the rate of 5% per annum. Interest is payable in cash monthly in arrears on the basis of a 365-day year and actual days elapsed.

The Term Notes rank *pari passu* with our existing senior secured debt, including the Credit Facility, and senior to any of our other existing or future indebtedness. The Term Notes are secured by a first priority security interest and lien in all of our tangible and intangible assets.

We may repay the Term Notes at any time prior to their maturity date, at our election and without notice to the holders thereof, by paying the holder 101% of the then outstanding aggregate principal of the Term Notes, together with all interest accrued and unpaid thereon through the date of such payment.

Dividends

We have not paid any cash dividends on our shares of Class A common stock to date. The payment of cash dividends on our shares of Class A common stock in the future will be entirely within the discretion of our board of directors and will be dependent upon our revenue and earnings, if any, capital requirements and general financial condition as well as the limitations on dividends and distributions that exist under the laws and regulations of the State of Delaware. It is the present intention of our board of directors to retain all earnings, if any, for use in our business operations and, accordingly, our board of directors does not anticipate declaring any dividends in the foreseeable future.

Exchange Act Registration

We will seek to have our Class A common stock registered under Section 12(b) if the Securities Exchange Act of 1934, as amended, concurrently with the qualification with the Commission of the offering statement of which this offering circular is a part.

Our Transfer Agent and Warrant Agent

The transfer agent for our securities and the warrant agent for our Class W warrants is Continental.

Listing of Our Securities

Prior to this offering, there has been no public market for our common stock. We have applied to have our Class A common stock listed on the Nasdaq Global Market under the symbol CSSE no later than the final closing of this offering. If our Class A common stock is not approved for listing on the Nasdaq Global Market, we expect our Class A common stock will be listed on the Nasdaq Capital Market. We currently meet the financial listing requirements for the Nasdaq Capital Market. Giving effect to the sale of all of the Shares and at least 220,000 Additional Shares in the offering, we expect we will meet the financial listing requirements for the Nasdaq Global Market.

Certain Anti-Takeover Provisions of our Certificate of Incorporation and By-Laws

Special meeting of stockholders

Our bylaws provide that special meetings of our stockholders may be called only by a majority vote of our board of directors, or by our chairman and chief executive officer or by our secretary at the request in writing of stockholders owning a majority of our issued and outstanding capital stock entitled to vote.

Advance notice requirements for stockholder proposals and director nominations

Our bylaws provide that stockholders seeking to bring business before our annual meeting of stockholders, or to nominate candidates for election as directors at our annual meeting of stockholders must provide timely notice of their intent in writing. To be timely, a stockholder's notice will need to be delivered to our principal executive offices not later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the scheduled date of the annual meeting of stockholders. In the event that less than 70 days' notice or prior public disclosure of the date of the annual meeting of stockholders is given, a stockholder's notice shall be timely if delivered to our principal executive offices not later than the 10th day following the day on which public announcement of the date of our annual meeting of stockholders is first made or sent by us. Our bylaws also specify certain requirements as to the form and content of a stockholders' meeting. These provisions may preclude our stockholders from bringing matters before our annual meeting of stockholders or from making nominations for directors at our annual meeting of stockholders.

Dual Voting Structure

Our certificate of incorporation provides for two classes of common stock. Holders of shares of Class A common stock and Class B common stock have substantially identical rights, except that holders of shares of Class A common stock are entitled to one vote per share and holders of shares of Class B common stock are entitled to ten votes per share. Holders of shares of Class A common stock and Class B common stock vote together as a single class on all matters (including the election of directors) submitted to a vote of stockholders, unless otherwise required by law. Accordingly, the holders of shares of Class B common stock will exert significant control over our actions.

Removal and Appointment of Directors

Our entire board of directors or any individual director may be removed from office with or without cause by a majority vote of the holders of the outstanding voting power of the shares then entitled to vote at an election of directors. In such case, new directors may be elected by the stockholders then holding a majority of our voting power. Immediately following this offering, our chairman and chief executive officer shall control the substantial majority of our voting power and therefore will be able to unilaterally exercise the foregoing rights.

Class B Approval Required for Charter Amendments

Any amendment to our certificate of incorporation requires the approval of the majority of the outstanding Class B common stock. This approval requirement is separate and in addition to any general stockholder approval that would be required under our certificate of incorporation and law.

Exclusive Forum Selection

Our certificate of incorporation requires, to the fullest extent permitted by law, that derivative actions brought in our name, actions against directors, officers and employees for breach of fiduciary duty and other similar actions may be brought only in the Court of Chancery in the State of Delaware and, if brought outside of Delaware, the stockholder bringing the suit will be deemed to have consented to service of process on such stockholder's counsel. Although we believe this provision benefits our company by providing increased consistency in the application of Delaware law in the types of lawsuits to which it applies, the provision may have the effect of discouraging lawsuits against our and officers.

Registration Rights

We have entered into an agreement with an affiliate of Mr. Rouhana and another stockholder of our company, pursuant to which these stockholders shall have the right to demand, on one occasion commencing one year from the date of this offering, that we register under the Securities Act the resale of the shares of Class A common stock issuable to them upon exchange of their Class B common stock ("Registrable Shares") if and only if the Registrable Shares cannot be freely sold by such holders without volume restrictions under Rule 144. In addition, these stockholders have certain "piggyback" registration rights with respect to certain registration statements filed by us after this offering. We will bear the expenses incurred in connection with the filing of any such registration statement.

We granted certain registration and related rights in connection with our 2016 Equity Private Placement and 2017 Equity Private Placement and Debt Private Placement. If we complete this offering and our Class A common stock is traded on a national stock exchange in the United States (a “Qualified IPO”), the shares of Class A common stock, Class W warrants and Class A common stock underlying the Class W warrants sold in the Equity Offerings and Debt Offering (collectively, the “Subject Securities”) shall be entitled to unlimited piggy-back registration rights, subject to underwriter approval, unless a resale exemption otherwise exists for the Subject Securities.

If we have not completed a Qualified IPO by June 30, 2017, or a public trading market has not otherwise then developed for the Subject Securities, we shall take commercially reasonable steps to enable public trading for such securities by filing such forms or documents reasonably necessary to facilitate such public trading.

Repurchases

We may seek to repurchase shares of our outstanding Class A common stock and Class B common stock from time to time in market or private transactions.

Lock-Up Agreements

After such time, the Company Lock-up will automatically end with respect to 1/24 of each class of the Company Securities owned by such holder on each monthly anniversary date of the expiration of the initial 18-month period.

We may elect to release any holder from its lock-up at any time or from time to time for any reason or no reason with respect to any or all of the Company Securities or any portion thereof. No such release shall be deemed to obligate us to grant any future releases to such holder or any other holder.

Agreements with the Joint Bookrunning Managers

Each of our unaffiliated holders, other than one non-management, non-affiliated holder of our Class B common stock, has entered into a lock-up agreement with the joint bookrunning managers that provides he, she or it will not sell, transfer or otherwise dispose of any Company Securities until after the 90th day following the day our Class A common stock commences to trade on Nasdaq; provided that sales of the Selling Stockholder Shares in this offering shall not be subject to this lock-up.

Each of the Insiders has entered into an agreement with the joint bookrunning managers pursuant to which he, she or it has agreed to not sell, transfer or otherwise dispose of any Company Securities for an initial period of 180 days following the date our Class A common stock commences to Trade on Nasdaq.

The joint bookrunning managers may elect to release any holder from its lock-up at any time or from time to time for any reason or no reason with respect to any or all of the Company Securities or any portion thereof. No such release shall be deemed to obligate the joint bookrunning managers to grant any future releases to such holder or any other holder.

In the event the joint booking running managers elect to release their lock-up with respect to any Company Securities held by any officer or director of our company, they will notify us of the impending release and will announce the impending release through a major news service at least two business days prior to the effective date of the release.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

Note 1 – The Company and Nature of Operations

Chicken Soup for the Soul Entertainment, Inc. (the “Company”) is a Delaware corporation formed on May 4, 2016. CSS Productions, LLC (“CSS Productions”), the Company’s predecessor and immediate parent company, was formed in December 2014 by Chicken Soup for the Soul, LLC (“CSS”), a publishing and consumer products company, and initiated operations in January 2015. The Company was formed to create a discrete entity focused on video content opportunities using the *Chicken Soup for the Soul* brand (the “Brand”). The Brand is owned and licensed to the Company by CSS. Chicken Soup for the Soul Holdings, LLC (“CSS Holdings”), is the parent company of CSS and the Company’s ultimate parent company.

The Company creates and distributes video content under the Brand. The Company has an exclusive, perpetual and worldwide license from CSS to create and distribute video content under the Brand (Notes 6 and 10).

In May 2016, pursuant to the terms of the contribution agreement among CSS, CSS Productions and the Company (the “CSS Contribution Agreement”), all video content assets (the “Subject Assets”) owned by CSS, CSS Productions and their CSS subsidiaries were transferred to the Company in consideration for its issuance to CSS Productions of 8,600,568 shares of the Company’s Class B common stock. Since the date of the CSS Contribution Agreement, CSS Production has transferred certain of these shares of Class B common stock to third parties in certain transactions (Note 8). Concurrently with the consummation of the CSS Contribution Agreement, certain rights to receive payments under certain agreements comprising part of the Subject Assets owned by Trema, LLC (“Trema”), a company principally owned and controlled by William J. Rouhana, Jr., the Company’s chairman and chief executive officer, were assigned to the Company under a contribution agreement (the “Trema Contribution Agreement”) in consideration for the Company’s issuance to Trema of 159,432 shares of our Class B common stock (Note 8).

Thereafter, CSS Productions’ operating activities substantially ceased and the Company continued the business operations of producing and distributing the video content.

Note 2 – Liquidity, Management’s Plans and Business Risks

In order to accomplish its business objectives, the Company has raised capital through debt and equity offerings as described in Notes 7 and 8, and continues to raise capital subsequent to December 31, 2016. Funds raised and to be raised through debt and equity offerings, cash generated from operations, and together with the availability of funds under the Secured Revolving Line of Credit (“Credit Facility”), should enable the Company to meet its working capital needs for at least the next twelve months. The Company’s ability to fund its longer term cash requirements is subject to multiple risks, many of which are beyond its control. Should additional funding be required, the Company may need to raise additional capital through the sale of equity or debt securities. Additional financing may not be available at all, or may only be available in amounts or on terms that may be unacceptable to the Company. Any failure to obtain additional financing may have a material adverse effect upon the Company’s ability to grow, and as such, could result in a substantial reduction in the planned scope of the Company’s operations.

Note 3 – Summary of Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

(a) The accompanying consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary. The consolidated financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”). All intercompany balances and transactions have been eliminated in consolidation.

(b) As described in Note 1, *The Company and Nature of Operations*, CSS Productions began operations during January 2015. CSS first contemplated commercially selling its video content during 2014, prior to the formation of CSS Productions in December 2014. As such, and in accordance with Staff Accounting Bulletin Topic 1 B, opening members’ deficit as of January 1, 2015 includes \$478,666 of pre-formation allocated expenses for the year ended December 31, 2014. The pre-formation allocated expenses were derived from the financial statements of CSS, based on allocations of costs incurred attributable to the development of the video content business prior to the formation of the Company.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

(c) As of December 31, 2016, the Company operates in one business segment, the production and distribution of video content, and currently operates solely in the United States. The Company is an early stage and emerging growth company and, as such, the Company is subject to all of the risks associated with early stage and emerging growth companies.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. The Company's significant estimates include those related to revenue recognition, accounts receivable allowances, intangible assets, share-based compensation expense, income taxes and programming costs. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with original maturities of three months or less and consist primarily of money market funds. Such investments are stated at cost, which approximates fair value.

Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase the comparability of fair value measurements, a three-tier fair value hierarchy, which prioritizes the inputs used in the valuation methodologies, is as follows:

Level 1—Valuations based on quoted prices for identical assets and liabilities in active markets.

Level 2—Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3—Valuations based on unobservable inputs reflecting our own assumptions. These valuations require significant judgment and estimates.

At December 31, 2016 and 2015, the fair value of the Company's financial instruments including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses and accrued programming costs, approximated their carrying value due to the short-term nature of these instruments.

Accounts Receivable

Accounts receivable are stated at the amounts management expects to collect. An allowance for doubtful accounts is recorded based on a combination of historical experience, aging analysis and information on specific accounts. Account balances are written off against the allowance after all means of collections have been exhausted and the potential for recovery is considered remote. Accounts are considered past due or delinquent based on contractual terms and how recently payments have been received. At December 31, 2016 and 2015, an allowance for uncollectible accounts was not considered necessary.

Programming Costs

Programming costs include the unamortized costs of completed, in-process, or in-development long-form and short-form video content. For video content, the Company's capitalized costs include all direct production and financing costs, capitalized interest when applicable, and production overhead.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

The costs of producing video content are amortized using the individual-film-forecast method. These costs are amortized in the proportion that current period's revenue bears to management's estimate of ultimate revenue expected to be recognized from each production.

For an episodic television series, the period over which ultimate revenue is estimated cannot exceed ten years following the date of delivery of the first episode, or, if still in production, five years from the date of delivery of the most recent episode, if later.

Programming costs are stated at the lower of amortized cost or estimated fair value. The valuation of programming costs is reviewed on a title-by-title basis, when an event or change in circumstances indicates that the fair value may be less than its unamortized cost and the valuation is based on a discounted cash flows ("DCF") methodology with assumptions for cash flows. Key inputs employed in the DCF methodology include estimates of a program's ultimate revenue and costs as well as a discount rate. The discount rate utilized in the DCF is based on the weighted average cost of capital of the Company plus a risk premium representing the risk associated with producing a particular program. The Company performs an annual impairment analysis for unamortized programming costs. An impairment charge is recorded in the amount by which the unamortized costs exceed the estimated fair value. Estimates of future revenue involve measurement uncertainties and it is therefore possible that reductions in the carrying value of programming costs may be required as a consequence of changes in management's future revenue estimates.

Included in cost of revenue in the consolidated statements of operations for 2016 and 2015, is amortization of programming costs totaling \$3,155,668 and \$646,295, respectively. There was no impairment charge recorded in 2016 and 2015.

Income Taxes

The Company was formed on May 4, 2016 as a Sub-Chapter C corporation for federal and state tax purposes. As such, the Company will file its first tax return for the year ended December 31, 2016. CSS Productions has elected to be treated as a partnership for federal and state income tax purposes and, accordingly, no provision is made for income taxes for the taxable income included in the Company's consolidated results of operations. CSS Productions has not been audited by the taxing authorities since its formation. If taxable income is adjusted as a result of an audit, then CSS Productions may be required to make distributions to satisfy its members' tax obligations. Any such distributions would not be made from, or be the responsibility of, the Company.

The Company records income taxes under the asset and liability method. Deferred tax assets and liabilities are recognized for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred taxes are also recognized for operating losses that are available to offset future taxable income. A valuation allowance is established, when necessary, to reduce deferred tax assets to the amount expected to be realized. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be realized or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

The Company accounts for uncertain tax positions in accordance with the authoritative guidance issued by the Financial Accounting Standards Board ("FASB") Accounting Standards Codification Topic 740 *Income Taxes*, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return, should be recorded in the financial statements. Pursuant to the authoritative guidance, the Company may recognize the tax benefit from an uncertain tax position only if it meets the "more likely than not" threshold that the position will be sustained on examination by the taxing authority, based on the technical merits of the position or expiration of statutes. The tax benefits recognized in the financial statements from such a position should be measured based on the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. In addition, the authoritative guidance addresses de-recognition, classification, interest and penalties on income taxes, accounting in interim periods, and also requires increased disclosures. The Company includes interest and penalties related to its uncertain tax positions as part of income tax expense within its consolidated statement of operations. At December 31, 2016 and 2015, the Company did not have any unrecognized tax benefits or liabilities. See Note 9 *Income Taxes* for additional information.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. If the sum of the expected future cash flows, undiscounted and without interest, is less than the carrying amount of the asset, an impairment loss is recognized as the amount by which the carrying amount of the asset exceeds its fair value.

Revenue Recognition

The Company recognizes revenue from the production and distribution of television programs and short-form video content in accordance with Accounting Standards Codification Topic 926: *Entertainment – Films* (“ASC 926”) as amended. Revenue is recognized when persuasive evidence of an arrangement exists, the fee is fixed and determinable, delivery has occurred, and collection of the resulting receivable is deemed probable. For episodic television programs, revenue is recognized as each episode becomes available for delivery or becomes available for broadcast, and for short-form online videos, revenue is recognized when the videos are posted to a website for viewing. Revenue from the distribution of short-form online media content is included in online revenue in the accompanying consolidated statements of operations.

Revenue generated under the distribution agreement with A Plus (See Note 10) will be reported on the net basis as the Company earns a commission on the distribution of A Plus’ content.

Cash advances are recorded as deferred revenue until all the conditions of revenue recognition have been met.

For the year ended December 31, 2015, the Company received a \$75,000 non-refundable deposit pursuant to an option agreement for a feature film, which is included in television revenue in the consolidated statement of operations. The option agreement has expired.

Share-based Payments

The Company accounts for share-based payments in accordance with ASC 718: Share-based compensation, which establishes the accounting for transactions in which an entity exchanges its equity instruments for goods or services. Under the provisions of the authoritative guidance, share-based compensation expense is measured at the grant date, based on the fair value of the award, and is recognized as an expense over the requisite service period, net of estimated forfeitures. Shares issued for services are based upon current selling prices of the Company’s Class A common stock or independent valuations. The Company estimates the fair value of share-based instruments, options, etc., using the Black-Scholes option-pricing model. For the year ended December 31, 2016, share-based awards were issued to a former officer of the Company, non-employee directors and individuals for services rendered and were recorded at their fair value. All share-based awards were fulfilled with new shares of Class A common stock.

Advertising Costs

Advertising costs are expensed as incurred. The Company did not incur any advertising costs for the years ending December 31, 2016 and 2015.

Earnings Per Share

Basic earnings or loss per common share is computed based on the weighted average number of shares of all classes of common stock outstanding. Diluted earnings per common share is computed based on the weighted average number of common shares outstanding increased by dilutive common stock equivalents, comprised of Class W Warrants outstanding (the “Warrant Shares”).

Basic and diluted net earnings or loss per common share assumes that Class B common stock of the Company issued pursuant to the Contribution Agreement and the resulting recapitalization of the Company is issued and outstanding for all periods presented (as of January 1, 2015). See Notes 1 and 8. As a result, the basic weighted average shares outstanding used in the computation is 8,835,930 and 8,760,000 for the year ended December 31, 2016 and 2015, respectively.

For the year ended December 31, 2016, diluted weighted average shares outstanding gives effect to the Warrant Shares issued between May 2016 and December 2016, as if they were issued and outstanding on January 1, 2016.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

In applying the treasury stock method, the Company assumed a share price of \$12 per share based on the estimated offering price of its Class A common stock. As a result, 160,706 incremental shares were added to the weighted average basic shares outstanding to arrive at 8,996,636 weighted average diluted shares outstanding for the year ended December 31, 2016. No Class W Warrants were issued and outstanding for the year ended December 31, 2015.

Concentration of Credit Risk

The Company maintains cash balances at its bank. Accounts for each entity are insured by the Federal Deposit Insurance Corporation subject to certain limitations. At various times during the fiscal year, the Company's cash in bank balances exceeded the federally insured limits. The uninsured balance is immaterial.

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash in bank, revenue and accounts receivable. Concentrations of credit risk with respect to accounts receivable and revenue are significant due to the small number of customers comprising the Company's customer base.

For the year ended December 31, 2016, the Company had three customers that accounted for 94% of total revenue (the largest of which accounted for 46%), and for the year ended December 31, 2015, the Company had one customer that accounted for 95% of total revenue. As of December 31, 2016 and 2015, the Company had one customer in each year that accounted for all of its accounts receivable.

JOBS Act Accounting Election

The Company is an "emerging growth company," as defined in the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"). Under the JOBS Act, emerging growth companies can delay adopting new or revised accounting standards issued subsequent to the enactment of the JOBS Act until such time as those standards apply to private companies. The Company has irrevocably elected to avail itself of this exemption from new or revised accounting standards, and, therefore, will not be subject to the same new or revised accounting standards as public companies that are not emerging growth companies.

Recently Issued Accounting Pronouncements

(a) In May 2014, the FASB issued Accounting Standards Update ("ASU") 2014-09, "Revenue from Contracts with Customers (Topic 606)" ("ASU 2014-09"). ASU 2014-09 removes inconsistencies and differences in existing revenue requirements between GAAP and International Financial Reporting Standards ("IFRS") and requires a company to recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. Once effective, ASU 2014-09 can be applied retrospectively to each prior reporting period presented or retrospectively with the cumulative effect of initial adoption recognized at the date of initial application.

In March 2016, the FASB issued ASU 2016-08, "Revenue from Contracts with Customers (Topic 606): Principal versus Agent Considerations (Reporting Revenue Gross versus Net)" ("ASU 2016-08"). The amendments in ASU 2016-08 clarify the implementation guidance on principal versus agent considerations. In April 2016, the FASB issued ASU 2016-10, "Revenue from Contracts with Customers (Topic 606): Identifying Performance Obligations and Licensing" ("ASU 2016-10"). The amendments in ASU 2016-10 clarify aspects relating to the identification of performance obligations and improve the operability and understandability of the licensing implementation guidance. In May 2016, the FASB issued ASU 2016-12, "Update 2016-12—Revenue from Contracts with Customers (Topic 606): Narrow-Scope Improvements and Practical Expedients" ("ASU 2016-12"). The amendments in ASU 2016-12 address certain issues identified on assessing collectability, presentation of sales taxes, noncash consideration, and completed contracts and contract modifications at transition. The effective date for all ASUs noted above for public companies is annual and interim reporting periods beginning after December 15, 2017. For private companies, the effective date is annual and interim periods beginning after December 15, 2018. The Company is currently evaluating the impact these ASUs will have on its consolidated financial statements.

(b) In January 2016, the FASB issued ASU 2016-01, “Financial Instruments—Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities” (“ASU 2016-01”). The amendments in ASU 2016-01 address certain aspects of recognition, measurement, presentation and disclosure of financial instruments. ASU 2016-01 is effective for the Company for annual and interim reporting periods beginning after December 15, 2017. The Company is currently evaluating the impact ASU 2016-01 will have on its consolidated financial statements.

(c) In February 2016, the FASB issued ASU 2016-02, “Leases” (Topic 842) (“ASU 2016-02”). The amendments in ASU 2016-02 address certain aspects in lease accounting, with the most significant impact for lessees. The amendments in ASU 2016-02 require lessees to recognize all leases on the balance sheet by recording a right-of-use asset and a lease liability, and lessor accounting has been updated to align with the new requirements for lessees. The new standard also provides changes to the existing sale-leaseback guidance. ASU 2016-02 is effective for the Company for annual and interim reporting periods beginning after December 15, 2019. The Company is currently evaluating the impact ASU 2016-02 will have on its consolidated financial statements.

(d) In March 2016, the FASB issued ASU 2016-09, “Compensation—Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting” (“ASU 2016-09”). The amendments in ASU 2016-09 address several aspects of the accounting for share-based payment transactions, including the income tax consequences, classification of awards as either equity or liabilities, and classification on the statement of cash flows. ASU 2016-09 is effective for the Company for annual and interim reporting periods beginning after December 15, 2017. The Company is currently evaluating the impact ASU 2016-09 will have on its consolidated financial statements.

Note 4 – Episodic Television Programs

(a) In September 2014, CSS and a charitable foundation (the “Foundation”), on whose advisory board the Company’s chief executive officer sits, entered into an agreement under which the Foundation agreed to sponsor a Saturday morning family television show (See Note 10, *Related Party Transactions*). The Foundation is a not-for-profit charity that promotes tolerance, compassion and respect. In October 2015, the first season of *Chicken Soup for the Soul’s Hidden Heroes* (“*Hidden Heroes*”), a half-hour hidden-camera family friendly show, premiered on the CBS Television Network (“CBS”). The *Hidden Heroes* slate is comprised of 26 episodes (22 originals and four “best ofs”) that aired weekly in its initial season of 52 consecutive weekly time slots (“HH-1”). At December 31, 2016, *Hidden Heroes* is airing its second season on CBS, sponsored by the Foundation (“HH-2”). The Foundation has agreed to fund *Hidden Heroes* for a third, 26-episode/52-week season, with possible commitments for up to two additional seasons thereafter.

In accordance with ASC 926, the Company recognizes revenue for the *Hidden Heroes* series as the episodes become available for delivery and broadcast. For the year ended December 31, 2016, 13 original episodes of HH-1 and 11 original episodes of HH-2 either aired on CBS or the content was available for broadcast. For the year ended December 31, 2015, nine original episodes of HH-1 aired on CBS or the content was available for broadcast.

In December 2014, CSS Productions entered into a co-production and distribution agreement with Litton Entertainment (“Litton”) whereby Litton provided all co-production services for HH-1 for a turn-key fee (the “Co-Production Fee”). The Co-Production fee was payable to Litton, based on the completion and delivery of the episodes. In addition, Litton agreed to make available within its Saturday morning programming block on CBS, time slots approved by CSS Productions to air HH-1. In April 2016, Litton exercised its option to produce HH-2 under similar terms and conditions as HH-1. Litton has an option, if the Company agrees, to extend the *Hidden Heroes* series, including spin-off’s, for additional seasons.

(b) In September 2015, CSS Productions received corporate sponsorship funding from a company (the “Sponsor”), to develop the Company’s second episodic television series entitled *Project Dad, a Chicken Soup for the Soul Original* (“*Project Dad*”). *Project Dad* presents three busy celebrity dads as they put their careers on the “sidelines” and get to know their children like never before.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

The *Project Dad* slate is comprised of eight, one-hour episodes that aired weekly on Discovery Communications, LLC's Discovery Life network in November and December 2016. In addition, in January 2017, *Project Dad* began airing on Discovery Communications, LLC's TLC network. The Sponsor of *Project Dad* has agreed to fund a different parenting series, which is expected to air in the fourth quarter of 2017.

In May 2016, the Company's wholly owned subsidiary, BD Productions, LLC, entered into a production services agreement with BD Productions, Inc., a wholly owned subsidiary of DB Goldline Entertainment, Inc. ("BD Inc."), whereby BD Inc. would produce eight one-hour episodes to be included in the *Project Dad* series.

The production services agreement requires periodic payments to BD Inc. based on the production services budget for the show.

Note 5 – Programming Costs

Programming costs, net of amortization, consists of the following:

	December 31,	
	2016	2015
Released, net of accumulated amortization of \$3,801,963 and \$646,295 in 2016 and 2015, respectively	\$ 3,228,440	\$ 688,576
In production	100,000	104,614
In development	649,113	157,879
	\$ 3,977,553	\$ 951,069

The Company expects that approximately 14% or \$571,000 of the above programming costs will be amortized during the year ending December 31, 2017. The Company expects that 80% of the unamortized balance for released programming, or \$2,583,000, will be amortized during the three years ending December 31, 2019. See Note 11, *Commitments and Contingencies*.

Note 6 – Intangible Asset - Video Content License

The Company has been granted a perpetual, exclusive license from CSS to utilize the Brand and related content, for visual exploitation on a worldwide basis ("Perpetual License"). In granting the Perpetual License, CSS required an initial purchase price of \$5,000,000, which approximated its costs to CSS, and was paid by the Company during 2016. The Company has recorded the initial purchase price of the Perpetual License at the estimated cost to CSS in its consolidated balance sheet. See Note 10, *Related Party Transactions*.

Note 7 – Notes Payable and Secured Revolving Line of Credit

Notes Payable

Beginning in July 2016 and through December 31, 2016, the Company sold in a private placement ("Debt Private Placement") \$2,970,000 aggregate principal amount of 5% senior secured term notes (the "Term Notes") and Class W warrants to purchase an aggregate of 252,450 shares of Class A common stock (the "Warrants").

The principal of the Term Notes (including all accrued, but unpaid interest thereon) is due on the earlier of (a) June 30, 2017 or (b) the third business day following consummation of (i) an initial public offering of the Company's common stock or (ii) mandatorily repaid at 101% of par value from any future equity offering (other than as a result of the exercise of the Warrants) resulting in gross proceeds of at least \$7,000,000.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

The Term Notes rank *pari passu* with the Credit Facility and senior to any existing or future indebtedness of the Company. The Term Notes are secured by a first priority security interest and lien in all tangible and intangible assets of the Company, subject to an intercreditor agreement with respect to the Credit Facility.

The Warrants are exercisable at \$7.50 per share at any time prior to June 30, 2021 and are accounted for as equity warrants. The Warrants are callable under certain circumstances, but in no event prior to January 31, 2018.

The Term Notes and the Warrants are accounted for in accordance with Accounting Standards Codification Topic 470: *Debt* (“ASC 470”) which provides, among other things, that the fair value is allocated between the debt and the related warrants. The fair value of the Warrants issued was determined to be \$679,894 using the Black-Scholes option-pricing model and the relative fair value of the warrants was recorded as a discount to the Term Notes with a corresponding credit to additional paid-in capital. In determining the fair value the following assumptions were used from the date of issuance of the Warrants:

- a term range of 4.56 years to 4.98 years,
- a risk free interest rate range of .97% to 1.90%.
- expected volatility of 60%, and
- no expected dividend yield.

For the year ended December 31, 2016, amortization of the debt discount of \$234,201, amortization of deferred financing costs of \$37,304, and cash interest expense paid on the Term Notes of \$50,727 is included in interest expense in the accompanying consolidated statement of operations.

Officers of the Company and of CSS, and their family members, have participated in the Debt Private Placements on the same terms and conditions as other investors (see Note 10, “*Related Party Transactions*”). In addition, the Company continued to sell the Debt Private Placement subsequent to December 31, 2016 (see Note 12, “*Subsequent Events*”).

Secured Revolving Line of Credit

On May 12, 2016, the Company entered into the Credit Facility with an entity controlled by its chief executive officer (the “Lender”). Under the original terms of the Credit Facility, the Company could borrow up to an aggregate of \$3,000,000, which was increased to \$3,500,000 on December 12, 2016 pursuant to an amendment (“Amendment 1”). Payment obligations under the Credit Facility are senior and secured by a first priority security interest in all assets of the Company subject to the intercreditor agreement with the Term Noteholders.

Advances made under the Credit Facility can be used for working capital and general corporate purposes, and were used in part, for payments due to CSS pursuant to the license agreement (Note 10). Borrowings under the Credit Facility bear interest at 5% per annum and an annual fee equal to 0.75% of the unused portion of the Credit Facility, payable monthly in arrears in cash. Principal obligations (and all accrued but unpaid interest thereon) was due on the earlier of (a) June 30, 2017 or (b) the third business day following consummation of (i) an initial public offering of the Company’s common stock and (ii) any future debt or equity offering resulting in gross proceeds to the Company of at least \$7,000,000 (“Maturity Date”).

On January 24, 2017, the Maturity Date criteria was extended to June 30, 2018 by amendment (“Amendment 2”) to the Credit Facility and the requirement for repayment upon the initial public offering of the Company’s common stock or an equity offering resulting in gross proceeds to the Company of at least \$7,000,000, was eliminated. The Credit Facility was further increased by amendment to \$4,500,000 on March 27, 2017 (“Amendment 3”). See Note 12, “*Subsequent Events*.”

If payment obligations under the Credit Facility are still outstanding at the Maturity Date, or, if prior to the Maturity Date there is an event of default as prescribed by the Credit Facility, then, at the option of the Company, (a) all principal and interest may be exchanged into shares of Class A common stock of the Company on the same terms as the Company’s most recently completed equity financing, provided, that under no circumstances shall the pre-money valuation used for this exchange be less than \$52,560,000, (b) the Maturity Date of the Credit Facility may be extended by mutual agreement of the parties, and (c) all principal and interest will be paid in full. In connection with the Credit Facility, on May 12, 2016, the Company issued Class W warrants (the “Warrants”) to the Lender to purchase an aggregate of 105,000 shares of the Company’s Class A common stock at an exercise price of \$7.50 per share.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

On December 12, 2016, pursuant to Amendment 1, which increased the amount of the Credit Facility to \$3,500,000, the Company issued an additional 17,500 Warrants to the Lender. On March 27, 2017, pursuant to Amendment 3, which increased the amount of the Credit Facility to \$4,500,000, the Company issued an additional 35,000 Warrants to the Lender.

All Warrants issued to the Lender expire on May 12, 2021 and are accounted for as equity warrants.

The Credit Facility and the related Warrants are accounted for in accordance with ASC 470 which provides, among other things, that the fair value is allocated between the debt and the related warrants. The fair value of the Warrants issued during 2016 was determined to be \$340,375 using the Black-Scholes option-pricing model and the relative fair value of the warrants was recorded as a discount to the Credit Facility with a corresponding credit to additional paid-in capital. In determining the fair value the following assumptions were used from the date of issuance of the Warrants:

- a term range of 4.55 years to 5.00 years,
- a risk free interest rate range of 1.22% to 1.90%.
- expected volatility of 60%, and
- no expected dividend yield.

For the year ended December 31, 2016, amortization of the debt discount of \$149,511, amortization of deferred financing costs of \$3,555 and cash interest expense paid on the Credit Facility of \$81,703 is included in interest expense in the accompanying consolidated statement of operations. As of December 31, 2016, the balance payable by the Company under the Credit Facility was \$3,480,000.

Note 8 – Stockholders’ Equity and Members’ Deficit

(a) Equity Structure

The Company is authorized to issue 70,000,000 shares of Class A common stock, par value \$.0001 (“Class A Stock”), 20,000,000 shares of Class B common stock, par value \$.0001 (“Class B Stock”), and 10,000,000 shares of preferred stock, par value \$.0001. As of December 31, 2016, the Company has 893,369 shares of Class A Stock outstanding, 8,071,955 shares of Class B Stock outstanding and no shares of preferred stock outstanding. A general description of these securities is as follows:

Common Stock

Holders of Class A Stock and Class B Stock have identical voting rights, except that holders of Class A Stock are entitled to one vote per share and holders of Class B Stock are entitled to ten votes per share. Class A Stock and Class B Stock vote together as a single class on all matters (including the election of directors) submitted to a vote of stockholders, unless otherwise required by law or our charter documents. There is no cumulative voting with respect to the election of directors, with the result that the holders of more than 50% of the shares voted for the election of directors can elect all of the directors.

Holders of Class A Stock and Class B Stock shall be treated equally, identically and ratably, on a per share basis, with respect to any dividends or distributions as may be declared and paid from time to time by the board of directors out of any assets legally available thereof. Holders of common stock of the Company are not entitled to preemptive rights and are not subject to conversion, redemption or sinking fund provisions.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

Subject to preferential or other rights of any holders of preferred stock then outstanding, upon the dissolution, liquidation or winding up of the Company, whether voluntary or involuntary, holders of Class A Stock and Class B Stock will be entitled to receive ratably all assets of the Company available for distribution to its stockholders unless disparate or different treatment of the shares with respect to distributions upon any such liquidation, dissolution or winding up is approved in advance by the affirmative vote (or written consent if action by written consent of stockholders is permitted at such time under the Company's Certificate of Incorporation) of the holders of a majority of the outstanding Class A Stock and Class B Stock, each voting separately as a class.

In the case of a merger or consolidation that results in any distribution or payment in respect of the shares of Class A Stock or Class B Stock upon such consolidation or merger with or into any other entity, or in the case of any other transaction having an effect on stockholders substantially similar to that resulting from a consolidation or merger, such distribution or payment shall be made ratably on a per share basis among the holders of Class A Stock and Class B Stock as a single class; provided, however, that shares of one such class may receive different or disproportionate distributions or payments in connection with such merger, consolidation or other transaction if (i) the only difference in the per share distribution to the holders of the Class A Stock and Class B Stock is that any securities distributed to the holder of a share of Class B Stock have ten times the voting power of any securities distributed to the holder of a share of Class A Stock, or (ii) such merger, consolidation or other transaction is approved by the affirmative vote (or written consent if action by written consent of stockholders is permitted at such time under the Company's Certificate of Incorporation) of the holders of a majority of the outstanding shares of Class A Stock and Class B Stock, each voting separately as a class.

The outstanding shares of Class B Stock are convertible at any time as follows: (1) at the option of the holder, a share of Class B Stock may be converted at any time into one share of Class A Stock or (2) upon the election of the holders of a majority of the then outstanding shares of Class B Stock, all outstanding shares of Class B Stock may be converted into shares of Class A Stock. Once converted into Class A Stock, the Class B Stock will not be reissued.

Preferred Stock

The certificate of incorporation of the Company currently authorizes the issuance of 10,000,000 shares of blank check preferred stock. The blank check preferred stock may be issued in the future by the Company's board of directors, without stockholder approval, with such designation, rights and preferences as it may be determined from time to time. Accordingly, such preferred stock could adversely affect the voting power or other rights of the holders of common stock.

Class W Warrants

As of December 31, 2016, the Company has a total of 428,548 Class W warrants (the "Warrants") outstanding. Each Warrant entitles the registered holder to purchase one share of Class A Stock at a price of \$7.50 per share, subject to adjustment as discussed below. Each Warrant is exercisable at any time through June 30, 2021 at 5:00 p.m., New York City time.

If the Company's Class A Stock is traded, listed or quoted on any U.S. market or electronic exchange, and the closing per-share sales price of the Class A Stock for any twenty (20) trading days during a consecutive thirty (30) trading days period (the "Measurement Period") exceeds \$15.00 (subject to adjustment for forward and reverse stock splits, recapitalizations, stock dividends and the like), then the Company may call for cancellation of all or any portion of the Warrants for which a notice of exercise has not yet been delivered for consideration equal to \$.01 per Warrant, in accordance with the provisions of the Warrants. Notwithstanding anything to the contrary, we shall not make a call of the Warrants prior to January 31, 2018.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

If the resale of the Class A Stock issuable upon exercise of the Warrants is not covered by an effective registration statement or an exemption from registration (a) at the time of a call by the Company of the Warrants as described above, (b) at any time the Class A Stock is traded, listed or quoted on a U.S. trading market or electronic exchange or (c) after January 31, 2018, the holders of the Warrants shall be afforded cashless exercise rights as further described in the Warrant agreement. In such event, each holder would pay the exercise price by surrendering the Warrants for that number of shares of common stock equal to the quotient obtained by dividing (x) the product of the number of shares of Class A Stock underlying the Warrants, multiplied by the difference between the exercise price of the Warrants and the “fair market value” (defined below) by (y) the fair market value. The “fair market value” for this purpose will mean the average reported last sale price of the shares of common stock for the ten trading days ending on the trading day prior to the date of exercise.

The right to exercise will be forfeited unless the Warrants are exercised prior to the date specified in the notice of redemption. On and after the redemption date, a record holder of a Warrant will have no further rights except to receive the redemption price for such Warrant upon surrender thereof.

The redemption criteria for the Warrants has been established at a price which is intended to provide holders a reasonable premium to the initial exercise price and provide a sufficient differential between the then-prevailing share price and the warrant exercise price so that if the share price declines as a result of a redemption call, the redemption will not cause the share price to drop below the exercise price of the Warrants.

The exercise price and number of shares of Class A Stock issuable on exercise of the Warrants may be adjusted in certain circumstances including in the event of a share dividend, extraordinary dividend or our recapitalization, reorganization, merger or consolidation. However, the Warrants will not be adjusted for issuances of shares of Class A Stock at a price below their respective exercise prices. Holders of the Warrants do not have the rights or privileges of holders of shares of common stock or any voting rights until they exercise the Warrants and receive shares of Class A Stock. After the issuance of shares of common stock upon exercise of the Warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders. No fractional shares will be issued upon exercise of the Warrants. If, upon exercise of the Warrants, a holder would be entitled to receive a fractional interest in a share, we will, upon exercise, round up to the nearest whole number the number of shares of Class A Stock to be issued to the holder.

(b) Equity Private Placements

Beginning in June 2016 and through November, 2016, the Company sold in a private placement (the “2016 Equity Private Placement”) a total of 17,096 units with aggregate proceeds of \$1,025,760, consisting of an aggregate of 170,960 shares of Class A common stock and Warrants to purchase an aggregate of 51,288 shares of Class A common stock. The purchase price of each unit was \$60 and each unit consisted of 10 shares of Class A common stock and 3 Warrants exercisable at \$7.50 each. The Warrants are exercisable at any time prior to June 30, 2021 and are accounted for as equity warrants. The Warrants are callable under certain circumstances, but in no event prior to January 31, 2018.

Beginning in November 2016 and through December 31, 2016, the Company sold in a private placement (the “2017 Equity Private Placement”) a total of 770 units with aggregate proceeds of \$50,050 consisting of an aggregate of 7,700 shares of Class A common stock and Warrants to purchase an aggregate of 2,310 shares of Class A common stock. The purchase price of each unit was \$65 and each unit consisted of 10 shares of Class A common stock and 3 Warrants exercisable at \$7.50 each. The Warrants are exercisable at any time prior to June 30, 2021 and are accounted for as equity warrants. The Warrants are callable under certain circumstances, but in no event prior to January 31, 2018. The 2017 Equity Private Placement activity continued through March 2017 (See Note 12, “Subsequent Events”).

Family members of officers of the Company and of CSS have participated in the 2016 Equity Private Placement and the 2017 Equity Private Placement on the same terms and conditions as other investors (see Note 10, “*Related Party Transactions*”). In addition, the Company continued to sell the 2017 Equity Private Placement subsequent to December 31, 2016 (see Note 12, “*Subsequent Events*”).

(c) Contribution Agreements

As described in Note 1, on May 12, 2016, pursuant to the terms of the Contribution Agreement, all of the Subject Assets owned by CSS, CSS Productions and CSS affiliates were transferred to the Company in consideration for the issuance to CSS Productions of 8,600,568 shares of Class B common stock. Since the date of the CSS Contribution Agreement, CSS Productions has transferred certain of these shares of Class B common stock to third parties in certain transactions.

Concurrently with the consummation of the CSS Contribution Agreement, certain rights to receive payments under certain agreements comprising part of the Subject Assets owned by Trema, a company principally owned and controlled by William J. Rouhana, Jr., the Company's chairman and chief executive officer, were assigned to the Company under the Trema Contribution Agreement.

In October 2015, Trema acquired certain rights held by a third party relating to the Subject Assets. Among the rights acquired by Trema, was the right to receive contractual payments from CSS or its affiliates for a period of time. The contractual cash payments were based on a fixed percentage of revenue less direct operating expenses resulting from television and film activities of CSS. As a result, CSS Productions exchanged 1.82% of Class B membership interests to Trema in full satisfaction of its projected liability for the contractual payments (the "Class B Exchange"). As of December 31, 2015, the Class B membership interests included in the Class B Exchange was determined to have a fair value of \$792,000, based on an independent valuation of CSS Productions. As a result, the Company recorded share-based compensation expense during the year ended December 31, 2015 of \$792,000, which is included in selling, general and administrative expense in the accompanying consolidated statement of operations.

Concurrently with the consummation of the CSS Contribution Agreement, the rights held by Trema to the Subject Assets were assigned to the Company in consideration for the issuance of 159,432 shares of Class B common stock valued at \$792,000. Such Class B common stock has certain demand and piggyback registration rights with respect to these shares that would be effective only after an initial public offering of common stock by the Company.

(d) Members' Deficit and Equity Exchange

As described in Note 3, CSS Productions was formed in December 2014 and began operations in January 2015. During the period September 2014 through January 2015, CSS hired an individual to assist in developing a plan for the future of its television and film business, and based on that plan, to become a co-founder of CSS Productions (the "Co-Founder"). The related costs of the Co-Founder have been included in the costs allocated by CSS to pre-formation expenses and are included in opening members' deficit as of January 1, 2015.

On February 13, 2015, CSS Productions and CSS entered into an agreement with the Co-Founder whereby he became an executive officer ("EO") of CSS Productions. On that date, CSS Productions issued a Class B membership award (the "Founder Award") to the EO that contained provisions that required the EO to return certain amounts of the Founder Award if he left the Company prior to the completion of five years with CSS Productions. The Founder Award, if it had become fully earned, would have represented an aggregate of 10% profits interest in the CSS Productions, subject to future dilution along with CSS Productions.

Management determined that the Founder Award issued to the EO had minimal value when issued as the business plan had not been developed, CSS Productions had not as yet obtained the right to exploit the video content, and no material revenue had been recorded.

In July 2016, the EO and CSS Productions agreed that the EO's last day of employment would be July 31, 2016. As a result, the EO and the Company agreed that the EO would receive 50% of the Founder Award as severance even though he had not vested in any portion of the profits interest. Further, CSS agreed to exchange the 50% retained for Class B membership interests that CSS owned in CSS Productions.

Notes to Consolidated Financial Statements
December 31, 2016 and 2015

Effective July 31, 2016, the Company entered into an exchange agreement with the EO, in which he exchanged all membership interests in CSS Productions which had been issued to him by CSS, for 430,028 shares of the Company's Class B common stock then owned by CSS Productions. The EO simultaneously elected to convert the Class B common stock into a like number of shares of the Company's Class A common stock. There are certain piggyback registrations rights with respect to these shares that would be effective only after an initial public offering of common stock by the Company. The fair value of the shares was determined to be \$1,436,294 based on an independent valuation of the Company's shares and is included in selling, general and administrative expense in the statement of operations for the year ended December 31, 2016, with a corresponding credit to additional paid-in capital.

On September 30, 2015, CSS made a charitable donation of 6% of the membership interests it owned in CSS Productions to the Foundation. After this donation, CSS owned 94% of the Class A membership interests in CSS Productions. The Company's chairman and chief executive officer is a member of the Foundation's advisory board.

The components of deferred income tax assets and liabilities are as follows:

	December 31,	
	2016	2015
Deferred tax assets:		
Other liabilities	\$ 36,000	\$ -
Net operating loss carryover	481,000	-

Other assets	70,000	-
Total deferred tax liabilities	956,000	-
Net deferred tax liabilities	\$ 439,000	\$ -

The difference between the provision for income taxes computed at the federal statutory rate and the actual income tax provision is as follows:

	December 31,	
	2016	2015
Tax at federal statutory rate	34.0%	0.0%
State taxes, net of federal benefit	7.0%	0.0%
Tax on pre-incorporation income of predecessor	-14.5%	0.0%
Others, net	9.6%	0.0%
	36.1%	0.0%

The Company has net operating losses of approximately \$1,049,000 that expire in 2036. The ultimate realization of the net operating losses is dependent upon future taxable income, if any, of the Company and may be limited in any one period by alternative minimum tax rules.

Internal Revenue Code Section 382 imposes limitations on the use of net operating loss carryovers when the stock ownership of one or more 5% stockholders (stockholders owning 5% or more of the Company's outstanding capital stock) has increased by more than 50 percentage points. Public trading of company stock poses a risk of an ownership change beyond the control of the Company that could trigger a limitation of the use of the loss carryover.

Note 10 – Related Party Transactions

(a) Affiliate Resources and Obligations

For the year ended December 31, 2015, CSS Productions and CSS were parties to a management services agreement and a license agreement. During 2015, CSS Productions paid CSS 4% and 1%, respectively, pursuant to the management services and license agreement, based on actual cash revenue collected. For the year ended December 31, 2015, CSS paid \$278,750 to CSS Productions.

In May 2016, the Company entered into agreements with CSS and affiliated companies that provide the Company with access to important assets and resources as described below (the "2016 Agreements"). The 2016 Agreements include a management services agreement and a license agreement. A summary of the 2016 Agreements is as follows:

Management Services Agreement

The Company is a party to a Management Services Agreement with CSS (the "Management Agreement"). Under the terms of the Management Agreement, the Company is provided with the operational expertise of the CSS companies' personnel, including its chief executive officer.

Chicken Soup for the Soul Entertainment, Inc.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

The Management Agreement also provides that the Company receives other services, including accounting, legal, marketing, management, data access and back office systems, and requires CSS to provide office space and equipment usage.

Under the terms of the Management Agreement, commencing with the fiscal quarter ended March 31, 2016, the Company shall pay a quarterly fee to CSS equal to 5% of the gross revenue as reported under GAAP for each fiscal quarter. If the Company or its successor, then reports under the Securities Exchange Act of 1934, as amended (“Exchange Act”), the quarterly fee will be based on gross revenue as reported in the applicable public filing under the Exchange Act for each fiscal quarter. For the year ended December 31, 2016, CSS was paid \$405,932 by the Company.

Each quarterly amount due shall be paid on or prior to the later of the 45th day after the end of such quarter, or the 10th day after the filing of the applicable Exchange Act report for such quarter.

In addition, for any sponsorship that is arranged by CSS for the Company’s video content or that contains a multi-element transaction for which the Company receives a portion of such revenue and CSS receives the remaining revenue (for example, a transaction that relates to both video content and CSS’s printed products), the Company shall pay a sales commission to CSS equal to 20% of the portion of such revenue earned. Each sales commission shall be paid within 30 days of the end of the month in which received. If CSS actually collects the Company’s portion of such fee, CSS will remit the revenue due to the Company after deducting the sales commission. There were no sales commissions paid to CSS during the year ended December 31, 2016.

The term of the Management Agreement is five years, with automatic one-year renewals thereafter unless either party elects to terminate by delivering written notice at least 90 days prior to the end of the then current term. The Management Agreement is terminable earlier by either party by reason of certain prescribed and uncured defaults by the other party. The Management Agreement will automatically terminate in the event of the Company’s bankruptcy or a bankruptcy of CSS or if the Company no longer has licensed rights from CSS under the License Agreement described below.

License Agreement

The Company is a party to a trademark and intellectual property license agreement with CSS (the “License Agreement”). Under the terms of the License Agreement, the Company has been granted a perpetual, exclusive license to utilize the Brand and related content, such as stories published in the *Chicken Soup for the Soul* books, for visual exploitation worldwide, subject only to the rights relating to scripted audio and visual content previously granted by CSS to Alcon Entertainment LLC (“Alcon”). The rights previously granted to Alcon have expired.

In consideration of the License Agreement, in May 2016 the Company paid to CSS a one-time license fee of \$5,000,000, comprised of a \$1,500,000 cash payment and the concurrent issuance to CSS of the CSS License Note, having a principal amount of \$3,500,000 and bearing interest at 0.5% per annum (the “Note”). The Note provided that it could be prepaid at any time in the discretion of the Company. The Note was due on the earlier of (a) five business days after the date of written demand by CSS and (b) the third business day following the closing date of an initial public offering of the common stock of the Company. The Note was repaid in full by September 16, 2016. Included in interest expense in the accompanying consolidated statement of operations for the year ended December 31, 2016, is \$3,069 of interest paid to CSS while the Note was outstanding.

Under the terms of the License Agreement, commencing with the fiscal quarter ended March 31, 2016, the Company also pays an incremental recurring license fee to CSS equal to 4% of gross revenue as reported under GAAP for each fiscal quarter. If the Company or its successor then reports under the Exchange Act, the quarterly fee will be based on gross revenue as reported in the applicable public filing under the Exchange Act for each fiscal quarter. Each quarterly amount shall be paid on or prior to the later of the 45th day after the end of such quarter, or the 10th day after the filing of the applicable Exchange Act report for such quarter.

In addition, CSS shall provide marketing support for the Company's productions through its email distribution, blogs and other marketing and public relations resources. Commencing with the fiscal quarter ended March 31, 2016, the Company shall pay a quarterly fee to CSS equal to 1% of gross revenue as reported under GAAP for each fiscal quarter for such support. For the year ended December 31, 2016, CSS was paid \$405,932 by the Company.

If the Company or its successor then reports under the Exchange Act, the quarterly fee will be based on gross revenue as reported in the applicable public filing under the Exchange Act for each such fiscal quarter. Each quarterly amount shall be paid on or prior to the later of the 45th day after the end of such quarter, or the 10th day after the filing of the applicable Exchange Act report for such quarter.

(b) Distribution Agreement with A Plus

In September 2016, a wholly-owned subsidiary of CSS acquired a majority of the issued and outstanding common stock of A Sharp, Inc., d/b/a A Plus ("A Plus"). A Plus develops and distributes high quality, empathetic short-form videos and articles to millions of people worldwide. A Plus is a digital media company founded, chaired, and partially owned by actor and investor Ashton Kutcher. Mr. Kutcher owns 23%, third parties own 2%, and the CSS subsidiary owns 75% of A Plus.

Under the terms of the A Plus Distribution Agreement, the Company was obligated to pay A Plus an advance of \$3,000,000 by March 31, 2017 (the "A Plus Advance").

The Company is entitled to retain a net distribution fee of 30% (40% while any portion of the A Plus Advance remains outstanding) of gross revenue generated by the distribution of A Plus video content and 5% (15% while any portion of the A Plus Advance remains outstanding) of gross revenue generated by the distribution of A Plus editorial content. The Company recoups the A Plus Advance by retaining the portion of gross revenue otherwise payable by the Company to A Plus under the A Plus Distribution Agreement and applying same to the recoupment of the A Plus Advance. The Company will not pay A Plus its portion of gross revenue until such time as the A Plus Advance has been recouped in full. As of December 31, 2016, the Company had paid \$592,786 of the A Plus Advance required by the A Plus Distribution Agreement. As of March 31, 2017, the A Plus Advance has been paid in full.

In the normal course of business, from time-to-time, the Company may be subject to claims in legal proceedings. The Company does not believe it is currently a party to any pending legal actions. Legal proceedings are subject-to inherent uncertainties, and an unfavorable outcome could include monetary damages, and in such event, could result in a material adverse impact on the Company’s business, financial position, results of operations, or cash flows.

Note 12 – Subsequent Events

(a) Subject Offering of CSS Entertainment Class A Common Stock

The Company is offering to sell newly issued shares of its Class A common stock at a per share price of \$12 per share (“Subject Offering”), which excludes shares that may be sold by certain of its existing stockholders as the Company will not receive any of the net proceeds of those shares sold by existing stockholders.  New York, NY 10170
 Attn: Robert J. Gibson

[_____]
 Attn: _____

Gentlemen:

Introduction. This agreement (this “Agreement”) constitutes the agreement between Chicken Soup for the Soul Entertainment, Inc., a Delaware corporation (the “Company”), the stockholders of the Company named in Schedule I hereof (“Selling Stockholders”), HCFP/Capital Markets LLC (“HCFP”) and _____ (“_____”), pursuant to which HCFP and _____ shall serve as joint bookrunning managers (“Managers”) for the Company and the Selling Stockholders in connection with the proposed Offering (as defined below) to investors (“Investors”) under Tier 2 of Regulation A under the Securities Act of 1933, as amended (“Securities Act”), of up to an aggregate of \$30,000,000, or 2,500,000 shares of the Company’s Class A Common Stock (“Shares”), of which up to 641,983 Shares are initially being sold by the Company (“Company Shares”) and up to 258,071 Shares are being sold by the Selling Stockholders (“Selling Stockholder Shares”). To the extent less than 900,000 Shares are sold in the Offering, the aggregate number of Shares sold in the Offering will be allocated pro rata between the Company Shares and Selling Stockholder Shares and the Selling Stockholder Shares will be allocated pro rata among the Selling Stockholders. In the event all of such 900,000 Shares are sold, the Managers shall have the right to sell up to an additional 1,600,000 Shares in the Offering. As between HCFP and _____, HCFP shall be the sole representative of the Managers (“Representative”) and all actions of the Representative hereunder shall be binding upon _____. The Company and the Selling Stockholders hereby confirm their agreement with the Managers as follows:

Section 1. Agreement to Act as Managers.

(a) On the basis of the representations, warranties and agreements of the Company and the Selling Stockholders herein contained, and subject to all the terms and conditions of this Agreement, the Managers shall be the exclusive Managers in connection with the offering and sale by the Company and the Selling Stockholders of the Shares pursuant to the Company’s Offering Statement (as defined below), with the terms of such offering (the “Offering”) to be subject to market conditions and negotiations between the Company and the Managers. The Managers will act on a commercially reasonable best efforts basis and the Company and the Selling Stockholders agree and acknowledge that there is no guarantee of the successful sale of the Shares, or any portion thereof, in the prospective Offering. Under no circumstances will the Managers or any of their Affiliates (as defined below) be obligated to underwrite or purchase any of the Shares for their own account or otherwise provide any financing. The Managers shall act solely as the Company’s and the Selling Stockholders’ agents and not as principals. The Managers shall have no authority to bind the Company or the Selling Stockholders with respect to any prospective offer to purchase Shares and the Company shall have the sole right to accept offers to purchase Company Shares and may reject any such offer, in whole or in part. The Managers may rely on soliciting dealers who are members of the Financial Industry Regulatory Authority (“FINRA”) to participate in placing a portion of the Offering. The Managers may also retain other brokers or dealers to act as sub-managers or selected dealers on their behalf in connection with the Offering. Subject to the terms and conditions hereof, payment of the purchase price for, and delivery of, the Shares shall be made at one or, at the discretion of the Representative and the Company, more closings (each, a “Closing” and the date on which a Closing occurs, a “Closing Date”). As compensation for services rendered, the Company and the Selling Stockholders shall pay to the Managers the fees and expenses set forth below:

(i) Retainer Fees: Two retainer fees (the “Retainer Fees”) of \$25,000 each with the first of such fees already having been paid and the second to be paid upon qualification of the Offering Statement (as defined below).

(ii) Commission: On each Closing Date, ___% of the gross proceeds received by the Company from the sale of the Shares at each Closing and ___% of the gross proceeds received by the Selling Stockholders at each Closing (the “Selling Stockholder Commission”), which such commission will be allocated by the Managers among the Managers and the members of the selling syndicate and soliciting dealers in their sole discretion.

(iii) Expenses: On each Closing Date and subject to compliance with FINRA Rule 5110(f)(2)(B), the Company agrees to pay the Representative a non-accountable expense fee equal to 2.0% (“Expense Fee”) of the gross proceeds received by the Company and the Selling Stockholders from the sale of the Shares at each Closing which such Expense Fee will be allocated by the Managers among the Managers and the members of the selling syndicate and soliciting dealers in their sole discretion; provided, however, that such expense fee in no way limits or impairs the indemnification and contribution provisions of this Agreement. In addition, the Company shall reimburse each Agent for fees and expenses which are customarily the responsibility of the Company to pay in securities offerings, including, without limitation, management background report fees, custody fees and third party investment platform fees if such fees are paid by an Agent. In no event will the Managers incur a reimbursable cost in excess of \$2,500 without the consent of the Company.

(iv) Expenses if no Closing: In the event following the date of qualification of the offering statement (“Qualification Date”) that there is no Closing, subject to compliance with FINRA Rules 5110(f)(2)(D), the Company agrees to pay the Managers up to \$50,000 towards application of expenses that the Managers actually incurred in connection with the Offering; provided, however, that such expense cap in no way limits or impairs the indemnification and contribution provisions of this Agreement.

Other than the payment of any Selling Stockholder Commission, the Selling Stockholders shall not be liable to pay any other fees, commissions or expenses set forth in this Section 1(a).

(b) The term of the Managers’ exclusive engagement will be until the completion of the Offering. Notwithstanding anything to the contrary contained herein, the provisions concerning confidentiality, indemnification and contribution contained herein and the Company’s and the Selling Stockholders’ obligations contained in the indemnification provisions will survive any expiration or termination of this Agreement, and the Company’s obligation to pay fees actually earned and payable and to reimburse expenses actually incurred and reimbursable pursuant to Section 1 hereof and which are permitted to be reimbursed under FINRA Rule 5110(f)(2)(D), will survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to limit the ability of any Agent or its Affiliates to pursue, investigate, analyze, invest in, or engage in investment banking, financial advisory or any other business relationship with Persons (as defined below) other than the Company and the Selling Stockholders. As used herein (i) “Persons” means an individual or corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof) or other entity of any kind and (ii) “Affiliate” means any Person that, directly or indirectly through one or more intermediaries, controls or is controlled by or is under common control with a Person as such terms are used in and construed under Rule 405 under the Securities Act of 1933, as amended (the “Securities Act”).

(c) The Managers and the Company agree to utilize the _____ (“_____”) platform to enable purchasers who are not purchasing through a broker which is an agent or a dealer to purchase Shares in the Offering. As of the date hereof, the Company has entered into an agreement with _____ and agrees that all of the fees due under such agreement shall not constitute any of the non-accountable expense payment to the Managers. The Company agrees that _____ may also become a dealer for this Offering.

Section 2. Representations, Warranties and Covenants of the Company. The Company hereby represents, warrants and covenants to the Managers, as of the date hereof, and as of each Closing Date, as follows:

At the time of such filings, the Company met the requirements for an offering statement of a Tier 2 offering under Regulation A of the Securities Act. The Company will file with the Commission under the Securities Act, a final Offering Circular included in such Offering Statement (as defined below) relating to the offering of the Shares and the plan of distribution thereof and has advised the Managers of all further information (financial and other) with respect to the Company required to be set forth therein. Certificates in negotiable form representing all of the Shares to be sold by such Selling Stockholder hereunder have been placed in custody under a Custody Agreement and Power of Attorney, in the forms heretofore furnished to you (the “Custody Agreement” and “POA”), duly executed and delivered by such Selling Stockholder to Continental Stock Transfer & Trust Company, as custodian (the “Custodian”).

Section 4 . Delivery and Payment. Each Closing shall occur at the offices of the Representative (or at such other place as shall be agreed upon by the Representative and the Company).

Until any Closing, upon any Agent’s receipt of any and all checks, drafts, and money orders received from prospective purchasers of the Shares, the Agent shall deliver same to Continental Stock Transfer & Trust Company, acting as escrow agent for the Offering, for deposit in a segregated escrow account by noon of the next business day following the receipt, together with a written account of each purchaser which sets forth, among other things, the name and address of the purchaser, the number of Shares purchased and the amount paid therefor. Any checks received which are made payable to any party other than “CST&T CSSE Escrow Account” shall be returned to the purchaser who submitted the check and not accepted.

Subject to the terms and conditions hereof, and except as may otherwise be agreed or arranged between the parties, at the Closing payment of the purchase price for the Shares sold on a Closing Date shall be made by Federal Funds wire transfer, against delivery of such Shares, and such Shares shall be registered in such name or names and shall be in such denominations, as an Agent may request at least one business day before the time of purchase (as defined below).

Except as may otherwise be agreed or arranged between the parties, deliveries of the documents with respect to the purchase of the Shares, if any, shall be made at the offices of HCFP. All actions taken at a Closing shall be deemed to have occurred simultaneously.

Section 5. Covenants and Agreements of the Company. The Company further covenants and agrees with the Managers as follows:

(a) Offering Statement Matters. The Company will advise the Representative promptly after it receives notice thereof of the time when any amendment to the Offering Statement has been filed or becomes qualified or any amendment to the Offering Statement and any Circular Supplement have been filed and will furnish the Managers with copies thereof. The Company will file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 14 or 15(d) of the Exchange Act subsequent to the date of any Circular Supplement and for so long as the delivery of an Offering Circular is required in connection with the Offering. The Company will advise the Representative, promptly after it receives notice thereof (i) of any request by the Commission to amend the Offering Statement or to amend any Circular Supplement or for additional information, and (ii) of the issuance by the Commission of any stop order suspending the qualification of the Offering Statement or any post-qualification amendment thereto or any order preventing or suspending the use of the Offering Statement or any amendment or supplement thereto or any post-qualification amendment to the Offering Statement, of the suspension of the qualification of the Shares for offering or sale in any jurisdiction, of the institution or threatened institution of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Offering Statement or any Circular Supplement or for additional information. The Company shall use its best efforts to prevent the issuance of any such stop order or prevention or suspension of such use. If the Commission shall enter any such stop order or order or notice of prevention or suspension at any time, the Company will use its best efforts to obtain the lifting of such order at the earliest possible moment, or will file a new Offering Statement and use its best efforts to have such new Offering Statement declared qualified as soon as practicable.

(b) Blue Sky Compliance. The Company will cooperate with the Representative in endeavoring to qualify the Shares for sale under the securities laws of such jurisdictions (United States and foreign) as the Representative may reasonably request and will make such applications, file such documents, and furnish such information as may be reasonably required for that purpose, provided the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction where it is not now so qualified or required to file such a consent, and provided further that the Company shall not be required to produce any new disclosure document other than a Circular Supplement. The Company will, from time to time, prepare and file such statements, reports and other documents as are or may be required to continue such qualifications in effect for so long a period as the Representative may reasonably request for distribution of the Shares. The Company will advise the Representative promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Shares for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.

(c) Amendments and Supplements to Offering Statement, any Circular Supplement and Other Matters. The Company will comply with the Securities Act and the Exchange Act, and the rules and regulations of the Commission thereunder, so as to permit the completion of the distribution of the Shares as contemplated in this Agreement and any Offering Circular. If during the period in which an offering circular is required by law to be delivered in connection with the distribution of Shares contemplated by the Offering Circular (the "Circular Delivery Period"), any event shall occur as a result of which, in the judgment of the Company or in the opinion of any of the Managers or counsel for any of the Managers, it becomes necessary to amend or supplement the Offering Circular in order to make the statements therein, in the light of the circumstances under which they were made, as the case may be, not misleading, or if it is necessary at any time to amend or supplement any Circular Supplement to comply with any law, the Company will promptly prepare and file with the Commission, and furnish at its own expense to the Managers and to dealers, an appropriate amendment to the Offering Statement or supplement to the Offering Statement or any Circular Supplement that is necessary in order to make the statements therein as so amended or supplemented, in the light of the circumstances under which they were made, as the case may be, not misleading, or so that the Offering Statement or any Circular Supplement, as so amended or supplemented, will comply with law. Before amending the Offering Statement or supplementing any Offering Circular in connection with the Offering, the Company will furnish the Managers with a copy of such proposed amendment or supplement and will not file any such amendment or supplement to which the Managers reasonably object.

(d) Copies of any Amendments and Supplements. The Company will furnish an Agent, without charge, during the period beginning on the date hereof and ending on the final Closing Date of the Offering, as many copies of any Offering Circular and any amendments and supplements thereto as any Agent may reasonably request.

(e) Transfer Agent. The Company will maintain, at its expense, a registrar and transfer agent for the Common Stock.

(f) Earnings Statement. As soon as practicable and in accordance with applicable requirements under the Securities Act, but in any event not later than 18 months after the last Closing Date, the Company will make generally available to its security holders and to the Managers an earnings statement, covering a period of at least 12 consecutive months beginning after the last Closing Date, that satisfies the provisions of Section 11(a) and Rule 158 under the Securities Act.

(g) Periodic Reporting Obligations. During the Offering Circular Delivery Period, the Company will duly file, on a timely basis, with the Commission all reports and documents required to be filed under the Exchange Act within the time periods and in the manner required by the Exchange Act.

(h) Additional Documents. The Company will enter into any subscription, purchase or other customary agreements as the Managers deem reasonably necessary or appropriate to consummate the Offering, all of which will be in form and substance reasonably acceptable to the Company and the Managers. The Company agrees that the Managers may rely upon, and each is a third party beneficiary of, the representations and warranties set forth in any such purchase, subscription or other agreement with Investors in the Offering.

(i) No Manipulation of Price. The Company will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, the stabilization or manipulation of the price of any Shares of the Company.

(j) Acknowledgment. The Company acknowledges that any advice given by any of the Managers to the Company is solely for the benefit and use of the Board of Directors of the Company and may not be used, reproduced, disseminated, quoted or referred to, without such Agent's prior written consent.

Section 6. Conditions of the Obligations of the Managers. The letter shall not disclose any change in the condition (financial or other), earnings, operations, business or prospects of the Company from that set forth in the Offering Circular or the applicable Circular Supplement, which, in the Representative's sole judgment, is material and adverse and that makes it, in the Representative's sole judgment, impracticable or inadvisable to proceed with the Offering of the Shares as contemplated by such Offering Statement any Circular Supplement.

(b) Compliance with Registration Requirements; No Stop Order; No Objection from the FINRA. The Offering Statement and any Circular Supplement shall have been duly filed with the Commission, as appropriate; no stop order suspending the qualification of the Offering Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; no order preventing or suspending the use of any Offering Circular shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; no order having the effect of ceasing or suspending the distribution of the Shares or any other securities of the Company shall have been issued by any securities commission, securities regulatory authority or stock exchange and no proceedings for that purpose shall have been instituted or shall be pending or, to the knowledge of the Company, contemplated by any securities commission, securities regulatory authority or stock exchange; all requests for additional information on the part of the Commission shall have been complied with; and the FINRA shall have raised no objection to the fairness and reasonableness of the placement terms and arrangements.

(c) Corporate Proceedings. All corporate proceedings and other legal matters in connection with this Agreement, the Offering Statement and any Circular Supplement, and the registration, sale and delivery of the Shares, shall have been completed or resolved in a manner reasonably satisfactory to each Agent's counsel, and such counsel shall have been furnished with such papers and information as it may reasonably have requested to enable such counsels to pass upon the matters referred to in this Section 6.

(d) No Material Adverse Change. Subsequent to the execution and delivery of this Agreement and prior to any Closing Date, there shall not have occurred any Material Adverse Effect.

The Representative shall have received on each Closing Date a certificate of the Company, dated as of such Closing Date, signed by the Chief Executive Officer and Chief Financial Officer of the Company, to the effect that the signers of such certificate have reviewed the Offering Statement, any Circular Supplement, and this Agreement and to the further effect that:

(i) The representations and warranties of the Company in this Agreement are true and correct, as if made on and as of such Closing Date, and the Company has, in all material respects, complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to such Closing Date;

(ii) No stop order suspending the qualification of the Offering Statement or the use of the Offering Circular or any Circular Supplement has been issued and no proceedings for that purpose have been instituted or are pending or, to the Company's knowledge, threatened under the Securities Act; no order having the effect of ceasing or suspending the distribution of the Shares or any other Shares of the Company has been issued by any Shares commission, Shares regulatory authority or stock exchange in the United States and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, contemplated by any Shares commission, Shares regulatory authority or stock exchange in the United States;

(iii) When the Offering Statement became qualified, at the time of sale, and at all times subsequent thereto up to the delivery of such certificate, the Offering Statement, when it became qualified, contained all material information required to be included therein by the Securities Act and the applicable rules and regulations of the Commission thereunder, as the case may be, and in all material respects conformed to the requirements of the Securities Act and the applicable rules and regulations of the Commission thereunder, as the case may be, and the Offering Statement, did not and does not include any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided, however, that the preceding representations and warranties contained in this paragraph (iii) shall not apply to any statements or omissions made in reliance upon and in conformity with the Agent Information) and, since the Qualification Date, there has occurred no event required by the Securities Act and the rules and regulations of the Commission thereunder to be set forth in the Offering Statement which has not been so set forth; and

(iv) Subsequent to the respective dates as of which information is given in the Offering Statement and any Circular Supplement, there has not been: (a) any Material Adverse Effect; (b) any transaction that is material to the Company except transactions entered into in the ordinary course of business; (c) any obligation, direct or contingent, that is material to the Company, incurred by the Company, except obligations incurred in the ordinary course of business; (d) any material change in the capital stock (except changes thereto resulting from the exercise of outstanding stock options or warrants) or outstanding indebtedness of the Company; (e) any dividend or distribution of any kind declared, paid or made on the capital stock of the Company; or (f) any loss or damage (whether or not insured) to the property of the Company which has been sustained or will have been sustained which has a Material Adverse Effect.

(g) **Bring-down Comfort Letter.** On each subsequent Closing Date, the Managers shall have received from Rosenfield or such other independent registered public accounting firm engaged by the Company at such time, a letter dated as of such Closing Date, in form and substance satisfactory to the Managers, to the effect that they reaffirm the statements made in the letter furnished pursuant to subsection (a) of this Section 6, except that the specified date referred to therein for the carrying out of procedures shall be no more than three business days prior to such Closing Date.

(h) **Stock Exchange Listing.** The Shares shall be registered under the Exchange Act effective at the date of qualification, shall be approved for listing on the principal Trading Market by the initial Closing and shall be listed on or about the final Closing and tradable promptly thereafter on a date established by the Representative, and the Company shall not have taken any action designed to terminate, or likely to have the effect of terminating, the registration of the Shares under the Exchange Act or delisting or suspending from trading the Shares from the principal Trading Market, nor shall the Company have received any information suggesting that the Commission or the principal Trading Market is contemplating terminating such registration or listing.

(i) **Lock-Up Agreements.** On or before the initial Closing Date, the Representative shall have received executed lock-up agreements (in form and substance acceptable to the Representative in its sole discretion) from the holders identified in the Offering Statement that accurately reflect the lock-up provisions set forth in the Offering Statement applicable to such holders based on their status.

(j) **Additional Documents.** On or before each Closing Date, the Representative and counsel for the Representative shall have received such information and documents as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Shares as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained. If any condition specified in this Section 6 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by notice to the Company at any time on or prior to such Closing Date, which termination shall be without liability on the part of any party to any other party, except that Section 7 (Payment of Company Expenses), Section 8 (Indemnification and Contribution) and Section 10 (Representations and Indemnities to Survive Delivery) shall at all times be effective and shall survive such termination.

Section 7. Payment of Company Expenses. In addition to the Expense Fee, the Company agrees to pay all costs, fees and expenses incurred by the Company and the Selling Stockholders in connection with the performance of its obligations hereunder and in connection with the transactions contemplated hereby, including, without limitation: (i) all expenses incident to the issuance, delivery and qualification of the Shares (including all printing and engraving costs); (ii) all fees and expenses of the registrar and transfer agent of the Common Stock; (iii) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Shares; (iv) all fees and expenses of the Company's counsel, independent public or certified public accountants and other advisors; (v) all costs and expenses incurred in connection with the preparation, printing, filing, shipping and distribution of the Offering Statement (including financial statements, exhibits, schedules, consents and certificates of experts), the Offering Circular and each Circular Supplement, and all amendments and supplements thereto, and this Agreement; (vi) all filing fees, reasonable attorneys' fees and expenses incurred by the Company in connection with qualifying or registering (or obtaining exemptions from the qualification or registration of) all or any part of the Shares for offer and sale under the state securities or blue sky laws or the securities laws of any other country, and, if reasonably requested by any of the Managers, preparing and printing a "Blue Sky Survey," an "International Blue Sky Survey" or other memorandum, and any supplements thereto, advising the Representative of such qualifications, registrations and exemptions; (vii) if applicable, the filing fees incident to the review and approval the FINRA of any Agent's participation in the offering and distribution of the Shares; (viii) the fees and expenses associated with including the Shares on the Trading Market; (ix) all costs and expenses incurred by the Company in connection with any "roadshows" including the travel and accommodation of the Company's employees on the "roadshow," if any, and (x) all other fees, costs and expenses referred to in Part II of the Offering Statement. Section 8. Indemnification and Contribution.

(a) The Company agrees to indemnify the Managers in accordance with the provisions of Schedule A hereto, which is incorporated by reference herein and made a part hereof.

(c) Each Agent agrees to indemnify and hold harmless the Company, its directors, officers, employees, agents, and counsel, and each person, if any, who control the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the foregoing indemnity from the Company to the Managers, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Offering Statement or any Circular Supplement or any amendment or supplement thereto or in any application, in reliance upon, and in strict conformity with, the Agent Information. (d) Agent will not intentionally take any action that it reasonably believes would cause the Offering to violate the provision of the Securities Act, the Exchange Act or the respective rules and regulations promulgated thereunder.

Section 10. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company or any person controlling the Company, of its officers, of the Selling Stockholders and of the Managers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Managers, the Selling Stockholders, the Company, or any of its or their partners, officers or directors or any controlling person, as the case may be, and will survive delivery of and payment for the Shares sold hereunder and any termination of this Agreement until the earlier of the expiration of any applicable statute of limitations and the seventh anniversary of the final Closing Date, at which time the representations, warranties and agreements shall terminate and be of no further force and effect. A successor to either of the Managers, to the Selling Stockholders, or to the Company, its directors or officers or any person controlling the Company, shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Agreement.

SCHEDULE A – INDEMNIFICATION

The Company hereby agrees to indemnify and hold the Managers, their officers, directors, principals, employees, affiliates, and shareholders, and their respective successors and assigns, harmless from and against any and all loss, claim, damage, liability, deficiencies, actions, suits, proceedings, costs and legal expenses or expense whatsoever (including, but not limited to, reasonable legal fees and other expenses and reasonable disbursements incurred in connection with investigating, preparing to defend or defending any action, suit or proceeding, including any inquiry or investigation, commenced or threatened, or any claim whatsoever, or in appearing or preparing for appearance as witness in any proceeding, including any pretrial proceeding such as a deposition) (collectively, “Losses”) arising out of, based upon, or in any way related or attributed to, any breach of a representation, warranty or covenant by the Company contained in this Agreement.

If an Agent receives written notice of the commencement of any legal action, suit or proceeding with respect to which the Company is or may be obligated to provide indemnification pursuant to this Schedule A, then such Agent, shall, within thirty (30) days of the receipt of such written notice, give the Company written notice thereof (a “Claim Notice”). Failure to give such Claim Notice within such thirty (30) day period shall not constitute a waiver by the Agent, of its respective right to indemnify hereunder with respect to such action, suit or proceeding. Upon receipt by the Company of a Claim Notice from an Agent with respect to any claim for indemnification which is based upon a claim made by a third party (“Third Party Claim”), the Company may assume the defense of the Third Party Claim with counsel of its own choosing, as described below. The Agent shall cooperate in the defense of the Third Party Claim and shall furnish such records, information and testimony and attend all such conferences, discovery proceedings, hearings, trial and appeals as may be reasonably required in connection therewith. The Agent shall have the right to employ its own counsel in any such action, which shall be at the Company’s expense if (i) the Company and the Agent shall have mutually agreed in writing to the retention of such counsel, (ii) the Company shall have failed in a timely manner to assume the defense and employ counsel or experts reasonably satisfactory to the Agent in such litigation or proceeding or (iii) the named parties to any such litigation or proceeding (including any impleaded parties) include the Company and the Agent and representation of the Company and the Agent by the same counsel or experts would, in the reasonable opinion of the Agent be inappropriate due to actual or potential differing interests between the Company and the Agent, as applicable. The Company shall not satisfy or settle any Third Party Claim for which indemnification has been sought and is available hereunder, without the prior written consent of the Agent, which consent shall not be delayed and which shall not be required if the Agent, is granted a general release in connection therewith. The indemnification provisions hereunder shall survive the termination or expiration of this Agreement.

The Company further agrees, upon demand by the Agent, to promptly reimburse the Agent for, or pay, any reasonable fees, expenses or disbursements as to which the Agent has been indemnified herein with such reimbursement to be made currently as such fees, expenses or disbursements are incurred by the Agent. Notwithstanding the provisions of the aforementioned indemnification, any such reimbursement or payment by the Company of fees, expenses, or disbursements incurred by the Agent shall be repaid by the Agent in the event of any proceeding in which a final judgment (after all appeals or the expiration of time to appeal) is entered in a court of competent jurisdiction against or the Agent based solely upon its gross negligence or intentional misconduct in the performance of its duties hereunder, and provided further, that the Company shall not be required to make reimbursement or payment for any settlement effected without the Company’s prior written consent (which consent shall not be unreasonably withheld or delayed).

If for any reason the foregoing indemnification is unavailable or is insufficient to hold any of the Agent harmless, the Company agrees to contribute the amount paid or payable by any Agent in such proportion as to reflect not only the relative benefits received by the Company, on the one hand, and the applicable Agent, on the other hand, but also the relative fault of the Company and any of the Agent as well as any relevant equitable considerations. In no event shall any Agent contribute in excess of the fees actually received by it pursuant to the terms of this Agreement.

For purposes of this Agreement, each officer, director, shareholder, and employee or affiliate of any Agent and each person, if any, who controls Agent (or any affiliate) within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, shall have the same rights as Agent with respect to matters of indemnification by the Company hereunder.

Notwithstanding any provision of this Agreement to the contrary, the Company agrees that none of the Agent, any of its affiliates, any of its officers, directors, employees, agents and representatives or any of their respective affiliates and each other person, if any, controlling the Agent or any of its affiliates (each a "Relevant Person"), shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Company arising out of the processing of orders for Shares in respect of which the Agent has not engaged in selling efforts, except for any loss, claim, damage, liability, deficiencies, actions, suits, proceedings, costs or legal or other expenses that are finally judicially determined to have resulted from the bad faith or gross negligence of such Relevant Person.

WHEREAS, highly competent persons recently have become more reluctant to serve as directors, officers, or in other capacities of publicly held corporations and other corporations that have non-employee investors among their stockholders or conduct operations in regulated industries unless they are provided with better protection from the risk of claims and actions against them arising out of their services to and activities on behalf of such corporation; and

WHEREAS, the adoption of The Sarbanes-Oxley Act of 2002 and other laws, rules and regulations being promulgated have increased the potential for liability of officers and directors; and

WHEREAS, the Corporation has determined that the inability to attract and retain such persons is detrimental to the best interests of the Corporation’s stockholders and that such persons should be assured that they will have better protection in the future; and

WHEREAS, it is reasonable, prudent and necessary for the Corporation to obligate itself contractually to indemnify such persons to the fullest extent permitted by applicable law so that such persons will serve or continue to serve the Corporation free from undue concern that they will not be adequately indemnified; and

WHEREAS, this Agreement is a supplement to and in furtherance of the Certificate of Incorporation and Bylaws of the Corporation, each as may be amended from time to time, and any resolutions adopted pursuant thereto and shall neither be deemed to be a substitute therefor nor diminish or abrogate any rights of Indemnitee thereunder; and

WHEREAS, Indemnitee is willing to continue to serve and to take on additional service for or on behalf of the Corporation on the condition that he or she be indemnified according to the terms of this Agreement;

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Corporation and Indemnitee do hereby covenant and agree as follows:

1. Definitions. For purposes of this Agreement:

1.1 “Change in Control” means a change in control of the Corporation occurring after the date hereof of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or in response to any similar item on any similar schedule or form) promulgated under the Securities Exchange Act of 1934, as amended (“Act”), whether or not the Corporation is then subject to such reporting requirement provided, however, that, without limitation, such a Change in Control shall be deemed to have occurred if after the date hereof (i) any “person” (as such term is used in Sections 13(d) and 14(d) of the Act), other than a person who is an officer or director of the Corporation on _____, 2017 (and any of such person’s affiliates), is or becomes “beneficial owner” (as defined in Rule 13d-3 under the Act) directly or indirectly, of securities of the Corporation representing 50% or more of the combined voting power of the then outstanding securities of the Corporation without the prior approval of at least two-thirds of the members of the Board in office immediately prior to such person attaining such percentage interest; (ii) the Corporation is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, as a consequence of which members of the Board of Directors (“Board”) in office immediately prior to such transaction or event constitute less than a majority of the Board thereafter; (iii) during any period of two consecutive years, individuals who at the beginning of such period constituted the Board (including for this purpose any new director whose election or nomination for election by the Corporation’s stockholders was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such period) cease for any reason to constitute at least a majority of the Board; (iv) a sale or other disposition of all or substantially all of the assets of the Company; or (v) a liquidation or dissolution of the Company.

1.2 “Corporate Status” means the status of a person who is or was a director, officer, employee, agent or fiduciary of the Corporation or of any subsidiary of the Corporation or any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person is or was serving at the request of the Corporation.

1.3 “Disinterested Director” means a director of the Corporation who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

1.4 “Expenses” means all reasonable attorneys’ fees, retainers, court costs (including trial and appeals), transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, appealing, preparing to appeal, investigating, or being or preparing to be a witness in a Proceeding.

1.5 “Independent Counsel” means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent: (i) the Corporation or Indemnitee in any other matter material to either such party, or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” does not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Corporation or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. Except as provided in the first sentence of Section 9.3 hereof, Independent Counsel shall be selected by (a) the Disinterested Directors or (b) a committee of the Board consisting of two or more Disinterested Directors or if (a) and (b) above are not possible, then by a majority of the full Board.

1.6 “Proceeding” means any action, suit, arbitration, alternate dispute resolution mechanism, investigation, administrative hearing or any other proceeding, whether civil, criminal, administrative or investigative, except one initiated by an Indemnitee pursuant to Section 11 of this Agreement to enforce his rights under this Agreement.

2. Services by Indemnitee.

Indemnitee agrees to continue to serve as a director, officer or employee of the Corporation or one or more of its subsidiaries. Indemnitee may at any time and for any reason resign from such position (subject to any other contractual obligation or any obligation imposed by operation of law).

3. Indemnification - General.

The Corporation shall indemnify, and advance Expenses to, Indemnitee as provided in this Agreement to the fullest extent permitted by applicable law in effect on the date hereof and to such greater extent as applicable law may thereafter from time to time permit. The rights of Indemnitee provided under the preceding sentence shall include, but not be limited to, the rights set forth in the other Sections of this Agreement.

4. Proceedings Other Than Proceedings by or in the Right of the Corporation.

Indemnitee shall be entitled to the rights of indemnification provided in this Section if, by reason of his Corporate Status, he was or is threatened to be made, a party to any threatened, pending or completed Proceeding, other than a Proceeding by or in the right of the Corporation. Pursuant to this Section, Indemnitee shall be indemnified against Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf in connection with any such Proceeding or any claim, issue or matter therein, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal Proceeding, had no reasonable cause to believe his conduct was unlawful.

5. Proceedings by or in the Right of the Corporation.

Indemnitee shall be entitled to the rights of indemnification provided in this Section if, by reason of his Corporate Status, he is, was or is threatened to be made, a party to any threatened, pending or completed Proceeding brought by or in the right of the Corporation to procure a judgment in its favor. Pursuant to this Section, Indemnitee shall be indemnified against Expenses and amounts paid in settlement (such settlement amounts not to exceed, in the judgment of the Board, the estimated expense of litigating the Proceeding to conclusion) actually and reasonably incurred by him or on his behalf in connection with any such Proceeding if he or she acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation. Notwithstanding the foregoing, no indemnification against such Expenses or amounts paid in settlement shall be made in respect of any claim, issue or matter in any such Proceeding as to which Indemnitee has been adjudged to be liable to the Corporation if applicable law prohibits such indemnification unless the court in which such Proceeding shall have been brought, was brought or is pending, shall determine that indemnification against Expenses or amounts paid in settlement may nevertheless be made by the Corporation.

6. Indemnification for Expenses of Party Who is Wholly or Partly Successful.

Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a party to and is successful, on the merits or otherwise, in any Proceeding, he or she shall be indemnified against all Expenses (and, when eligible hereunder, amounts paid in settlement) actually and reasonably incurred by him or on his behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Corporation shall indemnify Indemnitee against all Expenses (and, when eligible hereunder, amounts paid in settlement) actually and reasonably incurred by him or on his behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Section, the term "successful, on the merits or otherwise," includes, but is not limited to, (i) any termination, withdrawal, or dismissal (with or without prejudice) of any Proceeding against the Indemnitee without any express finding of liability or guilt against him, and (ii) the expiration of 90 days after the making of any claim or threat of a Proceeding without the institution of the same and without any promise or payment made to induce a settlement.

7. Indemnification for Expenses as a Witness.

Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a witness in any Proceeding, he shall be indemnified against all Expenses actually and reasonably incurred by him on his behalf in connection therewith.

8. Advancement of Expenses and Other Amounts.

The Corporation shall advance all Expenses, judgments, penalties, fines and, when eligible hereunder, amounts paid in settlement, incurred by or on behalf of Indemnitee in connection with any Proceeding within thirty (30) days after the receipt by the Corporation of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses, judgments, penalties, fines and amounts paid in settlement, incurred by Indemnitee and shall include or be preceded or accompanied by an agreement by or on behalf of Indemnitee to repay any Expenses, judgments, penalties, fines and amounts paid in settlement advanced if it shall ultimately be determined that Indemnitee is not entitled to be indemnified against such Expenses, judgments, penalties, fines and, when eligible hereunder, amounts paid in settlement.

9. Procedure for Determination of Entitlement to Indemnification.

9.1 To obtain indemnification under this Agreement in connection with any Proceeding, and for the duration thereof, Indemnitee shall submit to the Corporation a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification. The Secretary of the Corporation shall, promptly upon receipt of any such request for indemnification, advise the Board in writing that Indemnitee has requested indemnification.

9.2 Upon written request by Indemnitee for indemnification pursuant to Section 9.1 hereof, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in such case: (i) if a Change in Control shall have occurred, by Independent Counsel (unless Indemnitee shall request that such determination be made by the Board or the stockholders, in which case in the manner provided for in clauses (ii) or (iii) of this Section 9.2) in a written opinion to the Board, a copy of which shall be delivered to Indemnitee; (ii) if a Change of Control shall not have occurred, (A) by the Board by a majority vote of a quorum consisting of Disinterested Directors, or (B) if a quorum of the Board consisting of Disinterested Directors is not obtainable, by a majority of a committee of the Board consisting of two or more Disinterested Directors, or (C) by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, or (D) by the stockholders of the Corporation, by a majority vote of a quorum consisting of stockholders who are not parties to the proceeding, or if no such quorum is obtainable, by a majority vote of stockholders who are not parties to such proceeding; or (iii) as provided in Section 10.2 of this Agreement. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any costs or expenses (including attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Corporation (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Corporation hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

9.3 If a Change of Control shall have occurred, Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board), and Indemnitee shall give written notice to the Corporation advising it of the identity of Independent Counsel so selected. In either event, Indemnitee or the Corporation, as the case may be, may, within seven days after such written notice of selection shall have been given, deliver to the Corporation or to Indemnitee, as the case may be, a written objection to such selection. Such objection may be asserted only on the ground that Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 1 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. If such written objection is made, Independent Counsel so selected may not serve as Independent Counsel unless and until a court has determined that such objection is without merit. If, within 20 days after submission by Indemnitee of a written request for indemnification pursuant to Section 9.1 hereof, no Independent Counsel shall have been selected and not objected to, either the Corporation or Indemnitee may petition the Court of Chancery of the State of Delaware or other court of competent jurisdiction, for resolution of any objection which has been made by the Corporation or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by such court or by such other person as such court shall designate, and the person with respect to whom an objection is so resolved or the person so appointed shall act as Independent Counsel under Section 9.2 hereof. The Corporation shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with its actions pursuant to this Agreement, and the Corporation shall pay all reasonable fees and expenses incident to the procedures of this Section 9.3, regardless of the manner in which such Independent Counsel was selected or appointed. Upon the due commencement date of any judicial proceeding pursuant to Section 11.1(iii) of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

10. Presumptions and Effects of Certain Proceedings.

10.1 In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 9.1 of this Agreement, and the Corporation shall have the burden of proof to overcome that presumption by clear and convincing evidence in connection with the making by any person, persons or entity of any determination contrary to that presumption.

10.2 If the person, persons or entity empowered or selected under Section 9 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within thirty (30) days after receipt by the Corporation of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) prohibition of such indemnification under applicable law; provided, however, that such 30-day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith require(s) such additional time for the obtaining or evaluating of documentation and/or information relating thereto; and provided, further, however, that the foregoing provisions of this Section 10.2 shall not apply (i) if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 9.2 of this Agreement and if (A) within 15 days after receipt by the Corporation of the request for such determination the Board has resolved to submit such determination to the stockholders for their consideration at an annual meeting thereof to be held within 75 days after such receipt and such determination is made thereat, or (B) a special meeting of stockholders is called within 15 days after such receipt for the purpose of making such determination, such meeting is held for such purpose within 60 days after having been so called and such determination is made thereat, or (ii) if the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 9.2 of this Agreement. In connection with each meeting at which a stockholder determination will be made, the Corporation shall solicit proxies that expressly include a proposal to indemnify or reimburse the Indemnitee. The Corporation shall afford the Indemnitee ample opportunity to present evidence of the facts upon which the Indemnitee relies for indemnification in any Corporation proxy statement relating to such shareholder determination. Subject to the fiduciary duties of its members under applicable law, the Board will not recommend against indemnification or reimbursement in any proxy statement relating to the proposal to indemnify or reimburse the Indemnitee.

10.3 The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

10.4 Reliance as Safe Harbor. For purposes of this Agreement, the Indemnitee shall be deemed to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal Proceeding, to have had no reasonable cause to believe his conduct was unlawful, if his action is based on (i) the records or books of account of the Corporation, or another enterprise, including financial statements, (ii) information supplied to him by the officers of the Corporation or another enterprise in the course of their duties, (iii) the advice of legal counsel for the Corporation or another enterprise, or of an independent certified public accountant or an appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The term "another enterprise" as used in this Section shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which the Indemnitee is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee or agent. The provisions of this Section shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth herein. Whether or not the foregoing provisions of this Section 10.4 are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal Proceeding, to have had no reasonable cause to believe Indemnitee's conduct was unlawful. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

11. Remedies of Indemnitee.

11.1 In the event that (i) a determination is made pursuant to Section 9 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 8 of this Agreement, (iii) the determination of indemnification is to be made by Independent Counsel pursuant to Section 9.2 of this Agreement and such determination shall not have been made and delivered in a written opinion within 30 days after receipt by the Corporation of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section 7 of this Agreement within thirty (30) days after receipt by the Corporation of a written request therefor, or (v) payment of indemnification is not made within thirty (30) days after a determination has been made that Indemnitee is entitled to indemnification or such determination is deemed to have been made pursuant to Section 9 or 10 of this Agreement, Indemnitee shall be entitled to an adjudication in an appropriate court of the State of Delaware, or in any other court of competent jurisdiction, of his entitlement to such indemnification or advancement of Expenses, judgments, penalties, fines or, when eligible hereunder, amounts paid in settlement. The Corporation shall not oppose Indemnitee's right to seek any such adjudication.

11.2 In the event that a determination shall have been made pursuant to Section 9 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section shall be conducted in all respects as a de novo trial on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination.

11.3 If a determination shall have been made or deemed to have been made pursuant to Section 9 or 10 of this Agreement that Indemnitee is entitled to indemnification, the Corporation shall be bound by such determination in any judicial proceeding commenced pursuant to this Section, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) prohibition of such indemnification under applicable law.

11.4 The Corporation shall be precluded from asserting in any judicial proceeding commenced pursuant to this Section that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court that the Corporation is bound by all the provisions of this Agreement.

11.5 In the event that Indemnitee, pursuant to this Section, seeks a judicial adjudication of his or her rights under, or to recover damages for breach of, this Agreement, Indemnitee shall be entitled to recover from the Corporation, and shall be indemnified by the Corporation against, any and all expenses (of the kinds described in the definition of Expenses) actually and reasonably incurred by him or her in such judicial adjudication, but only if he or she prevails therein. If it shall be determined in such judicial adjudication that Indemnitee is entitled to receive less than all of the indemnification or advancement of expenses sought, the expenses incurred by Indemnitee in connection with such judicial adjudication shall be appropriately prorated.

12. Procedure Regarding Indemnification.

With respect to any Proceedings, the Indemnitee, prior to taking any action with respect to such Proceeding, shall consult with the Corporation as to the procedure to be followed in defending, settling, or compromising the Proceeding and may not consent to any settlement or compromise of the Proceeding without the written consent of the Corporation (which consent may not be unreasonably withheld or delayed). The Corporation shall be entitled to participate in defending, settling or compromising any Proceeding and to assume the defense of such Proceeding with counsel of its choice and shall assume such defense if requested by the Indemnitee. Notwithstanding the election by, or obligation of, the Corporation to assume the defense of a Proceeding, the Indemnitee shall have the right to participate in the defense of such Proceeding and to employ counsel of Indemnitee's choice, but the fees and expenses of such counsel shall be at the expense of the Indemnitee unless (i) the employment of such counsel has been authorized in writing by the Company, or (ii) the Indemnitee has reasonably concluded that there may be defenses available to him or her which are different from or additional to those available to the Corporation (in which latter case the Corporation shall not have the right to direct the defense of such Proceeding on behalf of the Indemnitee), in either of which events the fees and expenses of not more than one additional firm of attorneys selected by the Indemnitee shall be borne by the Corporation. If the Corporation assumes the defense of a Proceeding, then counsel for the Corporation and Indemnitee shall keep Indemnitee reasonably informed of the status of the Proceeding and promptly send to Indemnitee copies of all documents filed or produced in the Proceeding, and the Corporation shall not compromise or settle any such Proceeding without the written consent of the Indemnitee (which consent may not be unreasonably withheld or delayed) if the relief provided shall be other than monetary damages and shall promptly notify the Indemnitee of any settlement and the amount thereof.

13. Non-Exclusivity; Survival of Rights; Insurance; Subrogation; Contribution.

13.1 The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the certificate of incorporation or by-laws of the Corporation, each as may be amended from time to time, any agreement, a vote of stockholders or a resolution of directors, or otherwise. No amendment, alteration or repeal of this Agreement or any provision hereof shall be effective as to any Indemnitee with respect to any action taken or omitted by such Indemnitee in his Corporate Status prior to such amendment, alteration or repeal.

13.2 To the extent that the Corporation maintains an insurance policy or policies providing liability insurance for directors, officers, employees, agents or fiduciaries of the Corporation or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person serves at the request of the Corporation, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, employee, agent or fiduciary under such policy or policies.

13.3 In the event of any payment under this Agreement, the Corporation shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are reasonably necessary to enable the Corporation to bring suit to enforce such rights.

13.4 The Corporation shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

13.5 (a) If a determination is made that Indemnitee is not entitled to indemnification, after Indemnitee submits a written request therefor, under this Agreement, then in respect of any threatened, pending or completed Proceeding in which the Corporation is jointly liability with the Indemnitee (or would be if joined in such Proceeding), the Corporation shall contribute to the amount of Expenses, judgments, fines and amounts paid in settlement by the Indemnitee in such proportion as is appropriate to reflect (i) the relative benefits received by the Corporation on the one hand and the Indemnitee on the other hand from the transaction from which Proceeding arose, and (ii) the relative fault of the Corporation on the one hand and of the Indemnitee on the other hand in connection with the events that resulted in such Expenses, judgments, fines or amounts paid in settlement, as well as any other relevant equitable considerations. The relative fault of the Corporation on the one hand and of the Indemnitee on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such Expenses, judgments, fines or amounts paid in settlement. The Corporation agrees that it would not be just and equitable if contribution pursuant to this Section were determined by pro rata allocation or any other method of allocation that does not take into account the foregoing equitable considerations.

(b) The determination as to the amount of the contribution, if any, shall be made by:

(i) a court of competent jurisdiction upon the applicable of both the Indemnitee and the Corporation (if the Proceeding had been brought in, and final determination had been rendered by such court);

(ii) the Board by a majority vote of a quorum consisting of Disinterested Directors; or

(iii) Independent Counsel, if a quorum is not obtainable for purpose of (ii) above, or, even if obtainable, a quorum of Disinterested Directors so directs.

14. Duration of Agreement.

This Agreement shall continue until and terminate upon the later of: (a) ten (10) years after the date that Indemnitee shall have ceased to serve as a director and/or officer of the Corporation, or (b) the final termination of all pending Proceedings in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses, judgments, penalties, fines or amounts paid in settlement hereunder and or any proceeding commenced by Indemnitee pursuant to Section 11 of this Agreement. This Agreement shall be binding upon the Corporation and its successors and assigns and shall inure to the benefit of Indemnitee and his spouse, heirs, executors, personal representatives and administrators.

15. Severability.

If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

16. Entire Agreement.

This Agreement constitutes the entire agreement between the Corporation and the Indemnitee with respect to the subject matter hereof and supercedes all prior agreements, understanding, negotiations and discussion, both written and oral, between the parties hereto with respect to such subject matter (the "Prior Agreements"); provided, however, that if this Agreement shall ever be held void or unenforceable for any reasons whatsoever, and is not reformed pursuant to Section 15 hereof, then (i) this Agreement shall not be deemed to have superceded any Prior Agreements; (ii) all of such Prior Agreements shall be deemed to be in full force and effect notwithstanding the execution of this Agreement; and (iii) the Indemnitee shall be entitled to maximum indemnification benefits provided under any Prior Agreements, as well as those provided under applicable law, the certificate of incorporation or by-laws of the Corporation, a vote of stockholders or resolution of directors.

17. Exception to Right of Indemnification or Advancement of Expenses.

Except as provided in Section 11.5, Indemnitee shall not be entitled to indemnification or advancement of Expenses under this Agreement with respect to any Proceeding, or any claim therein, brought or made by him against the Corporation.

18. Covenant Not to Sue; Limitation of Actions; Release of Claims.

No legal action shall be brought and no cause of action shall be asserted by or on behalf of the Corporation (or any of its subsidiaries) against the Indemnitee, his spouse, heirs, executors, personal representatives or administrators after the expiration of two (2) years from the date of accrual of such cause of action and any claim or cause of action of the Corporation (or any of its subsidiaries) shall be extinguished and deemed released unless asserted by the filing of a legal action within such two (2) year period; provided, however, that if any shorter period of limitation is otherwise applicable to any such cause of action, such shorter period shall govern.

19. Identical Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement.

20. Headings.

The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

21. Modification and Waiver.

No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

22. Notice by Indemnitee.

Indemnitee agrees promptly to notify the Corporation in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating any Proceeding or matter which may be subject to indemnification or advancement of Expenses, judgments, penalties, fines or amounts paid in settlement covered hereunder.

23. Notices.

All notices, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been duly given if (i) delivered by hand and receipted for by the party to whom such notice or other communication shall have been directed, or (ii) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed:

If to Indemnitee, to the address set forth on the signature page.

If to the Corporation, to:

25. Miscellaneous.

Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate.

1.1. **Purpose.** The purpose of the Plan is to enable the Company to offer to employees, officers and directors of and consultants to the Company (and its Parent companies, Subsidiaries and Affiliates) whose past, present and/or potential future contributions to the Company and its Subsidiaries have been, are or will be important to the success of the Company, an opportunity to share monetarily in the success of and/or acquire a proprietary interest in the Company. The various types of long-term incentive awards that may be provided under the Plan will enable the Company to respond to changes in compensation practices, tax laws, accounting regulations and the size and diversity of its businesses.

1.2. **Definitions.** For purposes of the Plan, the following terms shall be defined as set forth below:

Performance Goals also may include earnings per share on a consolidated basis and total shareholder return. Unless otherwise determined by the Committee at the time of grant, as to each Performance Goal, the relevant measurement of performance shall be computed in accordance with U.S. generally accepted accounting principles to the extent applicable, but will exclude the effects of the following: (i) charges for reorganizing and restructuring, (ii) discontinued operations, (iii) asset write-downs, (iv) gains or losses on the disposition of a business or business segment or arising from the sale of assets outside the ordinary course of business, (v) changes in tax or accounting principles, regulations or laws, (vi) extraordinary, unusual, transition, one-time and/or non-recurring expenses, revenues or other items of gain or loss, (vii) changes in interest expenses as a result of modified debt structures and (viii) mergers and acquisitions, that, in case of each of the foregoing, the Company identifies in its publicly filed periodic or current reports, its audited financial statements, including notes to the financial statements, or the Management’s Discussion and Analysis section of the Company’s annual report, to the extent applicable (collectively, the “Excluded Items”). With respect to any award intended to qualify as performance-based compensation under Section 162(m) of the Code, such exclusions shall be made only to the extent consistent with Section 162(m) of the Code. To the extent consistent with Section 162(m) of the Code, the Committee may also provide for other adjustments to Performance Goals in the Agreement. In addition, the Committee may appropriately adjust any evaluation of performance under a Performance Goal to exclude any of the following events that occurs during a performance period: (i) litigation, claims, judgments or settlements; (ii) the effects of changes in other laws or regulations affecting reported results; and (iii) accruals of any amounts for payment under this Plan or any other compensation arrangements maintained by the Company; provided that, with respect to any award intended to qualify as performance-based compensation under Section 162(m) of the Code, such adjustment may be made only to the extent consistent with Code Section 162(m) of the Code. Where applicable, the Performance Goals may be expressed, without limitation, in terms of attaining a specified level of the particular criterion or the attainment of an increase or decrease (expressed as absolute numbers, averages and/or percentages) in the particular criterion or achievement in relation to a peer group or other index. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be paid (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur). In addition, in the case of awards that the Committee determines at the date of grant will not be considered performance based compensation under Section 162(m) of the Code, the Administrator may establish other Performance Goals and provide for other exclusions or adjustments not listed in this Plan.

(t) “Plan” means the Company’s 2017 Long Term Incentive Plan, as hereinafter amended from time to time.

(u) “Repurchase Value” shall mean the Fair Market Value if the award to be settled under Section 2.2(d) or repurchased under Section 5.2(l) is comprised of shares of Common Stock and the difference between Fair Market Value and the exercise price (if lower than Fair Market Value) if the award is a Stock Option or Stock Appreciation Right; in each case, multiplied by the number of shares subject to the award. “Repurchase Value” if the award to be repurchased under Section 10.2 is comprised of shares of Common Stock shall mean the greater of the Fair Market Value or the value of such award based upon the price per share of Common Stock received or to be received by other shareholders of the Company in the event. “Repurchase Value” if the award to be repurchased under Section 10.2 is comprised of Stock Options or Stock Appreciation Rights shall mean the difference between the greater of (1) the Fair Market Value or the value of such award based upon the price per share of Common Stock received or to be received by other shareholders of the Company in the event and (2) the exercise price (if lower), multiplied by the number of shares subject to the award.

(v) “Restriction Period” means the time or conditions within which awards may be subject to forfeiture, including upon termination of employment or failure of performance conditions.

(w) “Restricted Stock” means Common Stock received under an award made pursuant to Section 7 that is subject to restrictions under Section 7.

(x) “Restricted Stock Unit” means an unfunded, unsecured right to receive, on the applicable settlement date, one share or an amount in cash or other consideration determined by the Committee to be of equal value as of such settlement date, subject to certain vesting conditions and other restrictions.

(y) “SAR Value” means the excess of the Fair Market Value (on the exercise date) over (a) the exercise price that the participant would have otherwise had to pay to exercise the related Stock Option or (b) if a Stock Appreciation Right is granted unrelated to a Stock Option, the Fair Market Value of a share of Common Stock on the date of grant of the Stock Appreciation Right, in either case, multiplied by the number of shares for which the Stock Appreciation Right is exercised.

(z) “Stock Appreciation Right” means the right to receive from the Company, without a cash payment to the Company, either a number of shares of Common Stock equal to the SAR Value divided by the Fair Market Value (on the exercise date), or, at the Company’s election, cash in the amount of the SAR Value.

(aa) “Stock Option” or “Option” means any option to purchase shares of Common Stock which is granted pursuant to the Plan.

(bb) “Subsidiary” means any present or future “subsidiary corporation” of the Company, as such term is defined in Section 424(f) of the Code.

(cc) “Vest” means to become exercisable or to otherwise obtain ownership rights in an award. No award shall vest in less than a one-year period.

Section 2. Administration.

2.1. Committee Membership. The Plan shall be administered by the Board or a Committee. If administered by a Committee, such Committee shall be composed of at least two directors, all of whom are “outside directors” within the meaning of the regulations issued under Section 162(m) of the Code and “non-employee” directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Committee members shall serve for such term as the Board may in each case determine and shall be subject to removal at any time by the Board.

2.2. Powers of Committee. The Committee shall have full authority to award, pursuant to the terms of the Plan: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Restricted Stock Units, (v) Other Stock-Based Awards, and/or (vi) Incentive Bonuses. For purposes of illustration and not of limitation, the Committee shall have the authority (subject to the express provisions of this Plan):

(a) to select the officers, employees, directors and consultants of the Company, Parent, Subsidiary or Affiliate to whom Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Other Stock-Based Awards and/or Incentive Bonuses may from time to time be awarded hereunder;

(b) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any award granted hereunder (including, but not limited to, number of shares, share exercise price or types of consideration paid upon exercise of such options, such as other securities of the Company or other property, any restrictions or limitations, and any vesting, exchange, surrender, cancellation, acceleration, termination, exercise or forfeiture provisions, or any Performance Goals, as the Committee shall determine);

(c) to determine the terms and conditions under which awards granted hereunder are to operate on a tandem basis and/or in conjunction with or apart from other awards under this Plan and cash and non-cash awards made by the Company, Parent, Subsidiary and/or Affiliate outside of this Plan; and

(d) to make payments and distributions with respect to awards (*i.e.*, to “settle” awards) through cash payments in an amount equal to the Repurchase Value.

The Committee may not modify or amend any outstanding Option or Stock Appreciation Right to reduce the exercise price of such Option or Stock Appreciation Right, as applicable, below the exercise price as of the date of grant of such Option or Stock Appreciation Right. In addition, no payment of cash or other property having a value greater than the Repurchase Value may be made, and no Option or Stock Appreciation Right with a lower exercise price may be granted, in exchange for, or in connection with, the cancellation or surrender of an Option or Stock Appreciation Right.

Notwithstanding anything to the contrary, the Committee shall not grant to any one Holder in any one calendar year Options and/or Stock Appreciation Rights and/or any other awards with respect to more than 100,000 shares in the aggregate or Incentive Bonuses for more than \$200,000 in the aggregate. In all cases, determinations of these limits should be made in a manner that is consistent with the exemption for performance-based compensation that Section 162(m) of the Code provides. Non-employee Directors may not be granted any awards covering more than 15,000 shares of Common Stock in any year.

2.3. Interpretation of Plan. Subject to Section 11, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable, to interpret the terms and provisions of the Plan and any award issued under the Plan (and to determine the form and substance of all Agreements relating thereto), and to otherwise supervise the administration of the Plan. Subject to Section 11, all decisions made by the Committee pursuant to the provisions of the Plan shall be made in the Committee’s sole discretion and shall be final and binding upon all persons, including the Company, its Parent, Subsidiaries, Affiliates and Holders.

Section 3. Stock Subject to Plan.

3.1. Number of Shares. The total number of shares of Common Stock reserved and available for issuance under the Plan shall be up to 1,000,000 (one million) shares and no more than 1,000,000 (one million) shares of Common Stock may be granted as Incentive Stock Options. Shares of Common Stock under the Plan (“Shares”) may consist, in whole or in part, of authorized and unissued shares or treasury shares. If any shares of Common Stock that have been granted pursuant to a Stock Option cease to be subject to a Stock Option, or if any shares of Common Stock that are subject to any Stock Appreciation Right, Restricted Stock award, Restricted Stock Units or Other Stock-Based Award granted hereunder are forfeited, or any such award otherwise terminates without a payment being made to the Holder in the form of Common Stock, such shares shall again be available for distribution in connection with future grants and awards under the Plan. If a Holder pays the exercise price of a Stock Option by surrendering any previously owned shares and/or arranges to have the appropriate number of shares otherwise issuable upon exercise withheld to cover the withholding tax liability associated with the Stock Option exercise, then, in the Committee’s discretion, the number of shares available under the Plan may be increased by the lesser of (i) the number of such surrendered shares and shares used to pay taxes; and (ii) the number of shares purchased under such Stock Option.

3.2. Adjustment Upon Changes in Capitalization, Etc. In the event of any common stock dividend payable on shares of Common Stock, Common Stock split or reverse split, combination or exchange of shares of Common Stock, or other extraordinary or unusual event which results in a change in the shares of Common Stock of the Company as a whole, the Committee shall determine, in its sole discretion, whether such change equitably requires an adjustment in the terms of any award in order to prevent dilution or enlargement of the benefits available under the Plan (including number of shares subject to the award and the exercise price) or the aggregate number of shares reserved for issuance under the Plan. Any such adjustments will be made by the Committee, whose determination will be final, binding and conclusive.

3.3. Administrative Stand Still. In the event of any changes in capitalization described above in Section 3.2, or any other extraordinary transaction or change affecting the shares or the share price of Common Stock, including any equity restructuring or any securities offering or other similar transaction, for administrative convenience, the Committee may refuse to permit the exercise of any award for up to sixty days before and/or after such transaction; provided, however, that the Committee may not refuse to permit the exercise of any award during the last five trading days prior to the expiration of such award.

3.4. Substitute Awards. In connection with an entity’s merger or consolidation with the Company or any Subsidiary or Affiliate or the Company’s or any Subsidiary’s or Affiliate’s acquisition of an entity’s property or stock, the Committee may grant awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute awards may be granted on such terms as the Committee deems appropriate, notwithstanding limitations on awards in the Plan. Substitute awards will not count against the plan limit, except that shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan.

Section 4. Eligibility.

Awards may be made or granted to employees, officers, directors and consultants of the Company, Parent companies, Subsidiaries or Affiliates who are deemed to have rendered or to be able to render significant services to the Company or Subsidiaries and who are deemed to have contributed or to have the potential to contribute to the success of the Company or Subsidiary and which recipients are qualified to receive options under the regulations governing Form S-8 registration statements under the Securities Act of 1933, as amended (“Securities Act”). No Incentive Stock Option shall be granted to any person who is not an employee of the Company, Parent or Subsidiary (including any non-employee directors) at the time of grant or so qualified as set forth in the immediately preceding sentence. Notwithstanding anything to the contrary, an award may be made or granted to a person in connection with his hiring or retention, or at any time on or after the date he reaches an agreement (oral or written) with the Company, Subsidiaries, Parents or Affiliates with respect to such hiring or retention, even though it may be prior to the date the person first performs services for the Company or Subsidiaries; provided, however, that no portion of any such award shall vest prior to the date the person first performs such services and the date of grant shall be deemed to be the date hiring or retention commences.

Section 5. Stock Options.

5.1. Grant and Exercise. Stock Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Non-qualified Stock Options. Any Stock Option granted under the Plan shall contain such terms, not inconsistent with this Plan, or with respect to Incentive Stock Options, not inconsistent with the Plan and the Code, as the Committee may from time to time approve. The Committee shall have the authority to grant Incentive Stock Options or Non-qualified Stock Options, or both types of Stock Options which may be granted alone or in addition to other awards granted under the Plan.

5.2. Terms and Conditions. Stock Options granted under the Plan shall be subject to the following terms and conditions:

(a) Option Term. The term of each Stock Option shall be fixed by the Committee; provided, however, that no Stock Option may be exercisable after the expiration of ten years from the date of grant; provided, further, that no Incentive Stock Option granted to a person who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all classes of voting stock of the Company ("10% Shareholder") may be exercisable after the expiration of five years from the date of grant.

(b) Exercise Price. The exercise price per share of Common Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant; provided, however, that the exercise price of a Stock Option may not be less than 100% of the Fair Market Value on the date of grant or, if greater, the par value of a share of Common Stock; provided, further, that the exercise price of an Incentive Stock Option granted to a 10% Shareholder may not be less than 110% of the Fair Market Value on the date of grant.

(c) Exercisability. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee. The Committee intends generally to provide that Stock Options be exercisable only in installments, i.e., that they vest over time, generally over a two- to five-year period. The Committee may waive such installment exercise provisions at any time at or after the time of grant in whole or in part, based upon such factors as the Committee determines.

(d) Method of Exercise. Subject to whatever installment, exercise and waiting period provisions are applicable in a particular case, Stock Options may be exercised in whole or in part at any time during the term of the Option by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price, which shall be in cash or, if provided in the Agreement, either in shares of Common Stock (including Restricted Stock and other contingent awards under this Plan) or partly in cash and partly in such Common Stock, or such other means which the Committee determines are consistent with the Plan's purpose and applicable law. Cash payments shall be made by wire transfer, certified or bank check or personal check, in each case payable to the order of the Company; provided, however, that the Company shall not be required to deliver certificates for shares of Common Stock with respect to which an Option is exercised until the Company has confirmed the receipt of good and available funds in payment of the purchase price thereof (except that, in the case of an exercise arrangement approved by the Committee and described in the last sentence of this paragraph, payment may be made as soon as practicable after the exercise). The Committee may permit a Holder to elect to pay the exercise price upon the exercise of a Stock Option by irrevocably authorizing a third party to sell shares of Common Stock (or a sufficient portion of the shares) acquired upon exercise of the Stock Option and remit to the Company a sufficient portion of the sale proceeds to pay the entire exercise price and any tax withholding resulting from such exercise. The Committee may also authorize other means for paying the exercise price of a Stock Option, including using the value of the Stock Option (as determined by the difference in the market price of the Common Stock and the exercise price of the Stock Option or other means determined by the Committee).

(e) Stock Payments. Payments in the form of Common Stock shall be valued at the Fair Market Value on the date of exercise. Such payments shall be made by delivery of stock certificates in negotiable form that are effective to transfer good and valid title thereto to the Company, free of any liens or encumbrances.

(f) Transferability. Except as may be set forth in the next sentence of this Section or in the Agreement, no Stock Option shall be transferable by the Holder other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Holder's lifetime, only by the Holder (or, to the extent of legal incapacity or incompetency, the Holder's guardian or legal representative). Notwithstanding the foregoing, a Holder, with the approval of the Committee, may transfer a Non-Qualified Stock Option (i) (A) by gift, for no consideration, or (B) pursuant to a domestic relations order, in either case, to or for the benefit of the Holder's "Immediate Family" (as defined below), or (ii) to an entity in which the Holder and/or members of Holder's Immediate Family own more than fifty percent of the voting interest, subject to such limits as the Committee may establish and the execution of such documents as the Committee may require, and the transferee shall remain subject to all the terms and conditions applicable to the Non-Qualified Stock Option prior to such transfer. The term "Immediate Family" shall mean any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, including adoptive relationships, any person sharing the Holder's household (other than a tenant or employee), a trust in which these persons have more than fifty percent beneficial interest, and a foundation in which these persons (or the Holder) control the management of the assets. The Committee may, in its sole discretion, permit transfer of an Incentive Stock Option in a manner consistent with applicable tax and securities law upon the Holder's request.

(g) Termination by Reason of Death. If a Holder's employment by, or association with, the Company, Parent, Subsidiary or Affiliate terminates by reason of death, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of death may thereafter be exercised by the legal representative of the estate or by the legatee of the Holder under the will of the Holder, for a period of one year (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is shorter.

(h) Termination by Reason of Disability. If a Holder's employment by, or association with, the Company, Parent, Subsidiary or Affiliate terminates by reason of Disability, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of one year (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter.

(i) Termination by Reason of Normal Retirement. Subject to the provisions of Section 13.4, if such Holder's employment by, or association with, the Company, Parent, Subsidiary or Affiliate terminates due to Normal Retirement, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of one year in the case of a Non-Qualified Stock Option or three months in the case of an Incentive Stock Option (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter.

(j) Other Termination. Subject to the provisions of Section 13.4, if such Holder's employment by, or association with, the Company, Parent, Subsidiary or Affiliate terminates for any reason other than death, Disability or Normal Retirement, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that, if the Holder's employment is terminated by the Company, Parent, Subsidiary or Affiliate without cause, the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of three months (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter.

(k) Incentive Stock Options. The aggregate Fair Market Value (on the date of grant of the Stock Option) with respect to which Incentive Stock Options become exercisable for the first time by a Holder during any calendar year (under all such plans of the Company and its Parent and Subsidiaries) shall not exceed \$100,000. To the extent that any Stock Option intended to qualify as an Incentive Stock Option does not so qualify, including by reason of the immediately preceding sentence, it shall constitute a separate Non-qualified Stock Option. The Company shall have no liability to any Holder or any other person if a Stock Option designated as an Incentive Stock Option fails to qualify as such at any time or if a Stock Option is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code and the terms of such Stock Option do not satisfy the requirements of Section 409A of the Code.

(l) Buyout and Settlement Provisions. The Committee may at any time, in its sole discretion, offer to repurchase a Stock Option previously granted, at a purchase price not to exceed the Repurchase Value, based upon such terms and conditions as the Committee shall establish and communicate to the Holder at the time that such offer is made.

(m) Rights as Shareholder. A Holder shall have none of the rights of a Shareholder with respect to the shares subject to the Option until such shares shall be transferred to the Holder upon the exercise of the Option.

Section 6. Stock Appreciation Rights.

6.1. Grant and Exercise. Subject to the terms and conditions of the Plan, the Committee may grant Stock Appreciation Rights in tandem with an Option or alone and unrelated to an Option. The Committee may grant Stock Appreciation Rights to participants who have been or are being granted Stock Options under the Plan as a means of allowing such participants to exercise their Stock Options without the need to pay the exercise price in cash. In the case of a Non-qualified Stock Option, a Stock Appreciation Right may be granted either at or after the time of the grant of such Non-qualified Stock Option. In the case of an Incentive Stock Option, a Stock Appreciation Right may be granted only at the time of the grant of such Incentive Stock Option.

6.2. Terms and Conditions. Stock Appreciation Rights shall be subject to the following terms and conditions:

(a) Exercisability. Stock Appreciation Rights shall be exercisable as shall be determined by the Committee and set forth in the Agreement, subject, for Stock Appreciation Rights granted in tandem with an Incentive Stock Option, to the limitations, if any, imposed by the Code with respect to related Incentive Stock Options.

(b) Termination. All or a portion of a Stock Appreciation Right granted in tandem with a Stock Option shall terminate and shall no longer be exercisable upon the termination or after the exercise of the applicable portion of the related Stock Option.

(c) Method of Exercise. Stock Appreciation Rights shall be exercisable upon such terms and conditions as shall be determined by the Committee and set forth in the Agreement and, for Stock Appreciation Rights granted in tandem with a Stock Option, by surrendering the applicable portion of the related Stock Option. Upon exercise of all or a portion of a Stock Appreciation Right and, if applicable, surrender of the applicable portion of the related Stock Option, the Holder shall be entitled to receive a number of shares of Common Stock equal to the SAR Value divided by the Fair Market Value on the date the Stock Appreciation Right is exercised or, at the Company's election, cash for the value so calculated.

(d) Shares Available Under Plan. The granting of a Stock Appreciation Right in tandem with a Stock Option shall not affect the number of shares of Common Stock available for awards under the Plan. The number of shares available for awards under the Plan will, however, be reduced by the number of shares of Common Stock acquirable upon exercise of the Stock Option to which such Stock Appreciation Right relates.

Section 7. Restricted Stock; Restricted Stock Units.

7.1. Grant. Shares of Restricted Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be awarded, the number of shares to be awarded, the price (if any) to be paid by the Holder, any Restriction Period, the vesting schedule and rights to acceleration thereof, the Performance Goal(s), if any, and level of achievement versus the Performance Goal(s) that shall determine the number of shares of Restricted Stock granted, issued and/or vested, the term of the performance period, if any, as to which performance will be measured for determining the number of such shares of Restricted Stock and all other terms and conditions of the awards. In addition, the Committee may award Restricted Stock Units, which may be subject to vesting and forfeiture conditions during the applicable Restriction Period, as set forth in an Agreement.

7.2. Restricted Stock Terms and Conditions. Each Restricted Stock award shall be subject to the following terms and conditions:

(a) Certificates. Restricted Stock, when issued, will be represented by a stock certificate or certificates registered in the name of the Holder to whom such Restricted Stock shall have been awarded. During the Restriction Period, certificates representing the Restricted Stock and any securities constituting Retained Distributions (as defined below) shall bear a legend to the effect that ownership of the Restricted Stock (and such Retained Distributions) and the enjoyment of all rights appurtenant thereto are subject to the restrictions, terms and conditions provided in the Plan and the Agreement. Such certificates shall be deposited by the Holder with the Company, together with stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock and any securities constituting Retained Distributions that shall be forfeited or that shall not become vested in accordance with the Plan and the Agreement.

(b) Rights of Holder. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. The Holder will have the right to vote such Restricted Stock and to exercise all other rights, powers and privileges of a holder of Common Stock with respect to such Restricted Stock, with the exceptions that (i) the Holder will not be entitled to delivery of the stock certificate or certificates representing such Restricted Stock until the Restriction Period shall have expired and unless all other vesting requirements with respect thereto shall have been fulfilled; (ii) the Company will retain custody of the stock certificate or certificates representing the Restricted Stock during the Restriction Period; (iii) the Company will retain custody of all dividends and distributions ("Retained Distributions") made, paid or declared with respect to the Restricted Stock (and such Retained Distributions will be subject to the same restrictions, terms and conditions as are applicable to the Restricted Stock) until such time, if ever, as the Restricted Stock with respect to which such Retained Distributions shall have been made, paid or declared shall have become vested and with respect to which the Restriction Period shall have expired; and (iv) a breach by the Holder of any of the restrictions, terms or conditions contained in this Plan or the Agreement or otherwise established by the Committee with respect to any Restricted Stock or Retained Distributions will cause a forfeiture of such Restricted Stock and any Retained Distributions with respect thereto.

(c) Vesting; Forfeiture. Upon the expiration of the Restriction Period with respect to each award of Restricted Stock and the satisfaction of any other applicable restrictions, terms and conditions, which may include Performance Goals, (i) all or part of such Restricted Stock shall become vested in accordance with the terms of the Agreement, and (ii) any Retained Distributions with respect to such Restricted Stock shall become vested to the extent that the Restricted Stock related thereto shall have become vested. Any such Restricted Stock and Retained Distributions that do not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Restricted Stock and Retained Distributions that shall have been so forfeited.

(d) Discretionary Adjustments and Limits. Notwithstanding the satisfaction of any Performance Goals, the number of shares of Restricted Stock granted, issued and/or vested under an award of Restricted Stock on account of either financial performance or personal performance evaluations may, to the extent specified in the Agreement, be reduced, but not increased, by the Committee on the basis of such further considerations as the Committee shall determine.

7.3. Restricted Stock Units Terms and Conditions. Each Restricted Stock Units award shall be subject to the following terms and conditions:

(a) Settlement. The Committee may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Holder's election, in a manner intended to comply with Section 409A.

(b) Shareholder Rights. A Holder will have no rights of a holder of Common Stock with respect to shares subject to any Restricted Stock Unit unless and until the shares are delivered in settlement of the Restricted Stock Unit.

(c) Dividend Equivalents. If the Committee provides, a grant of Restricted Stock Units may provide a Holder with the right to receive dividend equivalents. Dividend equivalents may be paid currently or credited to an account for the Holder, settled in cash or shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the dividend equivalents are granted and subject to other terms and conditions as set forth in the Agreement.

Section 8. Other Stock-Based Awards.

Other Stock-Based Awards may be awarded, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, purchase rights, shares of Common Stock awarded which are not subject to any restrictions or conditions, convertible or exchangeable debentures, or other rights convertible into shares of Common Stock and awards valued by reference to the value of securities of or the performance of specified Subsidiaries. These other stock-based awards may include performance shares or options, whose award is tied to specific Performance Goals. Other Stock-Based Awards may be awarded either alone or in addition to or in tandem with any other awards under this Plan or any other plan of the Company. Each other Stock-Based Award shall be subject to such terms and conditions as may be determined by the Committee.

Section 9. Incentive Bonuses.

9.1. General. Each Incentive Bonus award will confer upon the Holder the opportunity to earn a future payment tied to the level of achievement with respect to one or more Performance Goal(s) established for a performance period established by the Committee.

9.2. Incentive Bonus Document. The terms of any Incentive Bonus will be set forth in an Agreement. Each Agreement evidencing an Incentive Bonus shall contain provisions regarding (i) the target and maximum amount payable to the Holder as an Incentive Bonus, (ii) the Performance Goal(s) and level of achievement versus the Performance Goal(s) that shall determine the amount of such payment, (iii) the term of the performance period as to which performance shall be measured for determining the amount of any payment, (iv) the timing of any payment earned by virtue of performance, (v) restrictions on the alienation or transfer of the Incentive Bonus prior to actual payment, (vi) forfeiture provisions and (vii) such further terms and conditions, in each case not inconsistent with this Plan as may be determined from time to time by the Committee.

9.3. Performance Goals. The Committee shall establish the Performance Goal(s) and level of achievement versus the Performance Goal(s) that shall determine the target and maximum amount payable under an Incentive Bonus.

9.4. Timing and Form of Payment. The Committee shall determine the timing of payment of any Incentive Bonus. Payment of the amount due under an Incentive Bonus shall be made in cash. The Committee may provide for or, subject to such terms and conditions as the Committee may specify, may permit a Holder to elect for, the payment of any Incentive Bonus to be deferred to a specified date or event.

9.5. Discretionary Adjustments. Notwithstanding satisfaction of any Performance Goals, the amount paid under an Incentive Bonus on account of either financial performance or personal performance evaluations may, to the extent specified in the Agreement, be reduced, but not increased, by the Committee on the basis of such further considerations as the Committee shall determine.

9.6. Termination. If a Holder's employment by, or association with, the Company or any Subsidiary, Parent or Affiliate terminates for any reason (including by reason of death or Disability), the Holder shall receive payment in respect of any Incentive Bonuses only to the extent specified by the Committee, unless otherwise expressly provided in the Agreement or another contract, including an employment agreement. Payments in respect of any such Incentive Bonuses shall be made at the time specified by the Committee and set forth in the Agreement.

Section 10. Accelerated Vesting and Exercisability.

10.1. Non-Approved Transactions. If there is a Change of Control, and the Board does not authorize or otherwise approve such transaction, then the vesting periods of any and all Stock Options and other awards granted and outstanding under the Plan shall be accelerated and all such Stock Options and awards will immediately and entirely vest, and the respective holders thereof will have the immediate right to purchase and/or receive any and all Common Stock subject to such Stock Options and awards on the terms set forth in this Plan and the respective Agreements respecting such Stock Options and awards, and all Performance Goals will be deemed achieved at 100% of target levels and all other terms and conditions will be deemed met. An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which the Company acquires its stock in exchange for property is not treated as an acquisition of stock for purposes of this Section 10.1.

10.2. Approved Transactions. The Committee may, in the event of an acquisition by any one person, or more than one person acting as a group, together with acquisitions during the 12-month period ending on the date of the most recent acquisition by such person or persons, of assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately before such acquisition or acquisitions, or there is a Change of Control that has been approved by the Company's Board of Directors, (i) accelerate the vesting of any and all Stock Options and other awards granted and outstanding under the Plan; (ii) require a Holder of any Stock Option, Stock Appreciation Right, Restricted Stock award or Other Stock-Based Award granted under this Plan to relinquish such award to the Company upon the tender by the Company to Holder of cash, stock or other property, or any combination thereof, in an amount equal to the Repurchase Value of such award; provided, however, that the obligation to tender the Repurchase Value to such Holders may be subject to any terms and conditions to which the tender of consideration to the Company's shareholders in connection with the acquisition is subject, including any terms and conditions of the acquisition providing for an adjustment to or escrow of such consideration; and provided, further, that in the case of any Stock Option or Stock Appreciation Right with an exercise price that equals or exceeds the price paid for a share of Common Stock in connection with the acquisition, the Committee may cancel the Stock Option or Stock Appreciation Right without the payment of consideration therefor; and/or (iii) terminate all incomplete performance periods in respect of awards in effect on the date the acquisition occurs, determine the extent to which Performance Goals have been met based upon such information then available as it deems relevant and cause to be paid to the Holder all or the applicable portion of the award based upon the Committee's determination of the degree of attainment of Performance Goals, or on such other basis determined by the Committee. For this purpose, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

10.3. Code Section 409A. Notwithstanding any provisions of this Plan or any award granted hereunder to the contrary, no acceleration shall occur with respect to any award to the extent such acceleration would cause the Plan or an award granted hereunder to fail to comply with Code Section 409A.

Section 11. Amendment and Termination.

The Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Plan or any Agreement, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a Holder under any Agreement theretofore entered into hereunder, without the Holder's consent, except as set forth in this Plan or the Agreement. Notwithstanding anything to the contrary herein, no amendment to the provisions of the Plan shall be effective unless approved by the shareholders of the Company to the extent shareholder approval is necessary to satisfy any provision of the Code or other applicable law or the listing requirements of any national securities exchange on which the Company's securities are listed.

Section 12. Term of Plan.

12.1. Effective Date. The Effective Date of the Plan shall be January 1, 2017, subject to the approval of the Plan by the Company's shareholders within one year after the Effective Date. Only Stock Options may be granted under the Plan prior to such approval of the Plan by the Company's shareholders; *provided, however*, that if the Plan is not approved by the affirmative vote of the holders of a majority of the Common Stock within one year from the Effective Date, then (i) no Incentive Stock Options may be granted hereunder and (ii) all Incentive Stock Options previously granted hereunder shall be automatically converted into Non-qualified Stock Options.

12.2. Termination Date. Unless terminated by the Board, this Plan shall continue to remain effective until such time as no further awards may be granted and all awards granted under the Plan are no longer outstanding. Notwithstanding the foregoing, grants of Incentive Stock Options may be made only during the ten-year period beginning on the Effective Date.

Section 13. General Provisions.

13.1. Written Agreements. Each award granted under the Plan shall be confirmed by, and shall be subject to the terms of, the Agreement executed by the Company and the Holder, or such other document as may be determined by the Committee. The Committee may terminate any award made under the Plan if the Agreement relating thereto is not executed and returned to the Company within 10 days after the Agreement has been delivered to the Holder for his or her execution.

13.2. Performance Awards. The Committee, in its sole discretion, may determine at the time an award is granted or at any time thereafter whether such award is intended to qualify as “performance based compensation” within the meaning of Section 162(m) of the Code. For the avoidance of doubt, nothing herein shall require the Committee to structure any awards in a manner intended to constitute performance based compensation and the Committee shall be free, in its sole discretion, to grant awards that are not intended to be performance based compensation. Notwithstanding any other provision of the Plan and except as otherwise determined by the Committee, any award which is granted under the Plan and is intended to qualify as performance based compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code or any regulations or rulings issued thereunder that are requirements for qualification as performance based compensation, and the Plan and the applicable Agreement shall be deemed amended to the extent necessary to conform to such requirements. In addition, Restricted Stock awards, Other Stock-Based Awards and Incentive Bonus awards that are intended to qualify as performance based compensation under Section 162(m) of the Code shall be subject to the following provisions, which shall control over any conflicting provision in the Plan or any Agreement:

(a) To the extent necessary to comply with the requirements of Section 162(m)(4)(C) of the Code, no later than 90 days following the commencement of any performance period or any designated fiscal period or period of service (or such earlier time as may be required under Section 162(m) of the Code), the Committee shall, in writing, (a) designate the recipient to receive such award, (b) select the performance criteria applicable to the performance period, (c) establish the Performance Goals, and amounts of such awards, as applicable, which may be earned for such performance period based on the performance criteria, and (d) specify the relationship between performance criteria and the Performance Goals and the amounts of such awards, as applicable, to be earned by each covered employee for such performance period.

(b) Following the completion of each performance period, the Committee shall certify in writing whether and the extent to which the applicable Performance Goals have been achieved for such performance period. In determining the amount earned under such awards, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant, including the assessment of individual or corporate performance for the performance period.

(c) No adjustment or action described in Section 3.2 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause such award to fail to so qualify as performance based compensation, unless the Committee determines that the award should not so qualify.

13.3. Unfunded Status of Plan. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a Holder by the Company, nothing contained herein shall give any such Holder any rights that are greater than those of a general creditor of the Company.

13.4. Employees.

(a) Engaging in Competition With the Company; Solicitation of Customers and Employees; Disclosure of Confidential Information.

If a Holder’s employment with the Company, Parent, Subsidiary or Affiliate is terminated for any reason whatsoever, and Holder (i) within three months after the date thereof, accepts employment with any competitor of, or otherwise engages in competition with, the Company, Parent, Subsidiary or Affiliate, (ii) within two years after the date thereof, solicits any customers or employees of the Company, Parent, Subsidiary or Affiliate to do business with or render services to the Holder or any business with which the Holder becomes affiliated or to which the Holder renders services or (iii) at any time uses or discloses to anyone outside the Company any confidential information or material of the Company, Parent, Subsidiary or Affiliate in violation of the Company’s policies or any agreement between the Holder and the Company, Parent, Subsidiary or Affiliate, the Committee, in its sole discretion, may require such Holder to return (through the payment of cash, return and transfer to the Company of shares of Common Stock or by other methods determined by the Committee) to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on the date that is six months prior to the date such Holder’s employment with the Company is terminated; provided, however, that if the Holder is a resident of the State of California, such right must be exercised by the Company for cash within six months after the date of termination of the Holder’s service to the Company or within six months after exercise of the applicable Stock Option, whichever is later. In such event, Holder agrees to (1) remit to the Company, in cash, an amount equal to the difference between the Fair Market Value of the shares subject to the award on the date of termination (or the sales price of such shares if the shares were sold during such six month period) and the price the Holder paid the Company for such shares, or (2) in the case of SARs, shall, at the Company’s election, return the full amount paid to the Holder in connection therewith.

(b) Termination for Cause. If a Holder’s employment with the Company, Parent, subsidiary or Affiliate is terminated for cause, the Committee may, in its sole discretion, require such Holder to return to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on that date that is six months prior to the date such Holder’s employment with the Company is terminated. In such event, Holder agrees to (1) remit to the Company, in cash, an amount equal to the difference between the Fair Market Value of the shares on the date of termination (or the sales price of such Shares if the shares were sold during such six month period) and the price the Holder paid the Company for such shares, (2) with the consent of the Company, which may be withheld for any reason or no reason, shares of Common Stock having Fair Market Value surrendered to the Company equal to the Fair Market Value on the date they were acquired upon exercise of the Option or (3) in the case of SARs, shall return the full amount paid to the Holder in connection therewith.

(c) No Right of Employment. Nothing contained in the Plan or in any award hereunder shall be deemed to confer upon any Holder who is an employee of the Company, Parent, Subsidiary or Affiliate any right to continued employment with the Company, Parent, Subsidiary or Affiliate, nor shall it interfere in any way with the right of the Company, Parent, Subsidiary or Affiliate to terminate the employment of any Holder who is an employee at any time.

13.5. No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Committee shall determine whether cash, additional awards or other securities or property shall be issued or paid in lieu of fractional shares of Common Stock or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

13.6. Provisions for Foreign Participants. The Committee may modify awards granted to Holders who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

13.7. Limitations on Liability.

(a) Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company or any Subsidiary, Parent or Affiliate will be liable to any Holder, former Holder, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as member of the Committee, director, officer, other employee or agent of the Company or any Subsidiary, Parent or Affiliate. The Company will indemnify and hold harmless each director, officer, other employee and agent of the Company or any Subsidiary, Parent or Affiliate that has been or will be granted or delegated any duty or power relating to the Plan's administration or interpretation, against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the Committee's approval) arising from any act or omission concerning this Plan unless arising from such person's own fraud or bad faith.

(b) Neither the Company nor any Subsidiary shall be liable to a Holder or any other person as to: (i) the non-issuance or sale of shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and (ii) any tax consequence expected, but not realized, by any Holder or other person due to the receipt, exercise or settlement of any Award granted hereunder.

13.8. Lock-Up Period. The Company may, at the request of any underwriter representative, placement agent or otherwise, in connection with the registered offering of any Company securities under the Securities Act or pursuant to an exemption therefrom, prohibit Holders from, directly or indirectly, selling or otherwise transferring any shares or other Company securities acquired under this Plan during a period of up to one hundred eighty days following either the effective date of a Company registration statement filed under the Securities Act, in the case of a registered offering, or the closing date of the sale of the Company securities, in the case of an offering exempt from registration, or for such longer period as determined by the underwriter, representative or placement agent.

13.9. Data Privacy. As a condition for receiving any award, each Holder explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this paragraph by and among the Company and its Parent, Subsidiaries and Affiliates exclusively for implementing, administering and managing the Holder's participation in the Plan. The Company and its Parent, Subsidiaries and Affiliates may hold certain personal information about a Holder, including the Holder's name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any shares held in the Company or its Parent, Subsidiaries and Affiliates; and award details, to implement, manage and administer the Plan and awards (the "Data"). The Company and its Parent, Subsidiaries and Affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Holder's participation in the Plan, and the Company and its Subsidiaries and Affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Holder's country, or elsewhere, and the Holder's country may have different data privacy laws and protections than the recipients' country. By accepting an award, each Holder authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Holder's participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Holder may elect to deposit any shares. The Data related to a Holder will be held only as long as necessary to implement, administer, and manage the Holder's participation in the Plan. A Holder may, at any time, view the Data that the Company holds regarding such Holder, request additional information about the storage and processing of the Data regarding such Holder, recommend any necessary corrections to the Data regarding the Holder or refuse or withdraw the consents in this Section 13.9 in writing, without cost, by contacting the local human resources representative. The Company may cancel Holder's ability to participate in the Plan and, in the Committee's discretion, the Holder may forfeit any outstanding awards if the Holder refuses or withdraws the consents in this Section 13.9. For more information on the consequences of refusing or withdrawing consent, Holders may contact their local human resources representative.

13.10. Successor. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company and its Subsidiaries, taken as a whole.

13.11. Investment Representations; Company Policy. The Committee may require each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the Holder is acquiring the shares for investment without a view to distribution thereof. Each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan shall be required to abide by all policies of the Company in effect at the time of such acquisition and thereafter with respect to the ownership and trading of the Company's securities.

13.12. Additional Incentive Arrangements. Nothing contained in the Plan shall prevent the Board from adopting such other or additional incentive arrangements as it may deem desirable, including, but not limited to, the granting of Stock Options and the awarding of Common Stock and cash otherwise than under the Plan; and such arrangements may be either generally applicable or applicable only in specific cases.

13.13. Withholding Taxes. Not later than the date as of which an amount must first be included in the gross income of the Holder for Federal income tax purposes with respect to any Stock Option or other award under the Plan, the Holder shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state and local taxes of any kind required by law to be withheld or paid with respect to such amount. If permitted by the Committee, tax withholding or payment obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditioned upon such payment or arrangements and the Company or the Holder's employer (if not the Company) shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Holder from the Company or any Subsidiary.

13.14. Clawback. Notwithstanding any other provisions of the Plan, any award which is subject to recovery under any law, government regulation or listing requirement of any national securities exchange on which the Company's securities are listed, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or listing requirement).

13.15. Governing Law. The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the law of the State of Delaware (without regard to choice of law provisions).

13.16. Other Benefit Plans. Any award granted under the Plan shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Parent, Subsidiary or Affiliate and shall not affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation (unless required by specific reference in any such other plan to awards under this Plan).

13.17. Non-Transferability. Except as otherwise expressly provided in the Plan or the Agreement, no right or benefit under the Plan may be alienated, sold, assigned, hypothecated, pledged, exchanged, transferred, encumbered or charged, and any attempt to alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same shall be void.

13.18. Applicable Laws. The obligations of the Company with respect to all Stock Options and other awards under the Plan shall be subject to (i) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, the Securities Act, and (ii) the rules and regulations of any securities exchange on which the Common Stock may be listed. Notwithstanding anything herein to the contrary, the Plan and all awards will be administered only in conformance with such applicable laws. To the extent such applicable laws permit, the Plan and all Agreements will be deemed amended as necessary to conform to such applicable laws.

13.19. Conflicts. If any of the terms or provisions of the Plan or an Agreement conflict with the requirements of Section 422 of the Code, then such terms or provisions shall be deemed inoperative to the extent they so conflict with such requirements. Additionally, if this Plan or any Agreement does not contain any provision required to be included herein under Section 422 of the Code, such provision shall be deemed to be incorporated herein and therein with the same force and effect as if such provision had been set out at length herein and therein. If any of the terms or provisions of any Agreement conflict with any terms or provisions of the Plan, then such Agreement shall be deemed entered into outside of this Plan. Additionally, if any Agreement does not contain any provision required to be included therein under the Plan, such provision shall be deemed to be incorporated therein with the same force and effect as if such provision had been set out at length therein.

13.20. Compliance with Section 409A of the Code. The Company intends that any awards be structured in compliance with, or to satisfy an exemption from, Section 409A of the Code, such that there are no adverse tax consequences, interest, or penalties pursuant to Section 409A of the Code as a result of the awards. Notwithstanding the Company's intention, in the event any award is subject to Section 409A of the Code, the Committee may, in its sole discretion and without a participant's prior consent, amend this Plan and/or outstanding Agreements, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and actions with retroactive effect) as are necessary or appropriate to (i) exempt this Plan and/or any award from the application of Section 409A of the Code, (ii) preserve the intended tax treatment of any such award, or (iii) comply with the requirements of Section 409A of the Code, including without limitation any such regulations guidance, compliance programs and other interpretive authority that may be issued after the date of grant of an award. This Plan shall be interpreted at all times in such a manner that the terms and provisions of the Plan and the awards are exempt from or comply with Section 409A of the Code.

13.21. Sub-Plans. The Committee may from time to time establish sub-plans under the Plan for purposes of satisfying blue sky, securities, tax or other laws of various jurisdictions in which the Company intends to grant Awards. Any sub-plans shall contain such limitations and other terms and conditions as the Committee determines are necessary or desirable. All sub-plans shall be deemed a part of the Plan, but each sub-plan shall apply only to the participants in the jurisdiction for which the sub-plan was designed.

13.22. Non-Registered Stock. The shares of Common Stock to be distributed under this Plan have not been, as of the Effective Date, registered under the Securities Act or any applicable state or foreign securities laws and the Company has no obligation to any Holder to register the Common Stock or to assist the Holder in obtaining an exemption from the various registration requirements, or to list the Common Stock on a national securities exchange or any other trading or quotation system.

13.23. Non-Uniform Treatment. The Committee's determinations under the Plan need not be uniform and may be made by it selectively among persons who are eligible to receive, or actually receive, Awards. Without limiting the generality of the foregoing, the Committee shall be entitled to make non-uniform and selective determinations, amendments and adjustments, and to enter into non-uniform and selective Award Agreements.

ESCROW AGREEMENT

AGREEMENT made this __ day of _____, 2017, by and among Chicken Soup for the Soul Entertainment, Inc. (the "Issuer"), the representative of the Joint Bookrunning Managers ("Joint Bookrunning Manager") whose name and address appears on the Information Sheet (as defined herein) attached to this Agreement, and Continental Stock Transfer & Trust Company, 17 Battery Place, 8th Floor, New York, New York 10004 (the "Escrow Agent").

WITNESSETH:

WHEREAS, the Issuer has filed with the Securities and Exchange Commission (the "Commission") an offering statement (the "Offering Statement") covering a proposed public offering of its securities as described on the Information Sheet;

WHEREAS, the Joint Bookrunning Managers propose to offer the Securities, as agents for the Issuer and Selling Stockholders named in the Offering Statement, for sale to the public on a "best efforts, any or all" basis with respect to the Maximum Securities Amount and Maximum Dollar Amount and at the price per share all as set forth, on the Information Sheet;

WHEREAS the Issuer and the Joint Bookrunning Managers propose to establish an escrow account (the "Escrow Account"), to which subscription monies which are received by the Escrow Agent from the Joint Bookrunning Managers and other selling agents and dealers (collectively, the "Selling Agents") in connection with such public offering are to be credited, and the Escrow Agent is willing to establish the Escrow Account and the terms are subject to the conditions hereinafter set forth; and

WHEREAS, the Escrow Agent has an agreement with JP Morgan Chase to establish a special bank account (the "Bank Account") into which the subscription monies, which are received by the Escrow Agent from the Selling Agents and credited to the Escrow Account, are to be deposited;

NOW, THEREFORE in consideration of the premises and mutual covenants herein contained, the parties hereto hereby agree as follows:

1. Information Sheet. Each capitalized term not otherwise defined in this Agreement shall have the meaning set forth for such term on the information sheet which is attached to this Agreement and is incorporated by reference herein and made a part hereof (the "Information Sheet").

2. Establishment of the Bank Account.

2.1 The Escrow Agent shall establish a non-interest bank account at the branch of JP Morgan Chase selected by the Escrow Agent, and bearing the designation set forth on the Information Sheet (heretofore defined as the "Bank Account"). The purpose of the Bank Account is for (a) the deposit of all subscription monies (checks, or wire transfers) which are received by the Selling Agents from prospective purchasers of the Securities and are delivered by the Selling Agents to the Escrow Agent, (b) the holding of amounts of subscription monies which are collected through the banking system, and (c) the disbursement of collected funds, all as described herein.

2.2 On or before the date of the initial deposit in the Bank Account pursuant to this Agreement, the Joint Bookrunning Manager shall notify the Escrow Agent in writing of the Qualification Date of the Offering Statement (the "Qualification Date"), and the Escrow Agent shall not be required to accept any amounts for credit to the Escrow Account or for deposit in the Bank Account prior to its receipt of such notification.

2.3 The Offering Period, which shall be deemed to commence on the Qualification Date, shall consist of the number of calendar days or business days set forth on the Information Sheet, including the extension described therein; provided, however that if such extension is initiated, the Escrow Agent shall be provided with written notice of such extension no later than one (1) business day after the date on which such extension is initiated. The last day of the Offering Period, as may be extended, is referred to herein as the "Termination Date". After the Termination Date, the Selling Agents shall not deposit, and the Escrow Agent shall not accept, any additional amounts representing payments by prospective purchasers.

3. Deposits to the Bank Account.

3.1 The Selling Agents shall promptly deliver to the Escrow Agent all monies which they receive from prospective purchasers of the Securities, which monies shall be in the form of checks or wire transfers. Upon the Escrow Agent's receipt of such monies, they shall be credited to the Escrow Account. All checks delivered to the Escrow Agent shall be made payable to "CST&T CSS ENTERTAINMENT Escrow Account." Any check payable other than to the Escrow Agent as required hereby shall be returned to the prospective purchaser, or if the Escrow Agent has insufficient information to do so, then to the applicable Selling Agent (together with any Subscription Information, as defined below or other documents delivered therewith) by noon of the next business day following receipt of such check by the Escrow Agent, and such check shall be deemed not to have been delivered to the Escrow Agent pursuant to the terms of this Agreement.

3.2 Promptly after receiving subscription monies as described in Section 3.1, the Escrow Agent shall deposit the same into the Bank Account. Amounts of monies so deposited are hereinafter referred to as "Escrow Amounts." The Escrow Agent shall cause the Bank to process all Escrow Amounts for collection through the banking system. Simultaneously with each deposit to the Escrow Account, the applicable Selling Agent (or the Issuer, if such deposit is made by the Issuer) shall inform the Escrow Agent in writing of the name, address, and the tax identification number of the purchaser, the amount of Securities subscribed for by such purchase, and the aggregate dollar amount of such subscription (collectively, the "Subscription Information").

3.3 The Escrow Agent shall not be required to accept in the Escrow Account any amounts representing payments by prospective purchasers, whether by check or wire, except during the Escrow Agent's regular business hours. The Selling Agents shall maintain the name, address, tax identification number and the number of shares and other know your customer compliance.

3.4 Only those Escrow Amounts, which have been deposited in the Bank Account and which have cleared the banking system and have been collected by the Escrow Agent, are herein referred to as the "Fund".

3.5 Pursuant to Rule 15c2-4, until the Fund is disbursed in accordance with Article 4 hereof, the Issuer will not have any access to the proceeds held in the Fund. Only upon instructions from both the Issuer and the Joint Bookrunning Manager that a closing of the proposed offering will take place in accordance with Article 4 hereof will the Escrow Agent disburse any portion of the Fund to the Issuer for its use.

3.6 If the proposed offering is terminated before the Termination Date, the Escrow Agent shall, upon instructions in writing signed by both the Issuer and the Joint Bookrunning Manager, refund to the applicable investors (or the corresponding Selling Agent) any portion of the Fund prior to disbursement of the Fund to the Issuer in accordance with Article 4 hereof.

4. Disbursement from the Bank Account.

4.1 If at any time up to the close of regular banking hours on the Termination Date, the Escrow Agent receives subscription monies, the Escrow Agent shall promptly notify the Issuer and the Joint Bookrunning Manager of such fact in writing. The Escrow Agent shall promptly disburse the Fund, by drawing checks on the Bank Account in accordance with instructions in writing signed by both the Issuer and the Joint Bookrunning Manager as to the disbursement of the Fund, promptly after it receives such instructions and funds have cleared.

4.2 Upon disbursement of the Fund pursuant to the terms of this Article 4, the Escrow Agent shall be relieved of all further obligations and released from all liability under this Agreement. It is expressly agreed and understood that in no event shall the aggregate amount of payments made by the Escrow Agent exceed the amount of the Fund.

5. Rights, Duties and Responsibilities of Escrow Agent. It is understood and agreed that the duties of the Escrow Agent are purely ministerial in nature, and that:

5.1 The Escrow Agent shall notify the Joint Bookrunning Manager, on a daily basis, of the Escrow Amounts which have been deposited in the Bank Account and of the amounts, constituting the Fund, which have cleared the banking system and have been collected by the Escrow Agent.

5.2 The Escrow Agent shall not be responsible for or be required to enforce any of the terms or conditions of the agency agreement between the Issuer and the Joint Bookrunning Manager or any other agreement between the Issuer and the Joint Bookrunning Manager nor shall the Escrow Agent be responsible for the performance by the Issuer or the Joint Bookrunning Manager of their respective obligations under this Agreement.

5.3 The Escrow Agent shall not be required to accept from any Selling Agent (or the Issuer) any Subscription Information pertaining to prospective purchasers unless such Subscription Information is accompanied by checks, or wire transfers meeting the requirements of Section 3.1, nor shall the Escrow Agent be required to keep records of any information with respect to payments deposited by any Selling Agent (or the Issuer) except as to the amount of such payments; however, the Escrow Agent shall notify the Joint Bookrunning Manager within a reasonable time of any discrepancy between the amount set forth in any Subscription Information and the amount delivered to the Escrow Agent therewith. Such amount need not be accepted for deposit in the Escrow Account until such discrepancy has been resolved.

5.4 The Escrow Agent shall be under no duty or responsibility to enforce collection of any check delivered to it hereunder. The Escrow Agent, within a reasonable time, shall return to the applicable Selling Agent any check received which is dishonored, together with the Subscription Information, if any, which accompanied such check.

5.5 The Escrow Agent shall be entitled to rely upon the accuracy, act in reliance upon the contents, and assume the genuineness of any notice, instruction, certificate, signature, instrument or other document which is given to the Escrow Agent pursuant to this Agreement without the necessity of the Escrow Agent verifying the truth or accuracy thereof. The Escrow Agent shall not be obligated to make any inquiry as to the authority, capacity, existence or identity or any person purporting to give any such notice or instructions or to execute any such certificate, instrument or other document.

5.6 If the Escrow Agent is uncertain as to its duties or rights hereunder or shall receive instructions with respect to the Bank Account, the Escrow Amounts or the Fund which, in its sole determination, are in conflict either with other, instructions received by it or with any provision of this Agreement, it shall be entitled to hold the Escrow Amounts, the Fund, or a portion thereof, in the Bank Account pending the resolution of such uncertainty to the Escrow Agent's sole satisfaction, by final judgment of a court or courts of competent jurisdiction or otherwise; or the Escrow Agent, at its sole option, may deposit the Fund (and any other Escrow Amounts that thereafter become part of the Fund) with the Clerk of a court of competent jurisdiction in a proceeding to which all parties in interest are joined. Upon the deposit by the Escrow Agent of the Fund with the Clerk of any court, the Escrow Agent shall be relieved of all further obligations and released from all liability hereunder.

5.7 The Escrow Agent shall not be liable for any action taken or omitted hereunder, or for the misconduct of any employee, agent or attorney appointed by it, except in the case of willful misconduct or gross negligence. The Escrow Agent shall be entitled to consult with counsel of its own choosing and shall not be liable for any action taken, suffered or omitted by it in accordance with the advice of such counsel.

5.8 The Escrow Agent shall have no responsibility at any time to ascertain whether or not any security interest exists in the Escrow Amounts, the Fund or any part thereof or to file any statement under the Uniform Commercial Code with respect to the Fund or any part thereof.

6. Amendment; Resignation. This Agreement may be altered or amended only with the written consent of the Issuer, the Joint Bookrunning Manager and the Escrow Agent. The Escrow Agent may resign for any reason upon three (3) business days' written notice to the Issuer and the Joint Bookrunning Manager. Should the Escrow Agent resign as herein provided, it shall not be required to accept any deposit, make any disbursement or otherwise dispose of the Escrow Amounts or the Fund, but its only duty shall be to hold the Escrow Amounts until they clear the banking system and the Fund for a period of not more than five (5) business days following the effective date of such resignation, at which time (a) if a successor escrow agent shall have been appointed and written notice thereof (including the name and address of such successor escrow agent) shall have been given to the resigning Escrow Agent by the Issuer, the Joint Bookrunning Manager and such successor escrow agent, then the resigning Escrow Agent shall pay over to the successor escrow agent the Fund, less any portion thereof previously paid out in accordance with this Agreement; or (b) if the resigning Escrow Agent shall not have received written notice signed by the Issuer, the Joint Bookrunning Manager and a successor escrow agent, then the resigning Escrow Agent shall promptly refund the amount in the Fund to each prospective purchaser without interest thereon or deduction therefrom, and the resigning Escrow Agent shall promptly notify the Issuer and the Joint Bookrunning Manager in writing of its liquidation and distribution of the Fund; whereupon, in either case, the Escrow Agent shall be relieved of all further obligations and released from all liability under this Agreement. Without limiting the provisions of Section 8 hereof, the resigning Escrow Agent shall be entitled to be reimbursed by the Issuer and the Joint Bookrunning Manager for any expenses incurred in connection with its resignation, transfer of the Fund to a successor escrow agent or distribution of the Fund pursuant to this Section 6.

7. Representations and Warranties. The Issuer and the Joint Bookrunning Manager hereby jointly and severally represent and warrant to the Escrow Agent that:

7.1 No party other than the parties hereto and the prospective purchasers (and the applicable Selling Agents) have, or shall have, any lien, claim or security interest in the Escrow Amounts or the Fund or any part thereof.

7.2 No financing statement under the Uniform Commercial Code is on file in any jurisdiction claiming a security interest in or describing (whether specifically or Generally) the Escrow Amounts or the Fund or any part thereof.

7.3 The Subscription information submitted with each deposit shall, at the time of submission and at the time of disbursement of the Fund, be deemed a representation and warranty that such deposit represents a bona fide payment by the purchaser described therein for the amount of securities in such described as Subscription Information.

7.4 All of the information contained in the Information Sheet is, as of the date hereof, and will be, at the time of any disbursement of the Fund, true and correct.

7.5 Reasonable controls have been established and required due diligence performed to comply with "Know Your Customer" regulations, USA Patriot Act, Office of the Foreign Asset Control (OFAC) regulations and the Bank Secrecy Act.

8. Fees and Expenses. The Escrow Agent shall be entitled to the Escrow Agent Fees set forth on the Information Sheet, payable as and when stated therein. In addition, the Issuer and the Joint Bookrunning Manager jointly and severally agree to reimburse the Escrow Agent for any reasonable expenses incurred in connection with this Agreement, including, but not limited to, reasonable counsel fees. Upon receipt of any subscription monies, the Escrow Agent shall have a lien upon the Fund to the extent of its fees for services as Escrow Agent.

9. Indemnification and Contribution.

9.1 The Issuer and the Joint Bookrunning Manager (collectively referred to as the "Indemnitors") jointly and severally agree to indemnify the Escrow Agent and its officers, directors, employees, agents and shareholders (collectively referred to as the "Indemnitees") against, and hold them harmless of and from, any and all loss, liability, cost, damage and expense, including without limitation, reasonable counsel fees, which the Indemnitees may suffer or incur by reason of any action, claim or proceeding brought against the Indemnitees arising out of or relating in any way to this Agreement or any transaction to which this Agreement relates, unless such action, claim or proceeding is the result of the willful misconduct or gross negligence of the Indemnitees.

9.2 If the indemnification provided for in Section 9.1 is applicable, but for any reason is held to be unavailable, the Indemnitors shall contribute such amounts as are just and equitable to pay, or to reimburse the Indemnitees for, the aggregate of any and all losses, liabilities, costs, damages and expenses, including counsel fees, actually incurred by the Indemnitees as a result of or in connection with, and any amount paid in settlement of, any action, claim or proceeding arising out of or relating in any way to any actions or omissions of the Indemnitors.

9.3 The provisions of this Article 9 shall survive any termination of this Agreement, whether by disbursement of the Fund, resignation of the Escrow Agent or otherwise.

10. Governing Law and Assignment. This Agreement shall be construed in accordance with and governed by the internal law of the State of New York and shall be binding upon the parties hereto and their respective successors and assigns; provided, however, that any assignment or transfer by any party of its rights under this Agreement or with respect to the Escrow Amounts or the Fund shall be void as against the Escrow Agent unless (a) written notice thereof shall be given to the Escrow Agent; and (b) the Escrow Agent shall have consented in writing to such assignment or transfer.

11. Notices. All notices required to be given in connection with this Agreement shall be sent by registered or certified mail, return receipt requested, or by hand delivery with receipt acknowledged, or by the Express Mail service offered by the United States Post Office, and addressed, if to the Issuer or the Joint Bookrunning Manager, at their respective addresses set forth on the Information Sheet, and if to the Escrow Agent, at its address set forth above, to the attention of the Trust Department.

12. Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be determined to be invalid or unenforceable, the remaining provisions of this Agreement or the application of such provision to persons or circumstances other than those to which it is held invalid or unenforceable shall not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

13. Execution in Several Counterparts. This Agreement may be executed in several counterparts or by separate instruments, and all of such counterparts and instruments shall constitute one agreement, binding on all of the parties hereto.

14. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings (written or oral) of the parties in connection therewith.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the day and year first above written.

Continental Stock Transfer & Trust Company
17 Battery Place, 8th Floor

Ladies and Gentlemen:

There are hereby delivered to Continental Stock Transfer & Trust Company, as custodian (the "**Custodian**"), certificate(s) representing shares of Class A common stock ("**Common Stock**") of Chicken Soup for the Soul Entertainment, Inc., a Delaware corporation (the "**Company**"), as set forth at the end of this letter on the page entitled "CERTIFICATE(S) DEPOSITED." Each of the certificates so delivered is accompanied by an executed stock power duly endorsed for transfer and is in negotiable form bearing the signature of the undersigned. The certificate(s) are to be held by the Custodian for the account of the undersigned and are to be disposed of by the Custodian in accordance with this Custody Agreement (this "**Custody Agreement**").

Concurrently with the execution and delivery of this Custody Agreement, the undersigned has executed a power of attorney (the "**Power of Attorney**") irrevocably appointing Scott W. Seaton and William J. Rouhana, Jr. each with full power and authority to act alone in any matter thereunder and with full power of substitution, the true and lawful attorneys-in-fact of the undersigned (individually, an "**Attorney**" and collectively, the "**Attorneys**"), with full power and authority in the name of, for and on behalf of, the undersigned with respect to certain matters arising in connection with the sale of the Common Stock by the undersigned as contemplated by that certain joint bookrunning manager agreement (the "**Joint Bookrunning Manager Agreement**") among the Company, certain shareholders of the Company, including the undersigned (the "**Selling Shareholders**"), and HCFP/Capital Markets LLC, as representative (the "**Representative**") of the selling agents to be named in the Joint Bookrunning Manager Agreement (the "**Selling Agents**"), including, but not limited to, entering into and performing the undersigned's obligations under the Joint Bookrunning Manager Agreement.

The total number of shares of Common Stock to be sold by the undersigned to the Selling Agents and set forth in the Joint Bookrunning Manager Agreement is hereinafter referred to as the "**Shares**."

The Custodian is hereby authorized and directed to hold the certificate(s) deposited with the Custodian hereunder in the custody of the Custodian and, subject to the instructions of the Attorneys: (i) to take all necessary action to cause the Shares to be transferred on the books of the Company into such names as the Representative, on behalf of the several Selling Agents, shall have instructed, including surrendering the certificate(s) representing the Shares to the transfer agent for the Common Stock for cancellation, in exchange for new certificate(s) for shares of Common Stock registered in such names and in such denominations as the Representative shall have instructed; (ii) to deliver such new certificate(s) to the Representative, for the accounts of the several Selling Agents, against payment for such Shares at the purchase price per Share specified in the Joint Bookrunning Manager Agreement and to give receipt for such payment; (iii) to deposit the same to the Custodian's account as custodian for the Shares and draw upon such account to pay such transfer taxes, if any, payable in connection with the transfer of the Shares to the Selling Agents ("**Transfer Taxes**") as the Custodian may be instructed to pay by the Attorneys; (iv) to transmit to the undersigned in the manner set forth under "Manner of Payment" below, within 24 hours of receiving instructions from the Attorneys to do so, the excess, if any (the "**Net Proceeds**"), of the amount received by the Custodian as payment for the Shares over the Transfer Taxes, if any. The amount of such Net Proceeds is to be paid in the manner requested by the undersigned at the end of this Custody Agreement or in such manner as the Custodian, in accordance with the terms hereof, shall deem appropriate. Upon receipt of instructions from the Attorneys, the Custodian shall also return to the undersigned new certificate(s) representing the excess, if any, of the number of shares of Common Stock represented by the certificate(s) deposited with the Custodian hereunder over the number of Shares sold by the undersigned to the Selling Agents pursuant to the Joint Bookrunning Manager Agreement.

Under the terms of the Power of Attorney, the authority conferred thereby is granted and conferred subject to and in consideration of granted and conferred subject to and in consideration of the interests and actions of the Attorneys, the Selling Agents and the Company and is irrevocable and not subject to termination by any act of the undersigned or by operation of law, whether by the death or incapacity of the undersigned (if the undersigned is an individual), by the death or incapacity of any trustee or executor or the termination of any trust or estate (if the undersigned is a trust or an estate), or by the dissolution or liquidation of any corporation, limited liability company or partnership (if the undersigned is a corporation, limited liability company or partnership), or by the occurrence of any other act of the undersigned (any of the foregoing being hereinafter referred to as an “**Event**”). Accordingly, the certificate(s) deposited with the Custodian hereunder and this Custody Agreement and the Custodian’s authority hereunder are subject to and in consideration of the interests of the Attorneys, the Selling Agents and the Company, and this Custody Agreement and the Custodian’s authority hereunder are irrevocable and are not subject to withdrawal or termination by the occurrence of any Event. If an Event shall occur after the execution hereof but before the delivery of the Shares to the Selling Agents, then certificate(s) representing such Shares will be delivered by the Custodian to the Selling Agents on behalf of the undersigned in accordance with the terms and conditions of the Joint Bookrunning Manager Agreement and this Custody Agreement and any actions taken by the Custodian pursuant to this Custody Agreement shall be as valid as if such Event had not occurred, regardless of whether or not the Custodian, the Attorneys, the Selling Agents or any one of them, shall have received notice of such Event.

Notwithstanding any of the foregoing provisions, if the Joint Bookrunning Manager Agreement shall not have been executed and delivered, or the transactions contemplated thereby shall not have been consummated by October 31, 2017, then, upon receipt of written notice from the Attorney to the Custodian on or after that date, the Custodian shall return to the undersigned all certificate(s), together with any stock powers, delivered herewith.

Until payment of the purchase price for the Shares has been made to the Custodian by or for the account of the several Selling Agents, the undersigned shall remain the owner of all shares of Common Stock represented by the certificate(s) deposited with the Custodian hereunder and shall have the right to vote such shares and all other securities, if any, represented by such certificate(s) and to receive all dividends and distributions thereon, except the right to retain custody and dispose of such shares, which is subject to the rights of the Custodian under this Custody Agreement, the Attorneys under the Power of Attorney and the Selling Agents under the Joint Bookrunning Manager Agreement. The Selling Agents shall not acquire the power or the right to direct the investment of the Shares by virtue of this Custody Agreement until the consideration therefor is paid pursuant to the Joint Bookrunning Manager Agreement.

The Custodian shall be entitled to act and rely upon any statement, request, notice or instruction respecting this Custody Agreement given to the Custodian by the Attorneys, or any one of them. Any Attorney has the authority to instruct the Custodian on irregularities or discrepancies in the certificates representing shares of Common Stock and any accompanying documents.

In taking any action requested or directed by the Representative and permitted under the terms of this Custody Agreement, the Custodian will be entitled to rely upon a writing signed by a Vice President, Senior Vice President, Managing Director, Counsel, Assistant General Counsel or General Counsel of HCFP/Capital Markets LLC

It is understood that the Custodian assumes no responsibility or liability to any person or entity other than to deal with the certificate(s) deposited with the Custodian hereunder and the proceeds from the sale of all or a portion of the securities represented thereby in accordance with the provisions of this Custody Agreement. The undersigned agrees to indemnify the Custodian for and to hold the Custodian free from and harmless against any and all loss, claim, damage, liability or expense incurred by the Custodian arising out of or in connection with acting as Custodian hereunder, as well as the cost and expense of defending against any claim of liability hereunder, which is not due to the Custodian's own gross negligence, bad faith or willful misconduct; *provided, however*, that (i) the liability under this Custody Agreement of each Selling Shareholder shall be limited to an amount equal to the aggregate gross proceeds after underwriting commissions and discounts, but before expenses, to such Selling Shareholder from the sale of the Shares sold by such Selling Shareholder under the Joint Bookrunning Manager Agreement and (ii) no Selling Shareholder shall be required to contribute any amount in excess of the amount by which the aggregate gross proceeds after underwriting commissions and discounts, but before expenses, to such Selling Shareholder from the sale of the Shares sold by such Selling Shareholder under the Joint Bookrunning Manager Agreement exceeds the amount of any damages which such Selling Shareholder has otherwise been required to pay under the Joint Bookrunning Manager Agreement.

By executing this Custody Agreement, each of the Selling Shareholders represents that, as of the date hereof, such Selling Shareholder (i) has the authority to execute and deliver this Custody Agreement; (ii) has the authority to sell the Shares; and (iii) has good and marketable title to such Shares, free and clear of all liens, encumbrances, equities, security interests and claims whatsoever, and such Shares will be transferred to the purchasers of such Shares pursuant to the Joint Bookrunning Manager Agreement, assuming such purchasers purchase such Shares for value in good faith and without notice of any such lien, encumbrance, equity or other adverse claim within the meaning of the Uniform Commercial Code, free and clear of all liens, encumbrances, equities, security interests and claims whatsoever. The representations, warranties and agreements of the Selling Shareholders in this Custody Agreement are made for the benefit of, and may be relied upon by, the Company, the Custodian and the Selling Agents, and their respective representatives, agents and counsel. These representations, warranties, agreements and covenants shall remain operative and in full force and effect, and shall survive delivery of and payment for the Shares, regardless of (i) any investigation, or statement as to the results thereof, made by or on behalf of any of the persons or entities listed in the preceding sentence, (ii) acceptance of the Shares and payment for them under the Joint Bookrunning Manager Agreement and (iii) termination of this Custody Agreement.

This Custody Agreement shall be binding upon the undersigned and the heirs, legal representatives, distributees, successors and assigns of the undersigned.

This Custody Agreement may be executed in one or more counterparts and, if executed in more than one counterpart, the executed counterparts shall each be deemed to be an original and all such counterparts shall together constitute one and the same instrument. Delivery of a signed counterpart of this Agreement by facsimile or e-mail/pdf transmission shall constitute valid and sufficient delivery thereof.

This Custody Agreement shall be governed by the laws of the State of New York without regard to the conflicts of laws principles thereof.

Please acknowledge your acceptance hereof as Custodian, and receipt of the certificate(s) deposited with you hereunder, by executing and returning the enclosed copy hereof to the undersigned in care of the Attorneys.

The undersigned shareholder of Chicken Soup for the Soul Entertainment, Inc., a Delaware corporation (the "**Company**"), understands that it is contemplated that the undersigned will sell shares of Class A common stock of the Company ("**Common Stock**") through the selling agents (the "**Selling Agents**") named in the Joint Bookrunning Manager Agreement, among the Company and HCFP/Capital Markets LLC, as representative of the Selling Agents (in such capacity, the "**Representative**"), and the selling shareholders named therein (the "**Selling Shareholders**"), including the undersigned, substantially in the form filed as an exhibit to the Offering Statement (as defined below) (such agreement, in the form in which executed, being called herein the "**Joint Bookrunning Manager Agreement**"), pursuant to the Joint Bookrunning Manager Agreement, and the Selling Agents propose to offer and sell such shares of Common Stock (including the offer and sale of newly issued shares of Common Stock by the Company and the offer and sale of shares of Common Stock by other Selling Shareholders pursuant to the Joint Bookrunning Manager Agreement, the "**Offering**") to the public. The undersigned also understands that the Company has filed an Offering Statement on Form 1-A, Registration No. 024-10704 (as amended, the "**Offering Statement**"), with the Securities and Exchange Commission (the "**Commission**") in connection with the Offering.

Capitalized terms used but not otherwise defined herein have the meanings set forth in the Joint Bookrunning Manager Agreement.

(1) In connection with the foregoing, the undersigned hereby constitutes and appoints each of Scott W. Seaton and William J. Rouhana, Jr. as attorney-in-fact (each an "**Attorney**" and, together, the "**Attorneys**") of the undersigned, with full power and authority to act, together or individually, including full power of substitution, in the name of and for and on behalf of the undersigned with respect to all matters arising in connection with the sale of the Shares (as defined below) by the undersigned including, but not limited to, the power and authority to take any and all of the following actions:

(a) to instruct the participant in The Depository Trust Company ("**DTC**") that maintains a securities account with respect to the Shares on behalf of the undersigned (the "**DTC Participant**"), if any, to, among other things, withdraw up to the Maximum Shares (as defined below) from the DTC Participant's account with DTC;

(b) to sell, assign and transfer to the Selling Agents pursuant to the Joint Bookrunning Manager Agreement up to the Maximum Number of Shares of Common Stock specified on the signature page of the undersigned hereto (the "**Maximum Shares**"), or such lesser amount as the Attorneys, or any of them, in their or his sole discretion shall determine, on behalf of the undersigned at a purchase price per share to be paid by the Selling Agents, as determined by negotiation among the Company, the Attorneys and the Representative, but at the same price per share to be paid by the Selling Agents to the Company and all other Selling Shareholders for the shares of Common Stock sold by each of them in the Offering;

It is understood that the Attorneys shall serve without compensation.

(6) The Selling Agents, the Company, the Custodian, the Transfer Agent and all other persons dealing with the Attorneys as such may rely and act upon any writing believed in good faith to be signed by the Attorneys, or any of them, on behalf of the undersigned.

(7) This Power of Attorney shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to principles of conflicts of laws that would result in the application of any law other than the laws of the State of New York.

The Agreement provides for the Regulation A, Tier 2 offering (“**Offering**”) of shares (the “**Shares**”) of the Company’s Class A common stock, par value \$0.0001 per share (the “**Common Stock**”).

To induce the Managers and the Company to continue their efforts in connection with the Offering, the undersigned, an executive officer and/or director or parent of the Company, agrees that, without the Company’s prior written consent, the undersigned will not, for an initial period (“**Initial Lock-Up Period**”) commencing on the date hereof and ending on the 18-month anniversary of the date that the Shares commence to trade (“**Trading Date**”) (unless such day is a Friday in which event the expiration of the Initial Lock-Up Period shall occur on the next business day); and thereafter for an additional 24-month period (“**Additional Lock-Up Period**” and, together with the Initial Lock-Up Period, the “**Lock-Up Period**”), (1) offer, pledge, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, or otherwise dispose of, directly or indirectly, any shares of Common Stock of the Company or any shares convertible into, exercisable for, or exchangeable for shares of Common Stock, (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. If the undersigned is an officer or director of the Company, the undersigned further agrees that the foregoing restrictions shall be equally applicable to any issuer-directed shares of Common Stock the undersigned may purchase in the Offering. Notwithstanding anything to the contrary contained herein, 1/24th of the Common Stock subject to this Agreement shall become free of the lock-up obligations imposed hereby on each of the first 24 month anniversary dates of the commencement date of the Additional Lock-Up Period.

For purposes of this paragraph, “immediate family” shall mean the undersigned and the spouse, any lineal descendent, father, mother, brother or sister of the undersigned.

The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer Manager and registrar relating to the transfer of the undersigned's shares of Common Stock except in compliance with the restrictions described above.

Notwithstanding the above, if (a) during the period that begins on the date that is fifteen (15) calendar days plus three (3) business days before the last day of the Lock-Up Period and ends on the last day of the Lock-Up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or (b) prior to the expiration of the Lock-Up Period, the Company announces that it will release earnings results during the sixteen (16) day period beginning on the last day of the Lock-Up Period, then the restrictions imposed by this Lock-Up Agreement shall continue to apply until the expiration of the date that is fifteen (15) calendar days plus three (3) business days after the date on which the issuance of the earnings release or the material news or material event occurs; provided, however, that this paragraph shall not apply if the safe harbor provided by Rule 139 under the Act is available in the manner contemplated by Rule 2711(f)(4) of the Financial Industry Regulatory Authority, Inc.
